Love Hate And Fear In Canadas Cold War:

Love, Hate, and Fear in Canada's Cold War Richard Cavell, 2004 A major theme emerging from *Love Hate and Fear in Canada's Cold War* is that many issues associated with the Cold War in Canada actually preceded World War II and continue to haunt us today

Love, Hate, and Fear in Canada's Cold War Richard Cavell, 2004-06-02 The essays in *Love Hate and Fear in Canada's Cold War* present a Cold War different in many respects from the familiar one of anti communist hysteria In Canada the Cold War raised issues of national self representation that went beyond international political tensions related to capitalistic versus communistic regimes If the discourse of the Cold War in Canada was anti communist it was also anti American in many ways Drawing on a number of disciplinary approaches and examining what Michel Foucault called the discursive practices of the period the contributors examine how in the Cold War the personal became the political through the state's attempt to regulate sexuality in pulp fiction in film and in public spaces A major theme emerging from *Love Hate and Fear in Canada's Cold War* is that many issues associated with the Cold War in Canada actually preceded World War II and continue to haunt us today This has become particularly apparent after the terrorist attacks of September 2001 when politicians began employing the rhetoric of the War on Terror and invoking issues of border security immigration and refugee quotas and harmonization of policies

Cold War Comforts Tarah Brookfield, 2012-05-01 *Cold War Comforts* examines Canadian women's efforts to protect children's health and safety between the dropping of the first atomic bomb in Hiroshima in 1945 and the end of the Vietnam War in 1975 Amid this global insecurity many women participated in civil defence or joined the disarmament movement as means to protect their families from the consequences of nuclear war To help children affected by conflicts in Europe and Asia women also organized foreign relief and international adoptions In Canada women pursued different paths to peace and security From all walks of life and from all parts of the country they dedicated themselves to finding ways to survive the hottest periods of the Cold War What united these women was their shared concern for children's survival amid Cold War fears and dangers Acting on their identities as Canadian citizens and mothers they characterized with their activism the genuine interest many women had in protecting children's health and safety In addition their activities offered them a legitimate space to operate in the traditionally male realms of defence and diplomacy Their efforts had a direct impact on the lives of children in Canada and abroad and influenced changes in Canada's education curriculum immigration laws welfare practices defence policy and international relations *Cold War Comforts* offers insight into how women employed maternalism nationalism and internationalism in their work and examines shifting constructions of family and gender in Cold War Canada It will appeal to scholars of history child and family studies and social policy

Czech Refugees in Cold War Canada Jan Raska, 2018-08-24 During the Cold War more than 36 000 individuals entering Canada claimed Czechoslovakia as their country of citizenship A defining characteristic of this migration of predominantly political refugees was the prevalence of anti communist and democratic values Diplomats industrialists

politicians professionals workers and students fled to the West in search of freedom security and economic opportunity Jan Raska's *Czech Refugees in Cold War Canada* explores how these newcomers joined or formed ethnocultural organizations to help in their attempts to affect developments in Czechoslovakia and Canadian foreign policy towards their homeland Canadian authorities further legitimized the Czech refugees' anti-communist agenda and increased their influence in Czechoslovak institutions In turn these organizations supported Canada's Cold War agenda of securing the state from communist infiltration Ultimately an adherence to anti-communism the promotion of Canadian citizenship and the cultivation of a Czechoslovak ethnocultural heritage accelerated Czech refugees' socioeconomic and political integration in Cold War Canada By analyzing oral histories government files ethnic newspapers and community archival records Raska reveals how Czech refugees secured admission as desirable immigrants and navigated existing social cultural and political norms in Cold War Canada
