Wisse, 2003-04-15 What makes a great Jewish book

In fact what makes a book Jewish in the first place Ruth R Wisse eloquently fields these questions in *The Modern Jewish Canon* her compassionate insightful guide to the finest Jewish literature of the twentieth century From Isaac Babel to Isaac Bashevis Singer Elie Wiesel to Cynthia Ozick Wisse's *The Modern Jewish Canon* is a book that every student of Jewish literature and every reader of great fiction will enjoy *Modern Orthodoxies* Lisa Mulman, 2013-09-13 This study introduces a genuine provocative religious vocabulary into the discourse on Modernist art and literature Mulman looks at key texts and figures of the Modern period including Henry Roth Amedeo Modigliani James Joyce and Art Spiegelman revealing a significant engagement with the rituals of Jewish observance and the structure of Talmudic interpretation While critics often view the formal experimentation of High Modernism as a radical departure from conventional beliefs this book shows that these aspects of Modernist art are deeply entwined with and indebted to the very traditions that they claim to be writing against As such the book offers a unique and truly multidisciplinary approach to Modernist studies and a cogent analysis of the ways in which spirituality informs artistic production

volume thirty two American Studies scholars from around the world interrogate the manifold significance of ports and of the exchanges they enable or restrain casting a decentered look onto the complex positioning of the United States in its political ideological and cultural relationships with the rest of the world This collection thus offers a cutting edge interdisciplinary investigation of the U S A engaging the most recent trends in American Studies and actively participating in the international and transnational reconfiguration of the field

**Strangers at Home** Rita Keresztesi,2005-01-01 Strangers at Home reframes the way we conceive of the modernist literature that appeared in the period between the two world wars This provocative work shows that a body of texts written by ethnic writers during this period poses a challenge to conventional notions of America and American modernism By engaging with modernist literary studies from the perspectives of minority discourse postcolonial studies and postmodern theory Rita Keresztesi questions the validity of modernism s claim to the neutrality of culture She argues that literary modernism grew out of a prejudiced racially biased and often xenophobic historical context that necessitated a politically conservative and narrow definition of modernism in America With the changing racial ethnic and cultural makeup of the nation during the interwar era literary modernism also changed its form and content Contesting traditional notions of literary modernism Keresztesi examines American modernism from an ethnic perspective in the works of Harlem Renaissance immigrant and Native American writers She discusses such authors as Countee Cullen Nella Larsen Zora Neale Hurston Anzia Yezierska Henry Roth Josephina Niggli Mourning Dove D Arcy McNickle and John Joseph Mathews among others Strangers at Home makes a persuasive argument for expanding our understanding of the writers themselves as well as the concept of modernism as it is currently defined

Through a series of literary readings Rubinstein traces a shifting and unstable dynamic of imagined Indian Jewish kinship that can easily give way to opposition and especially in the contemporary moment competition In the first chapter *Playing Indian Becoming American* Rubinstein explores the Jewish representations of Indians over the nineteenth century through narratives of encounter and acts of theatricalization In chapter 2 *Going Native Becoming Modern* she examines literary modernism s fascination with the Indian poet and a series of Yiddish translations of Indian chants that appeared in the modernist journal *Shriftn* in the 1920s In the third chapter *Red Jews* Rubinstein considers the work of Jewish writers from the left including Tillie Olsen Michael Gold Nathanael West John Sanford and Howard Fast and in chapter 4 *Henry Roth Native Son* Rubinstein focuses on Henry Roth s complicated appeals to Indianness The final chapter *First Nations* addresses contemporary contestations between Jews and Indians over cultural and territorial sovereignty in literary and political discourse as well as in museum spaces As Rubinstein considers how Jews used the figure of the Indian to feel at home in the United States she enriches ongoing discussions about the ways that Jews negotiated their identity in relation to other cultural groups Students of Jewish studies and literature will enjoy the unique insights in *Members of the Tribe*
