

The background of the slide is a photograph of a mountain range. The mountains are layered, with the closest ones in the foreground being a darker blue-grey and the ones further away becoming progressively lighter and more hazy, creating a sense of depth. The sky is a pale, overcast blue with some wispy white clouds. The overall tone is serene and contemplative.

Say A Good Word For Jesus:

The Works of Francis J. Grimke, Francis James Grimké, 1942 **Jesus is the key** Judith Archer, 2015-06-01 This book was made to emphasize His greatest love to all human races that when He died He offered it to His Father He was obedient and He listened to what His Father wanted Him to fulfil to obtain the greatest gift that He offered to mankind the gift of love He emphasizes to all that His love is never ending that He is always there for all through the good Holy Spirit He speaks to everyone through this servant this servant will never leave His children He promised that to all mankind that they will live a fruitful life if they choose the good Holy Spirit as their counsellor their guiding light and their comfort Jesus is the Key is design to shape peoples life it is meticulously design to fix and dig all areas of human characteristics negative and positive so it enables the people to grasp the good Holy Spirit which lead the people to hear the voice of Jesus Christ God the Father and all the heavenly Family that is if they are willing to ask the good Holy Spirit and if they are focus and believe then they can acquire so many gifts that the Holy Spirit reveals they can have knowledge and wisdom so they will have a normal joyful and peaceful life with compassion and humility Jesus's Dialogue John H.S. Lee, 2022-12-23 This book aims to guide How to defend Christianity and How to say in our daily encounters and conversations The questions how to defend Christianity and evangelize remain a challenging task in our daily encounters and communications for many Christians alike There is no methodological approach to how in this area It s not because of a lack of biblical knowledge or learning Instead we don t have a model for conversations and don t know the specific communication skills or methods of evangelism i e when how and what to say The discovery of Jesus s dialogue breaks down the barriers between faith and reality and quenches our long standing thirst and questions about our daily encounters and conversation at once The Gospel of John contains a relatively large number of detailed conversations with Jesus The talks in various situations teach us what to say and convey evangel as a golden rule I tried to sort it out on my own Jesus s conversation tells us what attitude we should take and how we speak It also introduces an aggressive conversational form that leads to dialogues In particular it is gratifying to discover that there is a specific frame in Jesus s dialogue evangelism method This book introduces it and also contains the way to use field materials and their effective means of conveying the truth in daily life and introduces the way how to cope with the frictions assaults that Jesus had shown **Good Words** ,1871 *Words of ... Good words, ed. by N. Macleod Norman Macleod, 1861 The Peacemaker; Or, the Religion of Jesus Christ in His Own Words ... By the Rev. Spurgeon, Book 1 (Vol. 1-3)** C. H. Spurgeon, 2015-03-22 The story of Charles Haddon Spurgeon s life is nothing less than titanic Within 2 years and 6 months of accepting the pastorate of the New Park Street Chapel as a boy of 19 the Sunday service grew from 242 to over 7 000 in attendance What can account for the meteoric rise in popularity Why did so many wish to hear his

sermons It is the same reason why one ought to study the sermons of Spurgeon to this day in a famished land of moralism he preached the bread of Jesus Christ Containing the first three volumes of the sixty three volumes published from the Metropolitan Tabernacle pulpit this book holds 164 sermons as plump as a partridge and as full of meat as an egg David A Attebury is currently pursuing a Masters of Divinity from The Southern Baptist Theological Seminary in Louisville Kentucky

Glaser,2012-08-21 Though many think of the Bible as monolithic that is of a single point of view the Bible is rather a compendium of viewpoints on a variety of issues To enter the Bible is like entering any community there may be some common beliefs but there is also disagreement The dialogue of the Bible therefore invites rather than inhibits further conversation Lesbians and gay men know all too well the experience of having to leave families friends hometowns and even their faith traditions to be blessed as they are Nevertheless many still struggle to maintain an authentic faith that also affirms and recognizes their right to joyously celebrate their biblical heritage Chris Glaser liberates the Bible from those who would hold it hostage to an anti gay agenda In this inspiring and moving collection of 365 daily meditations the Bible s good news comes out to meet us all with love justice meaning and hope **A.W.
