Curriculum-based Assessment Carroll J. Jones, 2008 Although curriculum based assessment CBA has been on the horizon for a number of years there has been a need for a practical classroom based approach for its implementation This second edition is a major revision and update that offers practical and specific methods for developing and using CBAs in an educational setting It gives educators a highly specific step by step approach to building CBAs in the area of reading word recognition reading comprehension content reading mathematics and written expression Each chapter offers detailed easy to read and easy to follow instructions for the assessment construction process To further clarify the process extensive examples are given in table format A unique feature of the text is the manner in which the author illustrates the principles of CBA by providing a case study on one student which is referred to in each chapter Its formative assessment approach gives the teacher additional detailed information about student's OCO performance which in turn should guide the type of instruction designed and implemented ultimately leading to higher performance on summative outcome measures Additionally detailed information is provided on subject area CBA construction the creation and implementation of a district wide CBA system for response to intervention and how to use IDEA's response to intervention in student evaluation Instructor, 1992

Promoting Great Reads to Improve Teen Reading Lucy Schall, 2015-02-12 Support current educational initiatives with a ready to use tool that will help you with selection motivation and skill building relative to titles published within the last five years New demands by Common Core and other national and state standards mean teachers and librarians need support in pairing high interest content with skill building that speaks to those standards This hands on research based resource will help Covering 100 titles it guides you to topics themes values and activities that meet national and state standards The book's organization by genres topics and themes will enable librarians to serve customers with specific requests and help teachers build thematic units Focusing on recent young adult fiction and nonfiction 2010-2014 the guide offers a succinct plot summary links to popular themes and genres indication of reading levels and an engaging booktalk for each title It also includes guidelines for further promoting each book and extending knowledge through

discussion The author a former middle and high school teacher demonstrates how you can foster close reading through paraphrasing comparison and response and explains how to strengthen critical thinking among teens Lists of related titles and notes on gender appeal can be used for readers advisory The Beginning Reading Instruction Study Marcy Stein,1993 Calling attention to the continuum of approaches reflected in beginning reading programs this report presents content and cost analyses for over 50 beginning reading programs The first of the report s five chapters is an introduction The second chapter begins with a brief description of the major issues in the area of beginning reading and concludes with a summary of important research based recommendations for instruction The third chapter outlines the evaluation criteria for a content analysis of the programs and provides operational definitions of evaluation criteria The chapter concludes with an analysis of the extent to which over 50 instructional programs and approaches reflect research in beginning reading The fourth chapter presents a cost analysis of each program evaluated and a description of how the cost analysis was determined The final chapter contains some conclusions and cautions about selecting and designing effective reading instructional programs RS
