Files: Driller (Tales of the Men In Black - Book 8) David Sloma,2017-11-03 When the Men In Black MIB show up at a construction site and haul the foreman away he s got no idea why but he finds himself part of a strange situation fighting for his life The MIB FILES are stories of the paranormal strange things and UFO sightings with one thing in common interactions with the Men In Black These stories are stand alone and can be read in any order Nose Dive Harold McGee,2020-10-20 The ultimate guide to the smells of the universe the ambrosial to the malodorous and everything in between from the author of the acclaimed culinary guides On Food and Cooking and Keys to Good Cooking From Harold McGee James Beard Award winning author and leading expert on the science of food and cooking comes an extensive exploration of the long overlooked world of smell In Nose Dive McGee takes us on a sensory adventure from the sulfurous nascent earth more than four billion years ago to the fruit filled Tian Shan mountain range north of the Himalayas to the keyboard of your laptop where trace notes of phenol and formaldehyde escape between the keys We ll sniff the ordinary wet pavement and cut grass and the extraordinary ambergris and truffles the delightful roses and vanilla and the challenging swamplands and durians We ll smell one another We ll smell ourselves Through it all McGee familiarizes us with the actual bits of matter that we breathe in the molecules that trigger our perceptions that prompt the citrusy smells of coriander and beer and the medicinal smells of daffodils and sea urchins And like everything in the physical world molecules have histories Many of the molecules that we smell every day existed long before any creature was around to smell them before there was even a planet for those creatures to live on Beginning with the origins of those molecules in interstellar space McGee moves onward through the smells of our planet the air and the oceans the forest and the meadows and the city all the way to the smells of incense perfume wine and food Here is a story of the world of every smell under our collective nose A work of astounding scholarship and originality Nose Dive distills the science behind the smells and translates it as only McGee can into an accessible and entertaining guide Incorporating the latest insights of biology and chemistry and interweaving them with personal observations he reveals how our sense of smell has the power to expose invisible intangible details of our material world and trigger in us feelings that are the very essence of being alive A Dictionary of Jewish Babylonian Aramaic of the Talmudic and Geonic Periods Michael Sokoloff,2002 The first new dictionary of Jewish Babylonian Aramaic in a century this towering scholarly achievement provides a complete lexicon of the entire vocabulary used in both literary and epigraphic sources from the Jewish community in Babylon from the third century C E to the twelfth century Author Michael Sokoloff s primary source is of course the Babylonian Talmud one of the most important and influential works in Jewish literature Unlike the authors of previous dictionaries of this dialect however he also uses a variety of other sources from inscriptions and legal documents to other rabbinical literature A Dictionary of Jewish Babylonian Aramaic also differs from earlier lexicographic efforts in its focus on a single dialect Previous dictionaries have been composite works containing various Aramaic dialects from different periods blurring distinctions in meaning and nuance Sokoloff has been able to draw on the

most current linguistic and textual scholarship to ensure the complete accuracy of his lexical entries each of which is divided into six parts lemma or root part of speech English gloss etymology semantic features and bibliographic references Another important feature in this invaluable reference work is its index of all cited passages which allows the reader of a given text to easily find the semantics of a particular word In addition to linguists and specialists in Jewish Aramaic literature lay readers and students will also find this comprehensive up to date dictionary useful for understanding the Babylonian Talmud
