decades of close research reveal extraordinary discoveries about a male society not wholly unlike our own A brilliant study of male elephant society away from the matriarchal herds BBC Wildlife

**Physics of the Human Body** Irving Herman,2007-02-16 This book comprehensively addresses the physical and engineering aspects of human physiology by using and building on first year college physics and mathematics It is the most comprehensive book on the physics of the human body and the only book also providing theoretical background The book is geared to undergraduates interested in physics medical applications of physics quantitative physiology medicine and biomedical engineering Children's Books and Their Creators Anita Silvey,1995 Unique in its coverage of contemporary American children s literature this timely single volume reference covers the books our children are or should be reading now from board books to young adult novels Enriched with dozens of color illustrations and the voices of authors and illustrators themselves it is a cornucopia of delight 23 color 153 b w illustrations

**The Elephant's Journey** José Saramago,2010-09-08 The Portuguese Nobel Prize winner s delightful posthumous novel recounts the 16th century travels of an Indian elephant from Lisbon to Vienna The New Yorker In 1551 King Jo o III of Portugal gave Archduke Maximilian an unusual wedding present an elephant named Solomon In The Elephant s Journey Jos Saramago imagines Solomon s epic journey by foot across Europe with his Hindu keeper Subhro along for the adventure Accompanied by the Archduke his new wife and the royal guard these unlikely heroes traverse a continent riven by the Reformation and civil wars They are witnessed by scholars historians and wide eyed ordinary people as they make their way through the storied cities of northern Italy brave the Alps cross the Mediterranean Sea and at last make their way toward their grand entry into the imperial city A tale rich in irony and empathy regularly interrupted by witty reflections on human nature and arch commentary on the powerful who insult human dignity Los Angeles Times

**The Keys to Communicating with Other Worlds** Perry L. Westmoreland,2003 The Keys to Communicating with Other Worlds explores how electromagnetic waves traveling at the speed of light turn astronomical telescopes into time machines As we peruse the flickering lights from distant heavens and peer into deep space we see billions of years into the past Conversational scientific wisdom provides for a hypothetical elementary particle the graviton that governs gravitational interaction After years of searching its existence remains to be completely understood As a result that long standing theory never has been fully proven Until we find a real time communication link we may continue to miss the aliens real time information highway

**Time** Eva Hoffman,2010-07-09 Time has always been the great Given a fact of existence which cannot be denied or wished away but the character of lived time is changing dramatically Medical advances extend our longevity while digital devices compress time into ever briefer units We can now exist in several time zones simultaneously but we suffer from endemic shortages of time We are working longer hours and blurring the distinctions between labour and leisure For many in an inversion of the old adage time has become more valuable than money In this look at life s most ineffable element spanning fields from biology and culture to psychoanalysis and neuroscience Eva Hoffman asks are we coming to the end of

time as we know it      **Our Wonderful World; an Encyclopedic Anthology for the Entire Family** Herbert Spencer Zim, 1957      **Mass and Elite in the Greek and Roman Worlds** Richard Evans, 2017-02-10 This volume has its origin in the 14th University of South Africa Classics Colloquium in which the topic and title of the event were inspired by Josiah Ober's seminal work *Mass and Elite in Democratic Athens* 1989 Indeed the influence this work has had on later research in all aspects of the Greek and Roman world is reflected by the diversity of the papers collected here which take their cue and starting point from the argument that in Ober's words 1989 338 Rhetorical communication between masses and elites was a primary means by which the strategic ends of social stability and political order were achieved However the contributors to the volume have also sought to build further on such conclusions and to offer new perceptions about a spread of issues affecting mass and elite interaction in a far wider number of locations around the ancient Mediterranean over a much longer chronological span Thus the conclusions here suggest that once the concept of mass and elite was established in the minds of Greeks and later Romans it became a universal component of political life and from there was easily transferred to economic activity or religion In casting the net beyond the confines of Athens although the city is also represented here to amongst others Syracuse the cities of Asia Minor Pompeii and Rome and to literary and philosophical discourse in each instance that interplay between the wider body of the community and the hierarchically privileged can be shown to have governed and directed the thoughts and actions of the participants      [The Works of the British Poets: Milton, Cowley, Waller, Butler, and Denham](#) Robert Anderson, 1795      *The Elephant and the Mouse* Laura A.
