Philip Freneau Jacob Axelrad, 2014-01-13 Philip Freneau was a poet editor and mariner A graduate of Princeton he was the roommate of James Madison and a classmate of Hugh Henry Brackenridge and Aaron Burr When the colonies rebelled against England he supported his newly born nation as a privateer spending some time in a British prison as a result He also served more effectively as the poet of the Revolution Later he became the journalistic voice of the democrats Ardently devoted to liberty he believed himself to be a defender of the common man for whom he fought selflessly and often vitriolicly throughout his life In newspapers such as The Freeman's Journal The New York Daily Advertiser The National Gazette The Jersey Chronicle and The Time Piece he published articles letters and poems instructing the citizens of the new Republic about their rights and attacking those who he believed were infringing on those rights In the midst of the controversy in which he was so often involved he also found time to write a small body of poetry whose sensitivity and beauty mark him as the poetic equal of his European contemporaries and in fact as a precursor of the new Romantic movement In Philip Freneau Champion of Democracy Jacob Axelrad provides a detailed biography of this pensman of the Revolution and early Republic He gives a sympathetic imaginative perceptive yet objective interpretation of Freneau and his place in history and at the same time he presents a delightfully readable and clear picture of the period during which the poet lived These pages not only recreate the battles between Whig and Tory federalist and democrat but they also are alive with the activities and philosophies of the men who made American history James Madison Thomas Jefferson Alexander Hamilton George Washington John Adams James Monroe go about the business of creating and shaping a new country and as they do they move into and out of the life of the poet of Monmouth influencing him in a variety of ways Above all Axelrad brings to life for the reader the man Freneau simple direct often uncritical in his devotion to the cause he believed in courageous in sustaining his stand against strong opposition disillusioned and pessimistic about human nature yet boldly optimistic about the future of humanity and of his country And always behind the furor the reader is aware of the man struggling to provide a living for himself and his family and never quite succeeding The Culture of Flushing Jamie Benidickson, 2011-11-01 To most the flush of a toilet is routine the way we banish waste and ensure cleanliness It is safe efficient necessary nonpolitical and utterly unremarkable Yet Jamie Benidickson's examination of the social and legal history of sewage in Canada the United States and the United Kingdom demonstrates that the uncontroversial reputation of flushing is deceptive The Culture of Flushing is particularly relevant in a time when community water quality can no longer be taken for granted as it investigates and clarifies the murky evolution of waste treatment The Culture of Flushing is essential reading for specialists in environmental history environmental law public health engineering and public policy Those concerned with protecting water quality and the environment will also find it unique comprehensive and accessible The Cambridge History of Classical Literature: Volume 1, Greek Literature, Part 4, The Hellenistic Period and the Empire P. E. Easterling, B. M. W.

Knox,1989-05-04 The emphasis of this volume is on Greek literature produced in the period between the foundation of Alexandria late in the fourth century B C and the end of the high empire in the third century A D Here we see a shift away from the city states of the Greek mainland to the new centres of culture and power first Alexandria under the Ptolemies and then imperial Rome Greek literature being traditionally cosmopolitan adapted to these changes with remarkable success and through the efficiency of the Hellenistic educational system Greek literary culture became the essential mark of an educated person in the Graeco Roman world The National Union Catalog, Pre-1956 Imprints Library of Congress, American Library Association.
