Indigenous Culture and Change in Guerrero, Mexico, 7000 BCE to 1600 CE Ian Jacobs,2024-04-01 Until recently Guerrero's past has suffered from relative neglect by archaeologists and historians While a number of excellent studies have expanded our knowledge of certain aspects of the region's history or of particular areas or topics the absence of a thorough scholarly overview has left Guerrero's significant contributions to the history of Mesoamerica and colonial Mexico greatly underestimated With *Indigenous Culture and Change in Guerrero Mexico 7000 BCE to 1600 CE* Ian Jacobs at last puts Guerrero's history firmly on the map of Mexican archaeology and history The book brings together a vast amount of cross disciplinary information to understand the deep roots of the Indigenous cultures of a complex region of Mexico and the forces that shaped the foundations of colonial Mexico in the sixteenth century and beyond This book is particularly significant for its exploration of archaeological Indigenous and historical sources Mezcala Carlo T.
