A Commentary on the Gospel of Matthew Craig S. Keener, 1999 This excellent commentary on Matthew offers a unique interpretive approach that focuses on the socio historical context of the Gospel and the nature of Matthew's exhortation to his first century Christian audience By merging a careful study of Matthew's Gospel in relation to the social context of the ancient Mediterranean world with a detailed look at what we know of first century Jewish Christian relations Craig Keener uncovers significant insights into the Gospel not found in any other Matthew commentary In addition Keener's commentary is a useful discipleship manual for the church His unique approach recaptures the full shock effect of Jesus teachings in their original context and allows Matthew to make his point with greater narrative artistry Keener also brings home the total impact of Matthew's message including its clear portrait of Jesus and its call for discipleship both to the Gospel's ancient readers and to believers today

Matthew Thomas G. Long, 1997-01-01 The original audience for the Gospel of Matthew included converts from Judaism who wrestled with how to be faithful to Jesus Christ under difficult circumstances in a changing world The Gospel of Matthew became a first aid manual for this church in the midst of a struggle Thomas Long identifies this first audience and its faith within the social and religious context of the day and clarifies the structure of the Gospel Providing examples of contemporary relevance Long helps today's reader discern the significance

Midrash and Lection in Matthew M.D. Goulder, 2004-09-16 This challenging and original book questions the accepted conclusions of synoptic research It argues first that Matthew is an adaptation and expansion of Mark by midrash that is by standard Jewish expository techniques depending on no written source other than Mark and only to a very small extent on oral tradition and secondly that Matthew was written to be read in Christian worship round the year as a cycle of lessons following the Jewish festal lectionary Part I establishes the characteristics of the Matthaean manner his vocabulary his rhythms and images the form and mode of his parables With so much typical of Matthew as a gospel sources other than Mark become progressively less plausible Part II is a commentary on the gospel from this base It finds a basic Marcan text for each new unit and a reason for its development and works out in detail the correspondence between the five teaching sections of Matthew and the five Jewish festal seasons of Pentecost New Year Atonement Tabernacles Dedication and Passover A striking piece of corroborative evidence is found in the section numbers of the old Greek manuscript tradition Michael Goulder believes that lectionary schemes also underlie Mark and Luke and that at least one major part of the Old Testament the work of the Chronicler has a similar character A gospel in fact is not a literary genre at all but a liturgical one Matthew himself comes into focus as a converted Jewish scribe who possessed the substance of the Pauline teaching and who has been the dominant influence in forming the Church's image of Jesus in his adaptation of Mark by midrash and through lection

The Theme of Recompense in Matthew's Gospel Blaine Charette, 2015-01-29 Matthew's theology of the Spirit has received scant scholarly attention a regrettable oversight since the evangelist is careful to note that the eschatological redemption described in his Gospel is the direct result of the activity of God's Spirit Matthew's narrative of God's restoring work which begins with Jesus and continues through his followers is informed by even as it extends the larger biblical narrative concerning God's creative redemptive and restorative work at the centre of which stands his Spirit his active presence As the study elaborates upon the broad sweep of Matthew's

interest in the Spirit the operation of the Spirit is examined in relation to the three theological categories of christology soteriology and ecclesiology **Matthew** Jack Dean Kingsbury,1986 **Matthew** Ronald D. Witherup,2000 The purpose of this commentary is to offer a section by section interpretation of Matthew s Gospel in non technical language to help the reader use this Gospel for personal spiritual enrichment The perspective is ecumenical and the scope will include essential insights from the literary historical and theological perspectives on the Gospel From Preface The Gospel of Matthew Donald Senior,1997 Biblical texts create worlds of meaning and invite readers to enter them When readers enter such textual worlds which are often strange and complex they are confronted with theological claims With this in mind the purpose of the Interpreting Biblical Texts series is to help dedicated students in their experience of reading and interpreting by providing guides for their journeys into textual worlds The controlling perspective is expressed in the operative word of the title interpreting The primary focus of the series is not so much on the world behind the texts or out of which the texts have arisen as on the worlds created by the texts in their engagement with readers In this volume Donald Senior provides an up to date introduction to the Gospel of Matthew The seven chapters of Part One focus on modern biblical scholarship and the interpretation of Matthew discussing the sources and structure of the Gospel its use of the Old Testament its understanding of Jewish Law its setting as a part of the mission of Christianity to the Gentiles its Christology its understanding of the nature of discipleship and the community from which the Gospel originated The six chapters of Part Two provide a structured guide to reading and interpreting Matthew s Gospel *Matthew (Teach the Text Commentary Series)* Jeannine K. Brown,2015-04-14 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text The newest release in this innovative commentary series is Jeannine K Brown s treatment of the Gospel of Matthew **From Ages Three to Thirty** Patricia Griffin Dunlop,2019-08-14 Jesus Mary and Joseph returned to Nazareth from Egypt when Jesus was about three years old At the time Jesus was just a child but he was a special child who would grow to become the savior of the world but that would be thirty years later What happened in between the birth of Jesus and the beginning of his ministry In From Three to Thirty go on a fictionalized journey into the life of a miraculous man Jesus lived a routine yet unique life in Nazareth with his parents four brothers and two sisters The years before his divine encounter with John the Baptist were years of growth for Jesus and his family prior to the miracles and friends he would make later Despite being the Son of God Jesus was also merely a man living a day to day life that shaped his personality and later his teaching Patricia Griffin Dunlop s brave book humanizes the larger than life characters of the New Testament making Jesus not unreachable but relatable instead Connect with this man of divine birth and take a look at the in between time of his astounding journey

to the cross *How Jesus Became Christian* Barrie Wilson, 2010-07-16 In *How Jesus Became Christian* Barrie Wilson asks How did a young rabbi become the god of a religion he wouldn't recognize one which was established through the use of calculated anti-Semitism Colourfully recreating the world of Jesus Christ Wilson brings the answer to life by looking at the rivalry between the Jesus movement informed by the teachings of Matthew and adhering to Torah worship and the Christ movement headed by Paul which shunned Torah Wilson suggests that Paul's movement was not rooted in the teachings and sayings of the historical Jesus but solely in Paul's mystical vision of Christ a man Paul actually never met He then shows how Paul established the new religion through anti-Semitic propaganda which ultimately crushed the Jesus Movement Sure to be controversial this is an exciting well written popular religious history that cuts to the heart of the differences between Christianity and Judaism to the origins of one of the world's great religions and ultimately to the question of who Jesus Christ really was a Jew or a Christian The Eucharist in New Testament Jerome Kodell, 2017-06-15 This examination of the Eucharist is divided into two parts The first seeks to uncover the origins of the Eucharist and to trace developments in the earliest eucharistic practice and understanding The second part studies the eucharistic theology of the New Testament writers **Q 12:33-34** Steven R. Johnson, 2007 This eighth volume in the Documenta Q series is concerned with the reconstruction of the Q text behind Luke 12 33 34 par Matt 6 19 21 Storing up Treasures in Heaven takes up important wisdom themes such as the proper disposition of wealth the importance of prioritizing one's thoughts and concerns and the means to gaining eternal not temporal rewards Parallels are found in literature as early and diverse as the Gospels of Mark John and Thomas the Epistle of James and Justin's Apology The International Q Project's presentation of the critical text of Q 12 33 34 together with the exhaustive history of research on which it is based will considerably enhance research in the Sayings Gospel Q the historical Jesus and the ethical concerns of early Jesus movements Narrative Elements in the Double Tradition Stephen Hultgren, 2002 For a long time mainstream gospel scholarship has assumed that the so called Q material the double tradition in Matthew and Luke represents a document or tradition that was almost exclusively orientated towards the sayings of Jesus of Nazareth with little interest in a narrative about him This book argues on the contrary that the narrative material in the double tradition existed from the very beginning within a coherent Jesus narrative that ran from his baptism to his passion Far from being inserted by Matthew and Luke into the framework of Mark the double tradition is structured on the very same narrative framework as the Gospel of Mark a framework that predates Mark Conventional dichotomies in gospel origins the historical Jesus and the history of early Christianity are thus drawn into question **King and Messiah as Son of God** Adela Yarbro Collins, John J. Collins, 2008-11-03 This book traces the history of the idea that the king and later the messiah is Son of God from its origins in ancient Near Eastern royal ideology to its Christian appropriation in the New Testament Both highly regarded scholars Adela Yarbro Collins and John J Collins argue that Jesus was called the Son of God precisely because he was believed to be the messianic king This belief and tradition they contend led to the

identification of Jesus as preexistent personified Wisdom or a heavenly being in the New Testament canon However the titles Jesus is given are historical titles tracing back to Egyptian New Kingdom ideology Therefore the title Son of God is likely solely messianic and not literal King and Messiah as Son of God is distinctive in its range spanning both Testaments and informed by ancient Near Eastern literature and Jewish noncanonical literature *The Unholy in Holy Scripture* Gerd Lüdemann,1997-01-01 German scholar Gerd Ludemann asks the question of how we can continue to be Christians in the light of what he sees as unholy elements in Scripture and in response points to the person of Jesus and his example *Matthew* Craig A. Evans,2012-02-06 This book is a verse by verse analysis of the New Testament Gospel of Matthew It provides a comprehensive introduction to the Gospel which describes the world of Jesus and his first followers This commentary explores the historical social and religious contexts of Matthew and examines the customs beliefs and ideas that inform the text Unfamiliar to many readers of the New Testament this background will help readers fully understand the text of Matthew which focuses on what Jesus taught and why the religious authorities in Jerusalem rejected his message and gave him up to the Roman governor for execution This book will be an important tool for the clergy scholars and other interested readers of Matthew
