Climate convincingly redefines American modernist poetry in light of developments in modern painting particularly cubism The traditional separation of the verbal and visual arts is cast aside here as Brogan encourages a re evaluation **Winter Love** Jacob Korg,2003 Ezra Pound and Hilda Doolittle who used the pseudonym H D are among the most important American modernist poets In this comparative study Jacob Korg examines their intertwined lives from an early romantic relationship when both writers were in their early twenties through the ongoing friendship and artistic dialogue that helped shape their work Drawing on unpublished letters and manuscripts as well as published works Korg offers a fresh view of two American artists and a wholly unexpected portrait of Pound examined here for the first time through the context of a female modernist
