Latham's World Margaret Simons, 2004-09-01 In the third *Quarterly Essay* of 2004 Margaret Simons takes a long hard look at Mark Latham the self proclaimed club buster and the man who would be prime minister Few doubt Latham's intelligence and ambition but what will this amount to in government Simons argues that if Labor is elected it will not be business as usual Rather we can expect a reformist government in the spirit if not the letter of Latham's political tutor Gough Whitlam It is also likely to be a government that has little time for the totemic issues of the Labor elites This is an essay that takes the political pulse of the nation it is clear eyed probing anchored in observation and an original analysis of the political state of play It ventures into the murky world of Liverpool Council where Latham made enemies and ran the show It reserves harsh words for those in the media who have ignored Latham's ideas and community campaigning in favour of rumour mongering Above all it reveals Latham as a conviction politician and an acute thinker with a prescient understanding of how the urban fringe now drives the politics of the nation Mark Latham's arrival on the political scene has brought to an end the fictions that have dominated politics for the last ten years Margaret Simons *Latham's World* *Books Out-of-print*, 1986 *Subject Catalog*, 1981 Library of Congress, 1981 **Library Catalog of the Metropolitan Museum of Art, New York, Second Edition, Revised and Enlarged** Metropolitan Museum of Art (New York, N.Y.).
