[Evolution and Ungodly Ways](#) Gary Lassiter,2013-02 For 150 years numerous groups of Christians have disparaged the theory of evolution With a variety of critical statements which they assure are honest sensible and correct they have succeeded in instructing generations of Christians with an anti evolution world view This book presents a different perspective that Christian anti evolution does not defend Christianity it destroys it In terms anyone can understand the most prominent anti evolution claims are disassembled and exposed But unlike other works on this topic this one goes a step further by highlighting the scriptural and spiritual errors of Christian anti evolution It is to the surprise of no one impossible to deceive people about science without also deceiving them about scripture Evolution And Ungodly Ways is a simple account of corruption put together with the hope of strengthening those who choose to walk a lighted path [DISCIPLESHIP](#) Gary Beisheim,2024-01-17 This book is a must read for every Christian desiring to deepen and strengthen their relationship with Jesus Christ The author provides a renewed insight for the church and for individuals into being and making disciples by going back to the historic roots of the word disciple i e what it meant in ancient times He also demonstrates what Jesus really

meant when He said Go make disciples Mr Beisheim also shows how the word and concept have become distorted and watered down in all but a few churches in America In today s world it is just a concept or a course or a program using terms like mentoring or coaching you will find it is so much more The author does this by redefining what the word disciple and making disciples really means Then the author explains Jesus s only two commands love God and love one another Finally the author spends time on what to teach others ways in which you and Christ can really dive deep and get to know each other The result is a radically renewed way of thinking about being a disciple not merely an occasional churchgoer and making disciples and life itself and how this concept can shape a way of living that affects every relationship you have This is not some concept that worked only in Jesus s day but one which works today in our world as illustrated and attested to by the author 2 *They Walked with God* Gena Duncan,2016-03-09 What does it mean to walk with God Enoch knew In fact he knew so well that one day he walked right into Gods eternal home without dying Now that was a walk A life walk involves all the activities that intersect with our lives every day If we walked like Enoch or like righteous Noah what would those intersections of appointments meetings meals sport games telephone conversations text messages meetings with friends and discussions with family members look like All those giants of faith listed in Hebrews 11 walked with God and are examples to us of walking in faith with God Noah believed God would send a flood and built an ark even though he had never seen rain Joshua and the Israelites Deborah and Barak Jephthah and Gideon had faith for miraculous victories in battle Rahab choose to leave her life of prostitution married and became part of the lineage of Christ Samson asked for one last triumph of strength and fulfilled Gods plan for his life The author unmask the lives of eight less known giants of faith and reveals their triumphant acts of faith and the head hanging weaker moments not mentioned in Hebrews 11 What can these unbelievable stories mean to us Open these pages and see **Book List** Society for Old Testament Study,1972 **Preacher's Outline and Sermon Bible** Leadership Ministries Worldwide,2003-09 What if you could study Matthew with your favorite Bible scholars from across the ages With The Preacher s Outline Sermon Bible you can This unique resource is designed to empower pastors and leaders to effectively preach and teach God s Word This is much more than a commentary it takes the best scholarly works available and combines them in a single resource Inside each volume of The Preacher s Outline Sermon Bible you ll find A verse by verse outline alongside each passage of Scripture that draws out key concepts In depth commentary synthesized from hundreds of trusted sources including Matthew Henry John MacArthur Charles Spurgeon and many more Thoughts designed to provide practical application of Scripture for your congregation Deeper studies that expand on original Greek sources provide historical background and explain key points An Outline Subject Index designed for topical study perfect for quickly creating messages on a particular theme There s a volume of The Preacher s Outline Sermon Bible series for nearly any sermon you can imagine Explore the full series on our website at outlinebible.org **DANIEL: Touchstone of Prophecy** Kent Stevens,2008-07-31 Scholars agree Daniel s prophecies detail history up to 164 B C then

opinions split But why not continue following the trail of history What if we could prove his prophecies are already fulfilled This verse by verse pursuit takes us a little outside popular explanations and turns up some surprising answers Discover how the Little Horn of the dragon has been in plain sight of history all along why one prophecy is divided into weeks who is the real prince to come and who is the true Covenant Maker that the 2300 evenings and mornings are not mere days on a calendar how the 1290 and 1335 day prophecy bring us to an oft neglected turning point in Jewish history Determined to let Scripture speak for itself Kent Stevens attempts to support every verse with well known details from history Even if you end in disagreeing with the author s compelling arguments we hope you will conclude with him that Daniel is truly a unique touchstone that challenges and tests the way we view prophecy

Joseph Smith's Polygamy, Volume 3: Theology Brian C. Hales, 2013-02-26 Americans of Joseph Smith s day steeped in the stories and prophecies of the King James Bible certainly knew about plural marriage but it was a curiosity relegated to the misty past of patriarchs Abraham and Jacob who never gave reasons for their polygamy It was long abandoned Christians understood by the time Jesus set forth the dominating law of the New Testament But how did Joseph Smith understand it Where did it fit in the restitution of all things Acts 3 21 predicted in the New Testament What part did it play in the global ideology declared by this modern prophet who produced new scripture new revelation and new theology During Joseph Smith s lifetime polygamy was taught and practiced in intense secrecy with the result that he never fully explained its doctrinal underpinnings or systematized its practice As a result reconstructing Joseph Smith s theology of plurality is a task that has seldom been undertaken Most theological examinations have either focused on its development during Brigham Young s Utah period with its need to resist increasing federal legislative and judicial pressures or the efforts of twentieth century and contemporary fundamentalists who continue to marry a plurality of wives Volume 3 of this three volume work builds on the carefully reconstructed history of the development of Mormon polygamy during Joseph Smith s lifetime then assembles the doctrinal principles from his recorded addresses the diary entries of those closely associated with him and his broader teachings on the related topics of obedience to God s will marriage and family relations and the mechanics of eternal progression salvation and exaltation The revelation he dictated in July 1843 that authorized the practice of eternal and plural marriage receives unprecedented examination and careful interpretation that illuminate this significant document and its underlying doctrines Attempts to explain the history of Joseph Smith s polygamy without comprehending the theological principles undergirding its practice will always be incomplete and skewed This volume which takes those principles and evidences with the utmost seriousness has produced the most important explanation of why this ancient practice reemerged among the Latter day Saints on the shores of the Mississippi in the early 1840s
