L.,Dunbar, Ericka S.,Dube, Musa W.,2021-07-14      **The Eschatological Implications of Isa 65 and 66 as the Conclusion of the Book of Isaiah** Emmanuel Uchenna Dim,2005 What can one say about eschatology in the Old Testament For a number of scholars there is no eschatology in the Old Testament and for many others eschatology only occurs at the fringes of that section of the Bible Biblical Studies have tried to clarify the issues around eschatology but different views remain It is from this general background that this book examines the eschatology of the unit of Isa 65 and 66 The author throws new light on what Old Testament eschatology really is and offers a practical view of the unit of Isa 65 and 66 situating it within the larger Isaian tradition      **Lady Liberty** Richard N. Rhoades,2013-07-10 The Statue of Liberty holds a special place in the hearts of Americans the people of France and freedom lovers throughout the world But up until now the full story behind its origins has not been told Author Richard N Rhoades peels back the mystery surrounding the icon explaining how French sculptor Frederic Auguste Bartholdi looked to a Roman goddess to serve as the model for the statue On Oct 28 1886 at the unveiling ceremony President Grover Cleveland praised Bartholdis goddess statue as greater than all that have been celebrated in ancient song But Rhoades goes beyond the historical data and examines the statues pagan origins by analyzing Scripture He establishes that the most revealing chroniclers of the Statue of Liberty were the Hebrew prophets who predicted the building and setting of an image of the Great Goddess of the ancient world on her own pedestal in a latter day country code named the land of Shinar Discover the real origins of the Statue of Liberty its adoption by the American people as a national icon and its historical and biblical significance in Lady Liberty The Ancient Goddess of America      His Name Is One Jeff A. Benner,2003 When we read an English translation of the Bible we define the words within it according to our modern vocabulary allowing our culture and language to influence how we read and interpret the Bible The Bible was written by ancient Hebrews whose culture and language was very different from our own and must be read and interpreted through their eyes When we define the names of God using our culture and language we lose the Hebraic meanings behind the original Hebrew names of God Consequently the true nature and character of God is hidden behind the veil of time and culture By understanding the various names of God through the vocabulary and language of the ancient Hebrews the nature and character of God is revealed to us in a new light The prophet Zechariah described the character of God with the words sh mo ehhad translated as His Name is One Zechariah 14 9 This phrase beautifully describes the character of God from a Hebraic perspective that is lost to us through translation and unfamiliarity with ancient Hebrew culture      **Write That They May Read** Daniel I.
