Matthew Tell Me About Heaven:

Matthew, Tell Me about Heaven Matthew (Spirit),2002 *Matthew, Tell Me About Heaven* Suzanne Ward,2023-06-30

These heartwarming and often astonishing conversations between Matthew Ward who died at age 17 and his mother Suzanne reveal the great differences in what religions teach us about Heaven and the reality of Earth's spirit world. Matthew clears up common misconceptions about the world where he lives; he says its proper name is Nirvana and he explains why in this unprecedented time in the history of Earth it is essential that we know the truth of our beginnings and our relationship with all of creation. Without that truth we cannot understand either the purpose of our lives or how to prepare confidently and joyously for what is to come. Topics: Heaven's location and purpose, Residents and Visitors, Environment, Reception of Souls, Etheric bodies, Relationships and Reunions, Children, Animals, Communication, Education, Employment, Recreation, Culture, Travel, Food, Buildings, Music, Angels, spirit guides, Pre-birth agreements, Council of Nirvana, Lifeprint review, The effects of Prayer.

Chasing Shadows Sue Parker,2015-01-08 It is often said life is at its cruelest when a parent outlives his or her child. As unnatural as that may seem, many parents find themselves in that position. Whether caused by disease, illness, accident, crime, or suicide, parents can find themselves making funeral arrangements rather than planning a child's birthday party, graduation, or wedding. Author Sue Parker knows firsthand what that is like. In *Chasing Shadows: A Mother's Attempt to Process Her Grief*, Parker shares her experiences after the death of her youngest child. For much of 2012, Rowan said he wouldn't live to see 2013. After all, the Mayan calendar ended on December 22, 2012, so he reckoned everyone was going to die. Rather than dwell on the negativity, he grabbed every opportunity with enormous enthusiasm, including a quad bike ride that cost him his life on Boxing Day. Bereft, heartbroken, in a state of total shock, and struggling to survive, Parker felt she had two choices: She could follow him over a cliff or try to make some sense of the tragic turn her family's lives had taken. Everyone's experiences are different, but in *Chasing Shadows: A Mother's Attempt to Process Her Grief*, those going through similar circumstances may find help in knowing what to do next, how to go forward. You'll discover the path forward is not always easy, and there will likely be times when you find yourself wondering, "Why bother?" Through her experience, Parker shows you can go on and you should.

In *Journeying with My Guides*, Wells tells her story straight from the heart, revealing extraordinary experiences with her spirit guides. She shares how she works with her spirit guides to accomplish powerful life-supporting processes, including clearing nonbeneficial energy from this lifetime and from other lifetimes, feeling incredible love from other galactic civilizations.

Enduring Song Jesse Briton,2014-07-10 France 1096 Matthew a young French knight sets out on the First Crusade Behind him he leaves a broken family a crumbling ancestral farm and a teenage sister who must save it all from ruin From the fields of France to the churches of Antioch and the siege of Jerusalem Enduring Song is a historical epic about love hope and family Jesse Briton s Enduring Song premiered at the Southwark Playhouse London in June 2014 **Just Behind the Door** Mary Leiker,2012-04-17 The author explains how May 16th 1999 changed her life forever She experienced the loss of two high school seniors and that evening the call came through to tell her that her son in Colorado had also been killed Her first born with his bigger than life personality was gone The words surreal and gut wrenching were her constant companions Exactly six months later her Mom had one heart pain went into a coma and died She had frequently told her Mary when the last leaf is gone from that tree I will be leaving She gave her the gift of time to emotionally survive her son s death Mary shares with you the recorded messages she has received for over a decade from her family on the other side to give you hope Through her experiences you will know that unconditional love and connection continue to exist when you believe in the possibility Our loved ones do not disappear into the cosmos after their death Their energy remains around us forever You can reconnect with your loved ones as she has and achieve peace and assurance that as her son has repeatedly told her Mom all is as it should be **What's Your Frequency?** Ed Kuiper,2007-09 There is no law in Physics which says that matter is the sole basis of all that exists As a matter of fact Quantum Mechanics of which classical Physics is an approximation does not even postulate the existence of matter it merely postulates the probability of the existence of matter That does not explain the experimental fact that matter exists in reality The author quotes an existing hypothesis that an entity independent of matter called Universal Consciousness changes the probability of matter into the existence of matter When this hypothesis is

added to the laws of Physics it removes some anomalies in Physics and leads to the clarification of other anomalies in Biology The present malaise in society is due to a contradiction between what modern materialistic social sciences teach and what individuals find natural and acceptable The acceptance of the new paradigm facilitates the development of social theories which accept social compassion and ecological balance as their basis **All We Need Is Love** Michele D. Baker,2019-09-18
