Cohen,1996-11 How do I find greater wholeness in my life and in my family's life To appreciate the importance of the Bible and gain insight about ourselves from it both Jews and Christians can use the process of midrash The attempt to find contemporary meaning in the biblical text The term midrash comes from the Hebrew root darash which means to seek search or demand meaning from the biblical text The starting point of our search for personal meaning is the Bible itself Each generation each reader can approach the text anew and draw meaning from it from Self Struggle Change The stress of late 20th century living only brings new variations to timeless personal struggles The people described by the biblical writers of Genesis were in situations and relationships very much like our own and their stories still speak to us because they are about the same basic problems we deal with every day Learning from Adam and Eve can we find the courage not only to face our other side but to draw strength from it Learning from Leah and Rachel can we stop competing with our loved ones and begin to accept them and find ourselves Sarah Hagar Lot Ishmael and Isaac Rebekkah Joseph and his brothers Jacob and Esau this vibrant cast of characters offers us new ways of understanding ourselves and our families and healing our lives A modern master of biblical interpretation brings us greater understanding of the ancient biblical text and of the insights its characters give us about ourselves and our families today By bringing the people in Genesis to life husbands and wives fathers and sons brothers and sisters Self Struggle Change shows us how to find wholeness in our lives *The Torah Revolution* Reuven Hammer,2011 The Torah is the foundation stone of Jewish existence Embedded within these teachings of Moses are core concepts that radically transformed the important religious insights of the patriarchs into a dynamic new religion that would go on to influence the world This religion of Israel yielded a new way of understanding God and the meaning of the human life Some of these concepts have never been fully realized some have gone unrecognized and many are obscured under so many layers of interpretation that the original vision is difficult to discern In this accessible look at these revolutionary teachings of Moses Dr Reuven Hammer presents fourteen radical ideas found in Torah explains their original intentions and shows how understanding these truths can help you better understand the narrative and laws of Judaism Dr Hammer shows you that when taken together these value concepts present a picture of the world and human life that is surprisingly modern and relevant humani **Confronting Scandal** Dr. Erica Brown,2011-03-03 We can battle insensitivity immorality and

dishonesty in our lives individually and collectively as a people We have a wonderful road map in the Torah and its traditions It is time to think seriously about our reputation in the world and what we can do to enhance it not because we want to look good but because we want to be good from Chapter 6 What should we do when we see other Jews behaving badly Most Jews are good upstanding people who live by a strong moral code and follow Isaiah s words to be a light to others But when Jews in the public sphere make headlines for being caught in scandals their actions can provoke anger shame and a sense of betrayal in the larger Jewish community In this insightful and timely book Jewish scholar Dr Erica Brown presents an intentional disciplined framework to explore the emotions provoked in the Jewish community by reports of Jews committing crime She proposes that we transform our sense of shame into actions that inspire and sustain a moral culture Drawing from the Hebrew Bible Talmud and our centuries long Jewish commitment to ethics she outlines ways you can activate and operate your personal moral compass and shows how you can empower yourself with sacred obligation responsibility kindness and knowledge to increase Jewish pride
