## **Michel Foucault An Introduction:**

Foucault Gary Gutting, 2005-03-24 This work highlights Foucault's life and thought showing his impact on society as well as tackling his thoughts on literature in particular the avant garde scene his philosophical and historical work and his treatment of knowledge and power in modern society      **The History of Sexuality** Michel Foucault, 2012-04-18 Why we are so fascinated with sex and sexuality from the preeminent philosopher of the 20th century Michel Foucault offers an iconoclastic exploration of why we feel compelled to continually analyze and discuss sex and of the social and mental mechanisms of power that cause us to direct the questions of what we are to what our sexuality is      The History of Sexuality Michel Foucault, 1979      The Cambridge Introduction to Michel Foucault Lisa Downing, 2008-09-11 French philosopher and historian Michel Foucault is essential reading for students in departments of literature history sociology and cultural studies His work on the institutions of mental health and medicine the history of systems of knowledge literature and literary theory criminality and the prison system and sexuality has had a profound and enduring impact across the humanities and social sciences This introductory book written for students offers in depth critical and contextual perspectives on all of Foucault's major published works It provides ways in to understanding Foucault's key concepts of subjectivity discourse and power and explains the problems of translation encountered in reading Foucault in English The book also explores the critical reception of Foucault's works and acquaints the reader with the afterlives of some of his theories particularly his influence on feminist and queer studies This book offers the ideal introduction to a famously complex controversial and important thinker      **Michel Foucault** Barry Cooper, 1981      **Michel Foucault** Philip Barker, 1998 Organized into easy to follow thematic sections it allows the student to explore Foucault's work without overly technical vocabulary Barker carefully explains the major strands of Foucault's thought on power and knowledge discipline and punishment history and the subject in a clear and engaging style providing an easy entry into the complexities of Foucault's thinking for the non specialist reader Also included is a chronology of Foucault's life and a bibliography for further study

Michel Foucault Clare O'Farrell, 2005-09-16 A truly magnificent book If there is a more comprehensive book on Foucault's work I have yet to see it I anticipate those teaching and taking courses on Foucault's work will find Clare O'Farrell's book to be an invaluable resource Barry Smart University of Portsmouth A marvellous introduction This volume captures the penetrating interdisciplinary concerns that have made Foucault a guide to so many beyond the frontiers of philosophy and history beyond the borders of the academic community itself This is an excellent introduction for the general reader to a passionate mind that continues to spread its influence James Bernauer Boston College Offers the best introduction to Foucault's philosophy Superb glossary of major terms excellent bibliography and chronology Summing Up Essential Upper level undergraduates through faculty researchers C E Reagan Kansas State University CHOICE Michel Foucault's work is one of the most influential sources of ideas in the humanities and social sciences today Clare O'Farrell offers a

comprehensive and accessible introduction to Foucault's enormous diverse and challenging output. Her book provides a range of practical tools and a reference work for readers who wish to understand and apply his ideas at both introductory and advanced levels. This volume includes a discussion of Foucault's situation in the contemporary context, exploring his role as an iconic thinker with clear explanations as to why his work is so difficult to come to grips with and also importantly why it is of interest to so many people. The location of Foucault's work within its own historical, social and political setting. Brief summaries in chronological order of all of Foucault's major works, including the more recently published volumes of lectures. The organization of Foucault's work around five interrelated assumptions which underpin his world view: namely order, history, truth, power and ethics. Ideas for which he is well known, such as archaeology, genealogy, discourse, discipline and governmentality, are discussed within the framework of these. A chronology of Foucault's life, work and times. An extensive list of key concepts in Foucault's work with detailed references pointing to where the relevant material can be found in his writings. A wide-ranging list of resources and a bibliography of Foucault's work for easy consultation.

**Foucault** Lois McNay, 2013-04-23. This work provides an introduction to the work of Michel Foucault. It offers an assessment of all of Foucault's work, including his final writings on governmentality and the self. McNay argues that the later work initiates an important shift in his intellectual concerns, which alters any retrospective reading of his writings as a whole. Throughout McNay is concerned to assess the normative and political implications of Foucault's social criticism. She goes beyond the level of many commentators to look at the values from which Foucault's work springs and reveals the implicit assumptions underlying his social critique. The author also provides an account and assessment of recent literature on Foucault, including that of Habermas and Taylor. She discusses Foucault's position in the modernity/postmodernity debate, his own ambivalence to Enlightenment thought and his place in recent developments in feminist and cultural theory.

**Michel Foucault, an Introduction to the Study of His Thought** Barry Cooper, 1981. A comprehensive survey and introduction to the range of Michel Foucault's thought, dealing with philosophy in general, sociology, political science, art, literature and history in particular.

**Starting With Foucault** C. G. Prado, 2018-03-05. Michel Foucault had a great influence upon a wide range of disciplines, and his work has been widely interpreted and is frequently referred to, but it is often difficult for beginners to find their way into the complexities of his thought. This is especially true for readers whose background is Anglo-American or analytic philosophy. C. G. Prado argues in this updated introduction that the time is overdue for Anglo-American philosophers to avail themselves of what Foucault offers. In this clear and greatly revised second edition, Prado focuses on Foucault's middle or genealogical work, particularly *Discipline and Punish* and *Volume One of The History of Sexuality*, in which Foucault most clearly comes to grips with the historicization of truth and knowledge and the formation of subjectivity. Understanding Foucault's thought on these difficult subjects requires working through much complexity and ambiguity, and Prado's direct and accessible introduction is the ideal place to start.

**Starting With Foucault** C. G. Prado, 2000-12-22. Michel Foucault

had a great influence upon a wide range of disciplines and his work has been widely interpreted and is frequently referred to but it is often difficult for beginners to find their way into the complexities of his thought This is especially true for readers whose background is Anglo American or analytic philosophy C G Prado argues in this updated introduction that the time is overdue for Anglo American philosophers to avail themselves of what Foucault offers In this clear and greatly revised second edition Prado focuses on Foucault s middle or genealogical work particularly *Discipline and Punish* and Volume One of *The History of Sexuality* in which Foucault most clearly comes to grips with the historicization of truth and knowledge and the formation of subjectivity Understanding Foucault s thought on these difficult subjects requires working through much complexity and ambiguity and Prado s direct and accessible introduction is the ideal place to start [Foucault](#) Hinrich Fink-Eitel,1992

**Understanding Foucault** Geoff Danaher,Tony Schirato,2002-03 Derided and disregarded by many of his contemporaries Michel Foucault is now regarded as probably the most influential thinker of the twentieth century his work is studied across the humanities and social sciences among other disciplines Readin *Introduction à Michel Foucault* Jean-François Bert,2011 Michel Foucault 1926 1984 aura t en France le plus novateur des ma tres penser ma tre par d faut sans programme articul qui a su pourtant offrir ses nombreux lecteurs issus des disciplines les plus vari es une bo te outils qu il d voile par fragments entretiens cours articles livres A plus d un titre les modes d investigation d velopp s par Foucault ont des points communs avec certaines d marches des sciences sociales sa rupture explicite d avec la probl matique classique de la souverainet ses attentions port es aux microm canismes de la domination sa fa on d interroger les institutions ou les manires de gouverner Pourtant les notions cl s qu il d veloppe arch ologie g n alogie discipline gouvernementalit subjectivation red finies tout au long de son parcours n ont pas fait l unanimit chez les historiens les sociologues ou les anthropologues ou encore les criminologues ou les sp cialistes du droit pass s ou modernes Foucault n est pas de ceux qui se laissent facilement saisir et l objectif de cet ouvrage est d clarifier dans toute leur richesse et leur diversit les enjeux de ses travaux pour en faire ressortir l int r t actuel pour les sciences sociales et pourquoi pas aider penser diff remment l enfermement les institutions et la soci t le rapport soi et le dire vrai

**The Passion of Michel Foucault** James Miller,2000 Based on extensive new research and a bold interpretation of the man and his texts *The Passion of Michel Foucault* is a startling look at one of this century s most influential philosophers It chronicles every stage of Foucault s personal and professional odyssey from his early interest in dreams to his final preoccupation with sexuality and the nature of personal identity [Michel Foucault](#) (1926-1984): introduction Foucault text: from the history of sexuality Mary McClintock Fulkerson,1997 *The Lives of Michel Foucault* David Macey,2019-01-22 The classic biography of the radical French philosopher with a new afterword by acclaimed Foucault scholar Stuart Elden When he died of an AIDS related condition in 1984 Michel Foucault had become the most influential French philosopher since the end of World War II His powerful studies of the creation of modern medicine prisons psychiatry and other methods of classification have had a lasting impact on philosophers historians critics and

novelists the world over But as public as he was in his militant campaigns on behalf of prisoners dissidents and homosexuals he shrouded his personal life in mystery In *The Lives of Michel Foucault* written with the full cooperation of Daniel Defert Foucault's former lover David Macey gives the richest account to date of Foucault's life and work informed as it is by the complex issues arising from his writings In this new edition Foucault scholar Stuart Elden has contributed a new afterword assessing the contribution of the biography in the light of more recent literature **Michel Foucault** Dan Beer,2017-12-02

This is a study of the French philosopher and historian Michel Foucault's 1976 work *La Volonte de Savoir* Dan Beer aims to uncover a network of ideas and linguistic patterns beneath the surface of the text Through close textual analysis he addresses the issue of language and its effects on the world we inhabit The book covers a range of references from the forgotten narratives of 19th century European psychiatry examining the scope of confessional literature to the heated debates that surround Foucault's language and ideas Michel Foucault David Macey,2005-03-01

With Michel Foucault Reaktion Books introduces an exciting new series that brings the work of major intellectual figures to general readers illuminating their groundbreaking ideas through concise biographies and cogent readings There is no better thinker than Foucault with which to begin the Critical Lives series Though reticent about his personal life for most of his career Foucault in the last years of his life changed his stance on the relationship between the personal and the intellectual and began to speak of an aesthetics of existence in which the life and the work become one David Macey a renowned expert on Foucault demonstrates that these contradictions make it possible to relate Foucault's work to his life in an original and exciting way Exploring the complex intellectual and political world in which Foucault lived and worked and how that world is reflected in his seminal works Macey paints a portrait of Foucault in which the thinker emerges as a brilliant strategist one who while fiercely promoting himself as a maverick aligned himself with particular intellectual camps at precisely the right moments Michel Foucault traces the philosopher's career from his comfortable provincial background to the pinnacle of the French academic system paying careful attention to the networks of friendships and the relations of power that sustained Foucault's prominence in the academy In an interview in 1966 Foucault said One ought to read everything study everything In other words one must have at one's disposal the general archive of a period at a given moment It is precisely this archive that Macey restores here accessibly relating Foucault's works to the particular context in which they were given form **Michel Foucault** David Owen,2017-05-15

Michel Foucault was one of the twentieth century's most influential thinkers whose work has unsettled and transformed the field of social philosophy and the social sciences The essays and articles selected for this volume are written by many of the most important of Foucault's interpreters and interlocutors and show the range of Foucault's influence and the debates it has provoked about Foucault's own approaches and in relation to substantive areas of social philosophy and social science such as power critique enlightenment law governance ethics and truthfulness This volume provides a comprehensive introduction to and overview of the development of Foucault's thought and demonstrates

its enduring significance on our understanding of how we have become what we are
