Psychic Psychology John Friedlander, Gloria Hemsher, 2011-08-09 Two of America's most experienced and respected psychic teachers present their system of the subtle energy of interpersonal relationships in a book that will appeal to anyone wishing to understand and improve their relationships within their families partnerships workplaces and wider communities This useful guide from two of America's preeminent psychics is unique in its focus on individual psychology and interpersonal relationships It begins with simple meditations during which practitioners learn how to recognize their own psychic energy and also determine if that energy is constrained Psychic Psychology shows how to free energy through such tools as grounding clearing psychic enmeshment and finding the space from which to respond most openly resourcefully and generously to life An entire chapter is devoted to exploring the specific energies men and women have based on their biological differences and helping them to deal with their own energy and that of the other sex Friedlander and Hemsher present the everyday usefulness of clairvoyant skills within a big picture where they explain that we create our reality but do not control it and that the personality like the soul is eternal and always growing The final section describes how psychic skills can be applied in real world contexts which are often ambiguous and contradictory The book explores common issues such as dealing with selfdoubt without jumping to unwarranted blind confidence and how to communicate effectively with clear boundaries

Michael Speaks: The Legacy of Sarah Chambers (Volume 2) Center for Michael Teachings, Inc., 2012-12-12 We are here with you today With those few words in August 1973 Sarah Chambers her husband Richard and their good friends Alice and Dick started a journey that took them far beyond anything they could possibly imagine They explored the unseen realm of the spiritual world with their teacher Michael Along with good friend Eugene Trout they created a new spiritual teaching based in love that helps people become more of who they truly are The group kept transcripts of their meetings and those transcripts were copied and passed around to their friends and coworkers then copied and passed to many others over the years Volume 2 contains compilations drawings charts information about the group members and a history of the Michael Teachings Why am I here someone asked one night Michael answered To hear the words you didn't hear 2 000 years ago Maybe this time you will listen
