Save The Birds:

A Garden to Save the Birds Wendy McClure, 2021-04-01 ALA Top 10 Sustainability themed Children's Books 2022 A brother and sister learn that small changes can make a big difference When a bird flies into their window by accident Callum and his sister Emmy learn that from the outside the glass looks just like the sky They also learn that the United States has lost a lot of birds in recent years and that there are lots of things their family can do to help First they set out feeders and make the windows safe Then for the winter they build a little shelter and put out a heated birdbath By springtime all kinds of birds are visiting their yard But with such a big problem is there more they can do to make a difference **Saving Birds** Pete Salmansohn, Stephen W.
