New Colored People The Mixed Race Movement In America:

The New Colored People Jon M. Spencer, 2000-08 Most Americans remain oblivious of a new racial phenomenon that may radically alter the political landscape of the United States In recent years dramatic increases in racial intermarriage have given birth to a generation of mixed race children whose interracially married parents refuse to allow them to be shoehorned into neat pre existing racial categories The parents through organizations they have founded or joined have lobbied aggressively for the category multiracial to be added to official racial classifications at the state and federal levels including the United States census Since a nonracial society is one of the stated goals of the multiracialists Spencer suggests that the undoing of racial classification will come not by initiating a new classification which will only give Americans the impression that mixed race people can be neatly classified but by our increased recognition that there are millions of people who simply defy classification

Biracial in America Nikki Khanna, 2011-09-16 Elected in 2008 Barack Obama made history as the first African American president of the United States Though recognized as the son of a white Kansas born mother and a black Kenyan father the media and public have nonetheless pigeonholed him as black and he too self identifies as such Obama s experience as an American with black and white ancestry though compelling because of his celebrity is not unique and raises several questions about the growing number of black white biracial Americans today How are they perceived by others with regard to race How do they tend to identify And why Taking a social psychological approach *Biracial in America* identifies influencing factors and several underlying processes shaping multidimensional racial identities This study also investigates the ways in which biracial Americans perform race in their day to day lives One s race isn t simply something that others prescribe onto the individual but something that individuals do The strategies and motivations for performing black white and biracial identities are explored

Black Mixed-Race Men Remi Joseph-Salisbury, 2018-08-06 This book offers a corrective to pathological and stereotypical representations of mixedness generally and Black mixed race men specifically By introducing the concept of post racial resilience the book shows that Black mixed race men are active and agentic as they resist the fragmentation and erasure of multiplicitous identities

Mixed Race America and the Law Kevin R. Johnson, 2003-02 This ground breaking anthology examines the mixed race experience and the impact of law on mixed race citizens in America

Interracial Intimacies Randall Kennedy, 2012-09-12 With the same piercing intelligence as the bestselling Say it Loud Interracial Intimacies hits a nerve at the center of American society race relations and our most intimate ties to each other The best book written on the subject an exhaustive source of deep rich scholarship and surefooted brilliant analysis Seattle Times Analyzing the tremendous changes in the history of America s racial dynamics Randall Kennedy challenges us to examine how prejudices and biases still fuel fears and inform our sexual marital and family choices He takes us from the injustices of the slave era up to present day

battles over race matching adoption policies which seek to pair children with adults of the same race He tackles such subjects as the presence of sex in racial politics the historic role of legal institutions in policing racial boundaries and the real and imagined pleasures that have attended interracial intimacy A bracing much needed look at the way we have lived in the past *Interracial Intimacies* is also a hopeful book offering a potent vision of our future as a multiracial democracy

Multiracial America Karen E. Downing, Darlene P. Nichols, Kelly Webster, 2005 *Multiracial America* addresses a growing interest in interracial people and relationships in America Over the past decade there have been numerous books and articles written on interracial issues Despite the rampant growth in publishing locating these often scattered and inaccessible materials remains a challenge This resource guide provides easy access to the available literature Topical chapters on the most often researched themes are included such as core historical literature books for children and young adults hot button issues passing identification appearance fitting in and blood quantification interracial dating and marriage families adoption and issues pertaining to race and queer sexuality Each chapter includes a brief discussion of the literature on the topic including historical context and comments on the breadth and depth of the available literature and followed by annotations of books popular and scholarly journals magazines and newspaper articles videos films and websites Other useful sections include a chapter on the depiction of interracial relationships in film teaching an interracial issues course and how to search for materials given changing terminology and classification issues Indexes by race and non print media are included [The Rise and Demise of Black Theology](#) Alistair Kee, 2008-04-30 *Black Theology* emerged in the 1960s as a response to black consciousness In South Africa it is a critique of power in the UK it is a political theology of black culture The dominant form of Black Theology has been in the USA originally influenced by Black Power and the critique of white racism Since then it claims to have broadened its perspective to include oppression on the grounds of race gender and class In this book Alistair Kee contests this claim arguing that Black and Womanist Theologies present inadequate analysis of race and gender and no account at all of class or economic oppression With a few notable exceptions Black Theology in the USA repeats the mantras of the 1970s the discourse of modernity Content with American capitalism it fails to address the source of the impoverishment of black Americans at home Content with a romantic image of Africa this African American movement fails to defend contemporary Africa against predatory American global ambitions Blacks in the West Kee claims here are no longer the victims they are the voters and consumers who should be able to influence western governments the American government in particular into changing policies towards Africa in particular and the third world in general This book does not argue that Black theologians should give up but that they should move on for the sake of the black poor in America the black poor in Africa and the third world The failure of Black theologians to do so is a cause for concern beyond the circle of practitioners of Black theology **Roads to Dystopia, Sociological Essay on the Post Modern Condition (c)** Stanford M. Lyman, 2001 **Sex and Race in the Black Atlantic** Daniel McNeil, 2010-01-27 This is the first book to place the self

fashioning of mixed race individuals in the context of a Black Atlantic Drawing on a wide range of sources and a diverse cast of characters from the diaries letters novels and plays of femme fatales in Congo and the United States to the advertisements dissertations oral histories and political speeches of Black Power activists in Canada and the United Kingdom it gives particular attention to the construction of mixed race femininity and masculinity during the twentieth century Its broad scope and historical approach provides readers with a timely rejoinder to academics artists journalists and politicians who only use the mixed race label to depict prophets or delinquents as new national icons for the twenty first century Is Lighter

Better? Joanne L. Rondilla, Paul Spickard, 2007-02-23 Colorism is defined as discriminatory treatment of individuals falling within the same racial group on the basis of skin color In other words some people particularly women are treated better or worse on account of the color of their skin relative to other people who share their same racial category Colorism affects Asian Americans from many different backgrounds and who live in different parts of the United States Is Lighter Better discusses this often overlooked topic Joanne L Rondilla and Paul Spickard ask important questions such as What are the colorism issues that operate in Asian American communities Are they the same issues for all Asian Americans for women and for men for immigrants and the American born for Chinese Filipinos Koreans Vietnamese and other Asian Americans Do they reflect a desire to look like White people or is some other motive at work Including numerous stories about and by people who have faced discrimination in their own lives this book is an invaluable resource for people interested in colorism among Asian Americans The Palgrave International Handbook of Mixed Racial and Ethnic Classification Zarine L. Rocha, Peter J.

Aspinall, 2020-01-03 This handbook provides a global study of the classification of mixed race and ethnicity at the state level bringing together a diverse range of country case studies from around the world The classification of race and ethnicity by the state is a common way to organize and make sense of populations in many countries from the national census and birth and death records to identity cards and household surveys As populations have grown diversified and become increasingly transnational and mobile single and mutually exclusive categories struggle to adequately capture the complexity of identities and heritages in multicultural societies State motivations for classification vary widely and have shifted over time ranging from subjugation and exclusion to remediation and addressing inequalities The chapters in this handbook illustrate how differing histories and contemporary realities have led states to count and classify mixedness in different ways for different reasons This collection will serve as a key reference point on the international classification of mixed race and ethnicity for students and scholars across sociology ethnic and racial studies and public policy as well as policy makers and practitioners

Race and Multiraciality in Brazil and the United States G. Reginald Daniel, 2010-11-01 The United States of the United Races Greg Carter, 2013-04-22 Barack Obama's historic presidency has re-inserted mixed race into the national conversation While the troubled and pejorative history of racial amalgamation throughout U S history is a familiar story The United States of the United Races reconsiders an understudied optimistic tradition one which has praised mixture as a means

to create a new people bring equality to all and fulfill an American destiny In this genealogy Greg Carter re envisions racial mixture as a vehicle for pride and a way for citizens to examine mixed America as a better America Tracing the centuries long conversation that began with Hector St John de Crevecoeur s Letters of an American Farmer in the 1780s through to the Multiracial Movement of the 1990s and the debates surrounding racial categories on the U S Census in the twenty first century Greg Carter explores a broad range of documents and moments unearthing a new narrative that locates hope in racial mixture Carter traces the reception of the concept as it has evolved over the years from and decade to decade and century to century wherein even minor changes in individual attitudes have paved the way for major changes in public response The United States of the United Races sweeps away an ugly element of U S history replacing it with a new understanding of race in America

The Meaning of Multiraciality Aurora Chang,2022-05-09 The Meaning of Multiraciality A Racially Queer Exploration of Multiracial College Students Identity Production provides a comprehensive overview of Multiraciality as a term experience and identity using data from a study of Multiracial college students and well as the author s own experiences as a Multiracial person Utilizing a racially queer framework they discuss what it means to be a Multiracial insider being a Multiracial researcher studying Multiracial study participants the counter stories of Multiracial college students the theorizing that has emerged as a result and the educational consequences and impacts on Multiracial students overall The author explores the following questions How do Multiracial students produce their identities How do Multiracial students exercise their agency How does the notion of Multiraciality perpetuate and disrupt notions of race How can we expand theoretical understandings of race so that they take Multiracial people into account specifically within educational settings The author illustrates the agentic ways in which Multiracial college students come to understand and experience the complexity of their racialized identity production Their counter narratives reveal an otherwise invisible student population providing an opportunity to broaden critical discourses around education and race

Philosophy and the Mixed Race Experience Tina Fernandes Botts,2016-01-21 Philosophy and the Mixed Race Experience is a collection of essays by philosophers about the mixed race experience Each essay is meant to represent one of three possible things 1 what the philosopher sees as the philosopher s best work 2 evidence of the possible impact of the philosopher s mixed race experience on the philosopher s work or 3 the philosopher s philosophical take on the mixed race experience The book has two primary goals 1 to collect together for the first time the work of professional academic philosophers who have had the mixed race experience and 2 to bring these essays together for the purpose of adding to the conversation on the question of the degree to which factual identity and philosophical work may be related The book also examines the possible relationship between the mixed race experience and certain philosophical positions

Racisms Steve Garner,2009-10-29 A very clear and engaging introduction to a contemporary analysis of race and racism s This text effectively combines key theoretical perspectives with vivid contemporary examples Dr Rebecca Barnes University of Derby Fantastic book for helping students

get past the stuntedness of the term racism to understand the way in which racisms are part of our social practices and institutions Dr Lucy Michael Hull University This is a solid text covering the topic in a thoughtful manner Studying and teaching racism is a complex issue and this book is a very good resource Dr Sanjay Sharma Brunel University We hear much about race and racism in public discourse but the terms are frequently used without clear definitions or practical examples of how these phenomena work Racisms An Introduction introduces practical methods which enable students to think coherently and sociologically about this complex feature of the global landscape Steve Garner argues that there is no single monolithic object of analysis but rather a plural set of ideas and practices that result in the introduction of race into social relations This differs over time and from one place to another Focussing on the basics this book Defines race racism institutional racism and racialization Provides examples of how these function in fields like the natural sciences and asylum Clearly sets out theoretical arguments around collective identities race class gender nation religion Uses empirical case studies including some drawn from the author's own fieldwork Points students toward sources of further web and text based information Engaging and accessible this book provides a signposted route into key elements of contemporary debates It is an ideal introduction for undergraduates studying race and ethnicity social divisions and stratification

Counseling Multiracial Families Bea Wehrly, Kelley R. Kenney, Mark E. Kenney, 1999-07-16 Multiracial families families in which one member of the family has a different racial heritage than the other member's of the family comprise a rapidly growing U S population Counseling Multiracial Families addresses this population that has been neglected in the counseling literature In the first chapter readers are given a comprehensive history of racial mixing in the United States special needs and issues of multiracial families as well as special strengths of multiracial families are addressed Challenges of interracial married couples are explored as are the social and cultural issues related to parenting and child rearing of multiracial children in today's society The results of biracial identity development research are translated into counseling practice with the children adolescents and adults in multiracial families
