The Kodansha Kanji Learner's Dictionary Jack Halpern, 2012

The Kodansha Kanji Learner's Dictionary answers the urgent need for an easy to use kanji dictionary compact enough to be easily carried around yet detailed enough to satisfy the practical needs of the beginning and intermediate learner. Its basic goal is to give the learner a thorough understanding of kanji by providing instant access to a wealth of useful information on the meanings, readings, and compounds. Normally the learner must memorize numerous compounds as unrelated units. A unique feature of this dictionary that overcomes this difficulty is the core meaning, a concise keyword that defines the dominant sense of each character, followed by detailed character meanings and numerous compounds that clearly show how thousands of building blocks are combined to form countless compound words. Another unique feature is the System of Kanji Indexing by Patterns (SKIP), an indexing system that enables the user to locate characters as quickly and as accurately as in alphabetical dictionaries. Modern linguistic theory has been effectively integrated with sophisticated information technology to produce the most useful kanji learner's dictionary ever compiled. For the first time, learners have at their fingertips a wealth of information that is linguistically accurate, easy to use, and carefully adapted to their practical needs. **FEATURES** o 2,230 entry characters including all the kanji in the Joyo and Jinmei Kanji lists o 41,000 senses for 31,300 words and word elements show how each character contributes to the meanings of compounds o 1,200 homophones with core meanings explain differences between closely related characters o 386 variant forms used in prewar literature and in names o 1,945 stroke order diagrams show you how to write each kanji stroke by stroke o 7,200 character readings including name readings o Over 2,000 cross references and five appendixes give instant access to a mass of useful reference data

The Kodansha Kanji Synonyms Guide Jack

Halpern, 2018-02-06 A groundbreaking bilingual kanji thesaurus that provides intermediate and advanced level users with complete, precise guidance on the distinctions between characters of similar meanings. The Kodansha Kanji Synonyms Guide is the first ever reference work to group together kanji characters that are related in meaning but different in detail. Arranged alphabetically by concept, these groupings let users focus on the often subtle differences and similarities between them. Like The Kodansha Kanji Learner's Dictionary and all of Jack Halpern's previous publications, The Kodansha Kanji Synonyms Guide is an innovative, authoritative, and impeccably prepared resource that helps Japanese language learners deepen their knowledge of written Japanese and provides educators, scholars, writers, and translators with an invaluable reference tool.

Kanji Handbook

David Vee, 2013-11-05 This massive text is the ultimate authoritative book on learning

Japanese Kanji. The Kanji Handbook presents an ingenious and tested method to learn the 1,945 kanji characters taught in all Japanese language schools. Through the use of KanjiHybrids, a concept invented by the author, learners of Kanji are taught to link the characters mentally with English words to form one integral and indivisible unit. This innovative mnemonic device

has been proven to train the learner to retain each kanji in the memory much better than simple repetition of the kanji alone as well as enabling users to differentiate similar looking kanji characters Specific learning strategies also enable users to progress quickly from the beginner to advanced level kanji with stroke orders shown clearly for each kanji character Eight different indexes including the highly useful Flip it Index form the last part of this unique handbook Contains the complete list of all 1 945 kanji characters taught in Japanese schools Presents a new KanjiHybrids system linking kanji characters with English words to aid memorization Innovative learning strategies guide learners at all levels from beginner to advanced

The Kodansha Kanji Learner's Dictionary Jack Halpern, 2022-03-22 A revised expanded edition of the best selling Japanese English character dictionary now with all the current J y and Jinmei Kanji With The Kodansha Kanji Learner's Dictionary Revised and Expanded learners finally have at their fingertips accurate and in depth information on all the kanji prescribed by the Japanese government In all 3 002 characters 772 more than in the first edition fill its pages making it the most comprehensive and up to date dictionary of its kind The main goal of the dictionary is to give the learner instant access to a wealth of useful information on kanji including their meanings readings stroke order and usage in compounds Compounds pose a special problem for learners Normally one must memorize them as unrelated units A unique feature of this dictionary that overcomes this difficulty is the core meaning a concise keyword that defines the dominant sense of each kanji followed by character meanings or specific senses the kanji can have when used in the living language Together these features help learners understand the logic behind compound formation Another unique feature is the System of Kanji Indexing by Patterns SKIP a revolutionary indexing system that has gained widespread popularity because it enables the user to locate characters as quickly and as accurately as in alphabetical dictionaries With SKIP all one needs to do to find a kanji is identify the geometrical pattern to which it belongs then count the strokes in each part of that pattern a much speedier process than searching by traditional methods In 2020 the government expanded the Educational Kanji list from 1006 to 1026 characters to cover the characters used in all Japanese prefecture names This edition includes these revisions along with illustrative compounds words These features and many more make this dictionary the most powerful kanji learning tool ever devised

An Introduction to Modern Japanese: Volume 1, Grammar Lessons Richard John Bowering, Haruko Uryu Laurie, 2004-03-18 This is the first book in a two volume intensive one year introductory course in Japanese also suitable for those who wish to work at a slower pace Students who finish this course will have a firm grasp of how the language works and enough knowledge of the writing system to tackle everyday written material with no more than a dictionary Particular attention is paid to questions of grammar which foreign learners often find difficult so Book One can also serve as a reference grammar An Introduction to Modern Japanese uses both spoken and written forms from the outset There are word lists for each lesson and a comprehensive vocabulary for the whole course Book One comprises fifty two lessons which are accompanied by exercises and word lists in Book Two The exercises ensure that the student has understood the grammar

explained in the relevant lessons and give further practice in reading and recognising characters Book Two also contains a full vocabulary Japanese to English and English to Japanese
