The Making of a US Marine Scholar is the original long work and the three works now published by iuniverse. Baker shares a theory of leadership that can be applied by change-oriented leaders in a multitude of cultures and organizations. This volume is subtitled *Hail to the Chief*, which begins with the surprise assignment as the Executive Officer designate at the Presidential Retreat Camp David. He then was selected for the military staff of the President of the United States Lyndon B. Johnson. The second tour in Vietnam brings an unusual WIA, a challenging relationship with one leader, and salvation with another. The third volume is a must read as Baker transitions to higher education and fights to win advancement to the more prestigious positions and finds that his military and political skills properly applied bring continuing success. Secrets of a Gay Marine Porn Star Rich Merritt, 2017-05-31

YES IT ALL REALLY HAPPENED JUST LIKE THIS. Here's the story of Rich Merritt, the good son, teacher's pet, Southern gentleman, model Christian student at Bob Jones University, Marine officer, and the not-so-anonymous poster boy for a New York Times Magazine article on gays in the military whose complicated sexual past caused an international scandal when *The Advocate* outed him as *The Marine Who Did Gay Porn*, putting his life in a tailspin. It's the compelling, poignant story of how a boy who never listened to pop music, never cursed, and didn't have his first drink until he was eighteen exploded into a life of drugs, alcohol, promiscuity, prostitution, and pornography. And above all, it's a triumphant story of self-forgiveness and identity of a man who refused to allow himself to be defined by the standards of anyone else, gay or straight. Along the way, Rich Merritt writes with humor, compassion, insight, and naked truth about what it's really like growing up behind the Fortress of Fundamentalism and how he ultimately came to despise their views. The harsh realities of military life under the "Don't ask, don't tell" Clinton policy. A real insider's experience of working in the male porn industry, the good, the bad, and the extremely hot. Why he chose not to reveal his porn past to the New York Times journalist. What it felt like to be the most notorious marine in the world and what it took to come through the fire. By turns harrowing and heartbreaking, angry and affirming, *Secrets of a Gay Marine Porn Star* is that rarest of memoirs: a fascinating slice of life that reads like the most absorbing fiction but is all true.
