My Village In Japan:

My Village in Japan Sonia Gidal, Tim Gidal, 1966 Through documentary photographs and informal text the authors convey the daily life of a boy and his family in a small mountain village in Japan *The Japanese Village* IIs 56 J.F. Embree, 2013-09-05 This is Volume V of six in a collection on the Sociology of East Asia Initially published in 1946 Dr Embree's book is a description based on direct observation of the life of a Japanese village community Its chief purpose is to provide material for that comparative study of the forms of human society that is known as social anthropology but it should have an appeal to a wider audience of general readers as giving additional insight from a new angle into Japanese civilization

Village Japan Malcolm Ritchie, 2011-09-13 In this elegiac account that is part travelogue part memoir British poet and writer Malcolm Ritchie recounts his and his wife's unforgettable three year sojourn in Sora a remote farming and fishing village on the Japan Sea coast Ritchie weaves together anecdotes conversations lyrical verses and unforgettable character studies to vividly and hauntingly evoke the rhythms of life in a traditional rural Japanese community Underlying this portrait is the author's growing awareness that the aged inhabitants of Sora and the surrounding villages are the custodians of a fragile barely surviving way of life one that is still informed by the cadences of the natural world under the tutelage of its ancient gods The book is a paean to a once noble culture all but effaced by Western industrial technological materialism the cultural carcinogens of the West which Asian countries such as Japan have all too willingly embraced Always profound and moving Village Japan pays lyrical homage to a side of Japan rarely experienced or glimpsed by foreigners today **Seeing All Things Whole** Thomas John Hastings, 2015-02-06 Kagawa Toyohiko was one of the best known evangelists and social reformers of the twentieth century Founder of several religious educational social welfare medical financial labor and agricultural cooperatives he was nominated twice for the Nobel Prize in Literature 1947 and 1948 and four times for the Nobel Peace Prize 1954 1955 1956 and 1960 Appealing to the masses who had little knowledge of Christianity Kagawa believed that a positive interpretation of nature was a key missiological issue in Japan He reasoned that a faith which is rooted in the downward movement of Christ's incarnation must support the scientific quest and meditate on the purpose or upward movement implicit in scientific findings Through an anti reductionist methodological pluralism that strives to see all things whole this scientific mystic employed a wide range of Japanese and Western cultural resources to assert a complementary role for science and religion in modern society Jay Lumbert, 2006-03-01 When Jack Trance's father is assassinated he has no time to grieve His father leaves him a coded letter that leads to an ancient book a stack of old financial documents and a cache of gold bars with only a few clues to what they mean When he asks his friends for help they begin to mysteriously die and then Jack becomes a target He must evade death unravel the clues and stop a two thousand year old plot to control the world **Women In Changing Japan** Joyce C Lebra, 2019-03-20 It is a time when women in many parts of the world are questioning the roles life styles and values by which women have lived for centuries The contributors

are American women engaged in studying various aspects of the life patterns of Japanese women in many walks of life and have published their findings in this volume We come from a variety **The Foundations of Japan** John William Robertson Scott,1922 **Nationalist in the Viet Nam Wars** Nguyễn Công Luân,2012-02-07 A dark and fascinating tale illuminated by Nguyen s story of escape from Communist tyranny to the United States in 1990 and by his honesty and integrity which shine through on every page Historynet.com This extraordinary memoir tells the story of one man s experience of the wars of Viet Nam from the time he was old enough to be aware of war in the 1940s until his departure for America 15 years after the collapse of South Viet Nam in 1975 Nguyen Cong Luan was born and raised in small villages near Ha Noi He grew up knowing war at the hands of the Japanese the French and the Viet Minh Living with wars of conquest colonialism and revolution led him finally to move south and take up the cause of the Republic of Viet Nam exchanging a life of victimhood for one of a soldier His stories of village life in the north are every bit as compelling as his stories of combat and the tragedies of war This honest and impassioned account is filled with the everyday heroism of the common people of his generation Long overdue this memoir will be a worthy addition to any academic library interested in the tragedy of Vietnam Essential Choice An essential read for those who seek to understand the complex tragedy of the wars of Vietnam ARMY **Japan's Spy at Pearl Harbor** Takeo Yoshikawa,2020-03-03 Takeo Yoshikawa 1912 1993 was an ensign in the Imperial Japanese Navy and a naval intelligence officer assigned the task of spying on the U S Pacific Fleet at Pearl Harbor Assuming the alias Morimura and the role of secretary at the Japanese Consulate General in Honolulu in March of 1941 Yoshikawa was able to travel all over the Hawaiian Islands to gather intelligence His reporting during the nine months preceding the outbreak of the Pacific War would help pave the way for Japan s surprise attack at Pearl Harbor Yoshikawa s memoirs published here in English for the first time offer a gripping spy story personal confessions and a Japanese eyewitness view of the war in the Pacific **The May 13 Generation** Tan Jing Quee,Tan Kok Chiang,Hong Lysa, The May 13 generation was the first belonging to the immigrant communities from China to grapple with the issues of being Malayan Singaporean breaking irrevocably with the received wisdoms of their elders and in a political climate where their explorations were deemed to be subversive This book comprises the recollections penned by the participants of the era of the 1950s where their generation was in the forefront of the anti colonial movement and the work of academic researchers who have examined the historical framework and context of the period as well as how it has been made to fit into the country s mainstream history The researchers have also examined the students cultural expressions whether it is in art drama dance or literature and found them to be socially engaged and grappling with the question of who they were as a people **Reading a Japanese Film** Keiko I. McDonald,2005-11-30 Reading a Japanese Film written by a pioneer of Japanese film studies in the United States provides viewers new to Japanese cinema with the necessary tools to construct a deeper understanding of some of the most critically acclaimed and thoroughly entertaining films ever made In her introduction Keiko McDonald presents a historical overview

and outlines a unified approach to film analysis Sixteen readings of films currently available on DVD with English subtitles put theory into practice as she considers a wide range of work from familiar classics by Ozu and Kurosawa to the films of a younger generation of directors *Japan*, 1904 **Sources of Japanese Tradition, Abridged** Wm. Theodore De Bary, Carol Gluck, Arthur Tiedemann, 2006-10-03 For almost fifty years Sources of Japanese Tradition has been the single most valuable collection of English language readings on Japan Unrivalled in its wide selection of source materials on history society politics education philosophy and religion the two volume textbook is a crucial resource for students scholars and readers seeking an introduction to Japanese civilization Originally published in a single hardcover book Volume 2 is now available as an abridged two part paperback Part 1 covers the Tokugawa period to 1868 including texts that address the spread of neo Confucianism and Buddhism and the initial encounters of Japan and the West Part 2 begins with the Meiji period and ends at the new millennium shedding light on such major movements as the Enlightenment constitutionalism nationalism socialism and feminism and the impact of the postwar occupation Commentary by major scholars and comprehensive bibliographies and indexes are included Together these readings map out the development of modern Japanese civilization and illuminate the thought and teachings of its intellectual political and religious leaders **In Japan the Crickets Cry** Ronald Clements, Steve Metcalf, 2012-07-18 Steve had suffered under the brutal regime of his Japanese guards He and his classmates at Chefoo school in China for the most part the children of missionaries had been interned in 1942 Resentment of the Japanese was a way of life Could he possibly pray for them Painfully reluctantly he found that he could and his prayers sank deep At the end of the war the China Inland Mission was seeking young men willing to go to Japan Steve trained packed and went Thus began Steve s lifelong love of Japan Over the years he would tussle with a culture where courtesy wins over truth where suicide is an honourable choice where to be foreign is to be forever alien Time after time he would encounter miracles of healing provision and protection as God looked after him his wife Evelyn and their growing family In a resistant culture he would see many come to Christ This is the story of how a boy s grudging prayers were remarkably answered *The Japan Daily Mail*, 1873 **Japan & the Japanese** Walter Tyndale, 1910 **Japanese War Orphans** Jiaxin Zhong, 2021-11-25 After Japan s defeat in August 1945 some Japanese children were abandoned in China and raised by Chinese foster parents They were unable to return to Japan even during the mass repatriation carried out by the Japanese government in the 1950s Most of them returned to Japan in the 1980s They are called Japanese war orphans They are victims of the Sino Japanese War and have been exploited and abandoned by the Japanese government They are also border people who have lived in the interstices between two nations China and Japan and are migrants who have exploited the gap in economic development between Japan and China to seek individual happiness Modern East Asia underwent drastic social change These drastic social changes affected the lives of the Japanese war orphans and their families in a variety of ways Over the years Zhong has interviewed Japanese war orphans their Chinese foster parents and Japanese volunteers The

title is an interview based sociological study of the issue of Japanese war orphans The first half of the Japanese war orphans lives were spent in China and the latter half in Japan It brings to the fore the dramatic personal histories of the Japanese war orphans surviving in the interstices between two nation states Through analyzing the issue of Japanese war orphans the research on the subject makes the following three points 1 the powerlessness of civilians caught up in modern warfare and the long lasting effects of modern warfare on the life histories of individuals and their families 2 the nature of the modern nation state which exploits and abandons its citizens as though they were expendable and 3 immigration as a product of modernization gaps Scholars pursuing studies in both Japanese society Chinese society and historians of the Sino Japanese war would find this an ideal read
