This book delves into the substrate of Virginia Woolf's emotional dilemmas as well as the subtexts of her novels and shows the confluence between her life and art. It brings new insights into Woolf's struggle to come to grips with her confused personal and sexual identity into her artistic conscience and into the conditions and motivations of her suicide.

The Cambridge Introduction to Virginia Woolf Jane Goldman, 2006-09-14 For students of modern literature the works of Virginia Woolf are essential reading. In her novels, short stories, essays, polemical pamphlets and in her private letters she explored, questioned and refashioned everything about modern life: cinema, sexuality, shopping, education, feminism, politics and war. Her elegant and startlingly original sentences became a model of modernist prose. This is a clear and informative introduction to Woolf's life, works and cultural and critical contexts, explaining the importance of the Bloomsbury group in the development of her work. It covers the major works in detail, including *To the Lighthouse*, *Mrs Dalloway*, *The Waves* and the key short stories. As well as providing students with the essential information needed to study Woolf, Jane Goldman suggests further reading to allow students to find their way through the most important critical works. All students of Woolf will find this a useful and illuminating overview of the field.

The Servants of Desire in Virginia Woolf's Shorter Fiction Heather

Levy,2010 *The Servants of Desire in Virginia Woolf's Shorter Fiction* proposes an insight into the ways in which Virginia Woolf engaged with the questions of how class influences working women's occupation of private and public space and how material privilege or economic distress inhibits or encourages their likelihood of obtaining their intellectual spiritual and physical desires This groundbreaking book uses class as the determining factor to assess how servants and working class women occupy private and public space and articulate or fail to realize their desires Drawing upon published and unpublished holograph and typescript drafts of the shorter fiction in *The Monks House Papers* as well as the Berg Collection this book examines Woolf's oscillating patterns of elision idealization and contempt for the voices and desires of female servants lesbians gypsies and other disenfranchised women *The Servants of Desire in Virginia Woolf's Shorter Fiction* also assesses how the portrayal of working class women in the shorter fiction becomes a vital template for the representation of working class women in Woolf's novels and essays This study of the cumulative portrayal of the working class woman in all of Virginia Woolf's shorter fiction will also be compelling for anyone interested in social justice especially for advocates of equality in gender race class sexuality conflicts

Bernard Shaw's and Virginia Woolf's Interior Authors Lagretta

Tallent Lenker,2024-05-09 Virginia Woolf and Bernard Shaw may be the odd couple of Twentieth Century modernism Despite their difference in age Shaw was twenty six years older than Woolf and public demeanor Shaw sought public attention while Woolf shunned the spotlight they actively held similar convictions on most of the pressing and controversial issues of the day This book demonstrates that both engaged in social reform through the Fabian Society both took public anti war positions and paid dearly for it both fought British censorship throughout most of their careers as writers both sought to strengthen women's rights and both endeavored to revolutionize their respective art forms believing that art could bring about positive social change The main focus of the book however concerns how both also created interior authors characters who write and who either self censor their own works or highly publicized messages or are censored by their fellow characters These fictional authors maybe considered reflections of their creators and their respective milieus and serve to illuminate the satisfactions and torments of each famous author during the writing process
