[War Paint](#) Robert E. Mallory,2021-10-25 This is my story as an American Indian leaving the reservation enlisting in the U S Army in 1967 and going to war in Vietnam as so many other American Indians did The Indians came from all the nations We enlisted to become warriors like so many of our ancestors As a young Indian boy who had never left the reservation before I saw many similarities to my home in this strange and beautiful country in the trees the creeks and the rivers These are my recollections of the firefights I participated in and the day to day life we infantrymen endured It was said that Company C also known as Charlie Company was given the name Bandido when a commander was flying over a group of soldiers as they waited in a landing zone to be picked up Looking down at the men he said Those men look like Bandidos And from that time on they became Bandido Charlie Today Bandido Charlie still rides with the 1st Infantry Division not as an infantry company but as an armored company The story of Firebase Cudgel is one of many battles and firefights that the 5th Battalion 60th Infantry 3rd Brigade 9th Infantry Division were participants in during their combat time in Vietnam **The Twins Platoon** Christy W. Sauro,2006-03-20 In the evening of June 28 1967 150 young Americans were sworn into the Marine Corps as part of the pre game ceremonies of a Minnesota Twins baseball game Before the end of the fourth inning these volunteers were being hustled on to buses on their way to boot camp It was a journey that would take them from a

boyhood of baseball in the American heartland to manhood on the killing fields of Vietnam Christy Sauro was one of the Twins Platoon and in this book he tells what it was like from the pomp and ceremony of induction to the all too real initiation by fire that would shortly follow in mere months he and most of the Twins Platoon were on the ground in Vietnam and promptly faced with some of the toughest fighting of the war the Siege of Khe Sanh and the Tet Offensive including the brutal Battle for Hue From baseball to boot camp to brutal combat his is a firsthand story of American life being lived at the limits and changed forever

Murphy,2007-12-18 From their early days in 1965 when the order of the day was to drive the insurgent Viet Cong from the villages around Da Nang to the final dramatic evacuation of Saigon ten years later *Semper Fi Vietnam* relates the whole gutsy glorious saga of the Marines in Vietnam in stark riveting detail Acclimating to their strange new surroundings occupied the Marines first few weeks in South Vietnam Throughout the day peasants dressed in pajama like clothing and sporting conical hats worked the paddies behind the heaving water buffalo If daytime scenes appeared bucolic the arrival of sunset quickly changed that perception Gunfire and explosions erupted at dusk Marines nervously watched bright tracers cut colorful swaths across the night sky From distant bamboo thickets mortar shells flew skyward to crash in the paddies The Marines were learning that the war in South Vietnam was unlike anything for which they d been trained *Thirteen Months, Fourteen Days The Journey* William E. Mattatall,2010-12-08 **At Night He Remembers** James Cunneen,2023-07-07 *At Night He Remembers* traces the life of Jacob from his coming to Christ as a young lieutenant in Vietnam through his years as a college professor campus minister and at last an old man agonizing over whether his life was fruitful for God This book will encourage and challenge all believers who desire to serve the Lord and say at the end of their lives Father I have accomplished the work you sent me to do Legion Phil Nix,2024-03-05 Marine Sgt Mike Shaffer stood alone on the battlefield looking up at the beast from hell He would need every bit of wisdom and courage he possessed to withstand this satanic challenge to his faith Yet instead of cowering in fear Mike stood his ground with a conviction that exemplified his Christian character The source of his confidence was the one who stood behind him the Advocate It was his job to defend Mike against Legion s condemning accusations Legion could have used any appearance he wanted to deceive Mike the snake that seduced Eve one of the superhuman demoniacs of biblical times or the angel of light that tempted Christ God had granted Satan one chance to break Mike s spirit and it had to be done on the eve of a battle long since lost to history So the old shape shifter chose his most intimidating form tall dark and masculine His naked and genderless body spoke of power beyond human understanding With eyes of steel the Advocate stared at Satan s most feared henchman his jaw fixed ready to litigate Mike s case before God

However his Defender knew that any physical interference in this inquisition was limited to protecting Mike s body The Paraclete had sealed Mike s soul for the resurrection so this testing was to question Mike s spiritual integrity was he worthy of God s grace and his kingdom Although Mike would be given a place of honor in the throne room of heaven for his victory over Satan s dark force of doom this story doesn t end there
