Since the history of the entire universe statistics have proven that the problem of infertility has risen over the last two decades We have many more couples with inabilities to have biological children of their own with cases of miscarriages fibroid tumors and complications in delivery So the question has been what changed The answer lies in the newly released book titled The Blessing of Sarah An expository book on what the fertility God has to say about empowerment for conception full time gestation period and safe delivery The author goes beyond unravelling the simplistic notion about these problems confronting women and brings to light God s clever ways of addressing them such that if women can understand them they could conceive their own biological children notwithstanding the limitations It has got practical and powerful answers to many questions confronting women s conception providing readers with scriptural analogies on how to handle the cases of barrenness miscarriages fibroid tumors in women and complications in delivery including Bible based prayers for reversing all that was not so from the beginning with the woman With recent incidences of fibroid operation claiming many women s lives the book reveals a better way of handling it showing how the fertility God rids out fibroid without Him applying a pin on women s flesh just to ensure they conceive and bear kids It analyses how the working of the blessing organises the process of conception through to having a full time gestation period unto safe delivery providing significant insights to what can be done to successfully complete the process irrespective of standing limitations The author concluded by making a compelling case for treating the belief of living and dying childless by sharing series of testimonies from couples who had challenges conceiving but now have their own biological kids through the working of the blessing of the womb upon their lives It is a must read for all expecting couples potential couples and women who desire to bear kids in their lifetime and without much trouble too **The Sarah Anointing** Michelle McClain-Walters,2022-04-05 FROM BEST SELLING AUTHOR MICHELLE MCCLAIN WALTERS When your faith fails God prevails This book will teach you how to live out your nature as an active participant in God s vision Sarah was a loyal wife who followed her husband Abraham when God spoke to him Even when Abraham made mistakes she still called him lord She is an example of a woman with a submitted spirit who responded biblically to her husband without losing her identity Sarah was an active participant in God s vision perhaps too active as she ran ahead of God and tried to fulfill His covenant in her own timing She also laughed at the possibility of a miracle But when God changed Sarah s name He changed her nature The name change linked her to Abraham in co rulership including her in God s covenant promise which was fulfilled by the couple s working together Sarah s example shows us that God has included women in His purposes and plans throughout history and will include them in the next great awakening Her life is a positive lesson in faith that breaks personal limitations Also Available in Spanish ISBN 978 1 62999 767 4 OTHER BOOKS BY MICHELLE MCCLAIN WALTERS Chosen 2019 ISBN 978 1629996530 The Hannah Anointing 2019 ISBN 978 1629995670 The Ruth Anointing 2018 ISBN 978 1629994635 The Anna Anointing 2017 ISBN 978 1629989471 The Deborah Anointing
