Changing Suburbs Richard Harris, Peter Larkham, 2003-09-02 A multidisciplinary team of specialists list historical and contemporary research on suburbanization with particular emphasis on the UK North America Australia and South Africa

Sydney's Century Peter Spearritt, 2000 In this lively portrait of Sydney's development Peter Spearritt traces a century in the life of the city from the celebrations of the Federation of Australia in 1901 to the 2000 Olympic Games He describes the extra ordinary growth of the city and its sprawling suburbs and the transition from a port and a manufacturing center to an international financial hub

The Private Rental Sector in Australia Alan Morris, Kath Hulse, Hal Pawson, 2021-05-15 This book explores the decline and growth of the private rental sector in Australia delving into the changing dynamics of landlord investment and tenant profile over the course of the twentieth century and into the present period It explains why over one in four Australian households are now private renters and investigates the contemporary legal and regulatory frameworks governing the sector The reform discourses in Australia and comparator countries and debates around key concerns such as Australia's advantageous tax treatment of investors in rental property and the power imbalance between tenants and landlords are highlighted The book draws on rich data 600 surveys and close to 100 in depth interviews with tenants in high medium and low rent areas in Sydney and Melbourne and regional New South Wales The book provides in depth insights into this large and expanding component of Australia's housing market and shows how being a private renter shapes the everyday lives and wellbeing of people and households who rent their housing including short and long term renters those on low and higher incomes and older as well as younger people

Gentrification of the City Neil Smith, Peter Williams, 2013-10-15 The author and contributors of this book seek to present alternatives to the mainstream discussions of gentrification It does not present a single coherent vision of the causes effects and experiences of gentrification but a number of different views that do not always coincide What the authors have in common is the attempt to escape a naive empiricism which has dominated much mainstream research as well as the conviction that questions of social class lie at the heart of this issue This book was first published in 1986
