**Calvin's First Catechism** I. John Hesselink, 1997-01-01 John Calvin's first catechism originally written in French in 1537 and then in Latin in 1538 provides a valuable clear and concise introduction to his thought. Now for the first time readers have available Ford Lewis Battles' English translation of the 1538 Latin edition and a current discussion of it in the same volume. This commentary on the first catechism also utilizes other sources such as Calvin's Commentaries and Institutes as well as the latest Calvin research. This volume is an excellent introduction to Calvin's theology and will be useful as a text for college and seminary courses as well as church discussion groups. The Columbia Series in Reformed Theology represents a joint commitment by Columbia Theological Seminary and Westminster John Knox Press to provide theological resources from the Reformed tradition for the church today. This series examines theological and ethical issues that confront church and society in our own particular time and place.

**The Beatitudes through the Ages** Rebekah Eklund, 2021-04-27 The Beatitudes are among the most influential teachings in human history. For two millennia they have appeared in poetry and politics and in the thought of mystics and activists as Christians and others have reflected on their meaning and shaped their lives according to the Beatitudes' wisdom. But what does it mean to be hungry or meek or pure in heart? Is poverty a material condition or a spiritual one? And what does being blessed entail? In this book Rebekah Eklund explores how the Beatitudes have affected readers across differing eras and contexts. From Matthew and Luke in the first century to Martin Luther King Jr. and Billy Graham in the twentieth century, Eklund considers how men and women have understood and applied the Beatitudes to their own lives through the ages. Reading in the company of past readers helps us see how rich and multifaceted the Beatitudes truly are, illuminating what they might mean for us today.

**Reformed Theology** R. Michael Allen, 2010-09-02 Introduces Reformed theology by surveying the doctrinal concerns that have shaped its historical development.

**Reading Certainty** Ralph Keen, Elizabeth Palmer, Daniel Owings, 2022-11-28 Reading Certainty offers incisive historical analysis of the foundational questions of the Christian tradition: how are we to read scripture and how can we know we are saved? This collection of essays honors the work and thought of Susan E. Schreiner by exploring the import of these questions across a wide range of time periods. With contributions from renowned scholars and from Schreiner's students from her more than three decades of teaching, each of the contributions highlights the nexus of certainty, perception, authority, and exegesis that has defined her scholarly work. Intellectual historians, early modernists, and scholars of Christianity will all appreciate this testament to Schreiner's influence. Contributors to this volume: Vincent Evers, Bruce Gordon, Ralph Keen, Mark Lambert, Kevin J. Madigan, Richard A. Muller, Willemien Otten, Daniel Owings, Elizabeth Palmer, Karen Park, Barbara Pitkin, Ronald K. Rittgers, William Schweiker, Jonathan Strom, and Matthew Vanderpoel.

**Christ's Faith** Michael Allen, 2011-11-03 *The Christ s Faith* coheres with orthodox Christology and Reformation soteriology and needs to be affirmed to properly confirm the true humanity of the incarnate Son Without addressing the interpretation of the Pauline phrase *pistis christou* this study offers a theological rationale for an exegetical possibility and enriches a dogmatic account of the humanity of the Christ The coherence of the Christ s faith is shown in two ways First the objection of Thomas Aquinas is refuted by demonstrating that faith is fitting for the incarnate Son Second a theological ontology is

offered which affirms divine perfection and transcendence in qualitative fashion undergirding a Chalcedonian and Reformed Christology Thus the humanity of the Christ may be construed as a fallen human nature assumed by the person of the Word and sanctified by the Holy Spirit The dogmatic location of The Christ's Faith is sketched by suggesting its potential function within three influential theological systems Thomas Aquinas federal theology and Karl Barth Furthermore the soteriological role of the doctrine is demonstrated by showing the theological necessity of faith for valid obedience before God

**With Jesus** Brian G. Hedges, 2017-12-08 With Jesus takes us on a tour through Jesus' life to show us how we can find our place in the story of Christ Christianity is not only a faith founded on facts but also a deeply personal experience of God's transforming grace in Christ While our hope is rooted in history the events of Jesus' life death resurrection and ascension the Scriptures also teach that every believer is included in these events From the manger to the cross from the empty tomb to his glorious throne Jesus acted for us And the mystery and wonder of the gospel is that we are crucified buried raised and seated with him The story of Jesus rewrites our stories

**Theologies of Language in English Renaissance Literature** James S. Bauman, 2012-05-30 James S. Bauman's Theologies of Language in English Renaissance Literature offers a revisionist history of discourse taking Shakespeare Donne and Milton as its touchstones Their works mark stages in the disenchantment or disenchantment as Max Weber has termed it that is in the elimination of magic from the world Shakespeare's Hamlet questions the word magic associated with medieval Catholicism Donne's love lyrics ironize the sacramental gestures of their poetic priestly speakers more radical still Milton's major poems and polemical prose empty language of sacral power repudiating human persuasion entirely over matters of saving faith Bauman describes four archetypes of historical rhetoric sophism skepticism incarnationism and transcendence Undergirding the age's competing theologies each makes unique assumptions regarding the powers of language both communicative and performative the nature of being including transcendent being or deity the structure of the psyche whether sin weakened or self-sufficient and the capacities of human knowing whether certain knowledge is communicable or even possible Working within divergent theologies of language the poets here studied take theological controversies as explicit themes The crisis of Hamlet begins not in a king's murder simply but in his dying without benefit of the sacraments As if compensating for their loss young Hamlet ministers to Gertrude while acting as scourge to Claudius Alternating between soul-cursing and soul-curing Hamlet plays sorcerer and priest indiscriminately Appropriating the speech acts of Catholic sacramentalism Donne's lyrics describe a private religion of Love over which the poet-lover presides as officiant Or rather some lyrics present him as Love's Priest there being as many personae as there are theologies of language Beyond Love's Priest Bauman describes three such personae Love's Apostate Love's Atheist and Love's Reformer Focusing on Lycidas and De Doctrina Christiana Bauman outlines Milton's plerophoric rhetoric of certitude Such texts as these explore the problematic status of preaching Can human eloquence contribute to salvation They explore competing definitions Aristotelian vs. Pauline of *pistis* meaning alternatively religious faith and

**Right With God** D. A. Carson,2002-09-10 *Right with God* is a study of what the Bible has to say about justification along with reflections as to how this teaching ought to work out in a variety of contexts around the world In addition to the essays on particular parts of the Bible Paul Matthew Luke Acts John James the book includes an essay assessing recent thought on justification and another attempting to put together a

synthesis of biblical perspectives on this important theme One chapter relates justification and personal Christian living another weighs the relationship between justification and social justice yet another evaluates the treatment of justification in Roman Catholicism and in various interfaith dialogues For some readers however the most innovative chapters will be those discussing the relevance of the Christian doctrine of justification by faith in Hindu Islamic and Buddhist contexts The contributors have been drawn from evangelical communities around the world

A Case for Mixed-audience with Reference to the Warning Passages in the Book of Hebrews C. Adrian Thomas,2008 A Case for Mixed Audience with Reference to the Warning Passages in the Book of Hebrews discusses the nature of the warnings in Hebrews and how these warnings relate to the theological question of the eternal security of believers The main argument is that these warnings are intended to target a particular segment of the author s community about whose appropriation of and subsequent attitude toward the Christian message he was deeply concerned That is to say while the book of Hebrews is addressed as a message of encouragement to the community as a whole its warnings are aimed at a certain element in the community whose salvation is threatened by a possible dangerous course of action The book implies that while the author is persuaded that the majority in the community are genuine believers there are some about whose salvation he doubts hence the case for a mixed audience What is threatened therefore is not a salvation already possessed but the salvation of those in danger of coming up short Theologically the work falls within the sphere of the Calvinistic Arminian debate regarding the assurance of salvation and the perseverance of the saints It argues strongly for the Calvinistic position but does so within the confines of the discipline of biblical studies and lends extensive exegetical support to the Calvinistic position on the warning passages The book is highly recommended for Bible College and seminary students and professors as well as pastors and lay leaders who must give answers to their parishoners on those tough warning passages in Hebrews

**The Nursery of the Holy Spirit** Daniel R. Hyde,2014-07-30 Public worship is the nursery of the Holy Spirit As you enter the sanctuary you notice them at once Then as you take your seat next to a family they are right there beside you Throughout the ensuing service you see them and hear them The presence of children in public worship is not only striking but also increasingly strange in modern American church life In fact the idea of your children sitting or standing next to you during prayer singing or the pastor s sermon can be downright scary This book is based in the conviction that public worship is the nursery of the Holy Spirit and that bringing children in is both beneficial and a blessing The Nursery of the Holy Spirit offers practical advice on how to make this ideal a reality in your children s lives
