Cultivating and Keeping Committed Special Education Teachers Bonnie S. Billingsley, 2005-03-10 Billingsley highlights the problems that drive many special educators out of teaching and outlines practical recommendations that leaders can use to increase retention Grassroots Jennifer Baumgardner, Amy Richards, 2005-01-12 From the authors of Manifesta an activism handbook that illustrates how to truly make the personal political Grassroots is an activism handbook for social justice Aimed at everyone from students to professionals stay at home moms to artists Grassroots answers the perennial question What can I do Whether you are concerned about the environment human rights violations in Tibet campus sexual assault policies sweatshop labor gay marriage or the ongoing repercussions from 9 11 Jennifer Baumgardner and Amy Richards believe that we all have something to offer in the fight against injustice Based on the authors own experiences and the stories of both the large number of activists they work with as well as the countless everyday people they have encountered over the years Grassroots encourages people to move beyond the generic three check writing calling congresspeople and volunteering and make a difference with clear guidelines and models for activism The authors draw heavily on individual stories as examples inspiring readers to recognize the tools right in front of them be it the office copier or the family living room in order to make change Activism is accessible to all and Grassroots shows how anyone no matter how much or little time they have to offer can create a world that more clearly reflects their values Psychology in Today's World Michael J. Nakkula, Andrew J. Schneider-Muñoz, 2018-11-02 This groundbreaking three volume set spotlights how conditions around the world are affecting the healthy development of adolescents in their respective environments on all six continents Continually unstable or perpetually poor economic conditions globalization and rapid technological change are just three of the forces affecting a group 1 2 billion strong today a demographic poised to become our world leaders and catalysts in the not too distant future the world's adolescents Led by two editors who have been dedicated to studying adolescent development worldwide for decades this novel collection of works from contributors in more than 40 countries emphasizes how possibilities for healthy mental and physical development are affected by the difficulties youths face in their countries and how these challenges have shaped and are shaping contemporary teenage life today The set comprehensively addresses issues for adolescents across the globe such as the day to day challenges of poverty inadequate education violence or war disease reproductive matters globalization and technological challenges and more while also providing a strengths based focus in the volumes showing how and why some teenagers in each country have surmounted the challenges and forged stronger characters to better their worlds These stories document more than personal victories and their experiences matter to far more than the adolescents themselves In its State of the World's Children 2011 report UNICEF noted that the world community needs to turn its attention to adolescents in need explaining that focusing on

this large and potentially powerful group makes economic sense as well as being a necessary step in working towards achieving human justice By addressing the risks challenges and strengths of teenagers as a group in countries worldwide this work serves to break the cycle of poverty violence discrimination and death for adolescents **InfoWorld** ,1998-12-28 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects Christian Release The Handbook of Blended Learning Curtis J. Patrick Dobel, 2018-05-11 Designed to help midlevel and senior managers in organizations dedicated to public purposes this book provides trained self awareness to deploy values to guide decisions and build the culture of their organizations. The book explores how all managing involves leading and identifies the levels of ethical responsibility for managerial leaders Highlighting the fundamental role that ethics plays in organizational life J Patrick Dobel uses insights from cognitive and social psychology to discuss how to anticipate and address threats to integrity and value informed decision making Building

on traditional ethical theory and modern research the book begins with the fundamental assumption that individuals possess responsibility when they act for ethical purposes and results in taking a position within a public or nonprofit organization. This assumption of responsibility recognizes the inherent discretion in all positions and claims that effective ethical management requires self awareness self mastery integrity and a working frame of one s values and character. The book pays special attention to the challenges of integrating diverse people and perspectives in public organizations as well as attending to the slippages to integrity in organizational life and how managers and leaders can foresee and address ethical slippage and corruption. The book provides checklists and decision frameworks that individuals can adopt and deploy to guide decisions. Public Leadership Ethics A Management Approach will help create strong value informed cultures supported by communication transparency incentives and strong management cadres to achieve high quality service and integrity based actions. It will be of special interest to managerial leaders in public service and teaching in public administration and policy programs or executive training.
