that I noticed many young people believe that making money is easy They think that if they were to start a business or open a  
shop a restaurant or any kind of business they will be rich within a few years Many times I heard young people mentioning  
the stories of some people who became very rich in the world of trade and business without knowing that there are a lot of  
factors of success which helped those people get rich Chapters of this book 1 Patience 2 Manners 3 Self Confidence 4 Money
