Fiscal Affairs Dept.,2013-01-28 This supplement presents country case studies reviewing energy subsidy reform experiences which are the basis for the reform lessons identified in the main paper The selection of countries for the case studies reflects the availability of data and of previously documented evidence on country specific reforms The 22 country case studies were also chosen to provide cases from all regions and a mix of outcomes from reform The studies cover 19 countries including seven from sub Saharan Africa two in developing Asia three in the Middle East and North Africa four in Latin America and the Caribbean and three in Central and Eastern Europe and the CIS The case studies are organized by energy product with 14 studies of the reform of petroleum product subsidies seven studies of the reform of electricity subsidies and a case study of subsidy reform for coal The larger number of studies on fuel subsidies reflects the wider availability of data and past studies for these reforms The structure of each case study is similar with each one providing the context of the reform and a description of the reforms discussion of the impact of the reform on energy prices or subsidies and its success or failure mitigating measures that were implemented in an attempt to generate public support for the reform and offset adverse effects on the poor and finally identification of lessons for designing reforms The Politics of Civil-Military Cooperation C. Ankersen,2014-09-09 Ankersen examines Canada s civil military cooperation efforts in Kosovo Bosnia and Afghanistan through the lens of Clausewitz s Remarkable Trinity The book reveals how military action is the product of influences from the government the armed forces and the people at home India and the Knowledge Economy Carl J. Dahlman,Anuja Utz,2005-01-01 In the global knowledge economy of the twenty first century India s development policy challenges will require it to use knowledge more effectively to raise the productivity of agriculture industry and services and reduce poverty India has made tremendous strides in its economic and social development in the past two decades Its impressive growth in recent years 8.2 percent in 2003 can be attributed to the far reaching reforms embarked on in 1991 and to opening the economy to global competition In addition India can count on a number of strengths as it strives to transform itself into a knowledge based economy availability of skilled human capital a democratic system widespread use of English macroeconomic stability a dynamic private sector institutions of a free market economy a local market that is one of the largest in the world a well developed financial sector and a broad and diversified science and technology infrastructure and global niches in IT But India can do more much more to leverage its strengths and grasp today s opportunities India and the

Knowledge Economy assesses India's progress in becoming a knowledge economy and suggests actions to strengthen the economic and institutional regime develop educated and skilled workers create an efficient innovation system and build a dynamic information infrastructure It highlights that to get the greatest benefits from the knowledge revolution India will need to press on with the economic reform agenda that it put into motion a decade ago and continue to implement the various policy and institutional changes needed to accelerate growth In so doing it will be able to improve its international competitiveness and join the ranks of countries that are making a successful transition to the knowledge economy **The**
