## **Radicalism In The Contemporary Age Volume 1 Sources Of Contemporary Radicalism:**

**Radicalism In The Contemporary Age, Volume 1** Seweryn Bialer, Sophia Sluzar, 2019-08-16 This volume Sources of Contemporary Radicalism begins with Seweryn Bialer's examination of the definitional aspects of radicalism as well as with the identification of specific contemporary sources of the radical impulse and the social groups that are the carriers of radicalism within society In the next two chapters Seymour Lipset and Stanley Rothman consider the case of the United States Lipset asks anew the question posed by Werner Sombart at the beginning of this century Why is there no socialism in the United States From the perspective of a century of literature addressed to this question he provides his own critique and explanation Rothman considers the relatively new phenomenon of student radicalism in the United States and on the basis of interviews with student activists and results of tests they agreed to take he offers hypotheses concerning their psychological motivation Sidney Tarrow's chapter presents a comparison and contrast of the societal sources contributing to the growth of radical movements in post World War II France and Italy Henry Landsberger in his chapter concentrates on one societal group the peasantry Landsberger addresses the methodological issue that arises in defining peasant discontent as radicalism and examines what it is that provides a new dimension to peasant discontent in modern times In the final chapter William Overholt presents a valuable interpretative survey of the literature on radicalism

understand contemporary society it has become more and more essential to understand the phenomenon of radicalism the aspirations of radical movements the strategies and tactics of radicalism and the impact of radicalism on contemporary society Radicalism in the Contemporary Age grew out of the recognition of this need A study in three volumes **The Unfinished Revolution** Adam B Ulam, 2019-06-26 Marxism has been the most pervasive and widespread ideological phenomenon of our times but seldom if ever has it been found in its form Whenever the Marxist ideology has been historically significant it has been so as a beneficiary and associate of another set of political beliefs and passions As a contender for power it seeks to express the dreams and yearnings of societies caught in the painful process of modernization

and industrialization In power it tends to pay lip service to its lofty goals but associates them with old fashioned nationalism Practice does not reflect theory Ruling elites and parties surpass traditional capitalism in their dedication to political centralization and industrialism at all costs This revised edition of Adam Ulam s standard work retains the author s summary and critique of Marx s historical economic and political arguments Ulam then examines the relationship of Marxism to other schools of contemporary socialism and to other radical and revolutionary theories He traces the development of Marxian thought explains why it has been the potent force in certain societies while in other societies its influence has been insignificant and analyzes how Marxism and Leninism have affected the shaping of Russian Communism Finally Ulam looks at Marxism in the future the role it will play in the development of the Soviet Union and how it will affect the contemporary crisis of liberal institutions in the West *Asia's Nuclear Future* William H. Overholt,2019-06-03 Future historians are very likely to see nuclear proliferation or the averting of nuclear proliferation as one of the central determinants of international politics in the last quarter of the twentieth century Certainly the development of an independent nuclear deterrent by the People s Republic of China and the possibility that Taiwan Korea Jap

**Relevance Of Liberalism** Zbigniew Brzezinski,2019-06-10 This volume is the product of a conference held at the Research Institute on International Change on 21 January 1976 The subject of the conference the relevance of liberalism in the contemporary world represents one aspect of the institute s research focus on changes in values and the impact of these changes on international affairs This focus reflects the belief that we are living in a time when the sudden expansion in popular political consciousness is altering fundamentally the ways in which politics is perceived in which political values are translated into political action and in which political movements and moods transcend state boundaries and thus have worldwide repercussions Together these changes may result in profound discontinuities in political behavior in social institutions and in the basic values around which institutions and procedures are shaped Radicalism in the Contemporary Age Seweryn Bialer,1977 Sources of Contemporary Radicalism Seweryn Bialer,1977 **The Domestic Context Of Soviet Foreign Policy** Seweryn Bialer,2019-07-15 This volume highlights those aspects of Soviet internal dynamics that influence foreign policy and international relationships It reflects a growing awareness of the importance of internal factors as a critical determinant shaping the making and effectiveness of Soviet foreign policy The Nationalization of Politics Daniele Caramani,2004-03-29 Publisher Description *The Rebel's Dilemma* Mark Irving Lichbach,1998 The author brings significant new insights to the study of dissent rebellion and revolution **Gaining Ground** Charles Lockhart,2021-01-08 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1989 *Radical Malay Politics* Firdaus Abdullah,1985 *The Relevance of Liberalism* Columbia University.
