Topic: Literature | Words: 1325 | Pages: 5

The actions of Candide can be explained by underlying aspects of his devotion to Pangloss. The biblical Garden of Eden represents an ideal state of affairs where human beings are not required to work. Pangloss finds solace in his work on the land and maintaining a busy, productive lifestyle after everything that has happened. When Candide encounters multiple people he thought were dead, he begins to doubt his perception of reality. When the physician went to examine what he thought was a corpse, Pangloss realized he had survived the hanging (Voltaire 123). Despite what Candide may have thought, the baron
