The New King James Bible, 1982 New King James - The Bridge Bible David W. Daniels, 2020-05-20 Is The New King James Bible Just An Updated King James It promised to be a 5th edition of the KJV preserving the originally intended meaning of every verse Did publishers and translators keep their promise Author David Daniels shows us in this book that the classical language including the thees and thous is not all that was changed In fact this Bible is not a King James at all Some of the updates actually change doctrines I M NOT SAYING WHAT COULD HAPPEN I M SHOWING YOU WHAT DID HAPPEN DAVID W DANIELS It cannot be a true King James if salvation is changed from a finished work to an unfinished process 1 Corinthians 1:18 How can you know you are saved Or in Matthew 7:14 where it says Because narrow is the gate and difficult is the way which leads to life God did not make the way difficult Salvation is as close as our mouth and our heart These tiny changes as well as others like it have made a big difference moving people from faith to doubt in God and His words But there's more The publishers of the New King James said themselves that their goal was to provide a transitional bridge to a modern Bible and they sell plenty of them As people get used to seeing words changed in their Bible they soon will accept a Bible that changes even more Eventually you have a Bible with wording vague enough in many key areas that all the world's religions will be able to fit their doctrines into it This is actually part of the larger plan for everyone to accept one world Bible for the Antichrist's coming one world religion How do we counter this By teaching our children how to read the clear words of the King James we can bring faith and not doubt to the next generation In fact as you will see in this book if previous generations had done this the New King James would never have been made NKJV New

of biblical development I'm uncomfortable with some images of inspiration in the popular sphere. The best description I've heard for how inspiration works comes from Plato's dialog *Ion*. In that Plato through the caricature of Socrates explains that inspiration is like a magnet and that once it touches a ring of iron the ring becomes magnetic as well. I believe that God through the course of living events touches some of us. When some particularly the Apostles and Prophets are in their closest communication with God their thoughts become divine. When those thoughts come out on ink and paper that ink and paper becomes in a sense embedded with divine thoughts. To borrow an analogy from another great thinker it is like a map of a great idea. The map is not the ocean. It can't get me wet. I can't sail my boat on it. But if I want to know the safest and best places to get wet or the most efficient way to sail my boat the map is a better guide than a swimming pool. I really understand where Jefferson and Luther were coming from. I really like bacon with my breakfast and there was a point in my life that I really had to take some time and put the study in on that issue. After all the Bible does say "And the swine though he divide the hoof and be clovenfooted yet he cheweth not the cud he is unclean to you" (Leviticus 11:7) and unlike Jefferson I was unwilling to just cut that verse out because it was inconvenient. I wanted to know what God actually said not what I wanted God to have said. I hope this dispels the fear that some could have regarding my project. My aim is more in line with Erasmus than Jefferson. However poorly he got started Erasmus set out to understand what the Bible said in the original language. So if I still end up having texts that are difficult for me and not having the clarity of text I might hope for what is the point of creating a Corrected King James Bible. The point is to get just a little bit closer to the magnet of Christ and the Prophets and the Apostles. The point is to bring my ear just a few inches closer to God's lips so I can hear him that much more clearly. I think that the King James translators got it wrong in 1 John 5:7-8. I think that they put words in the Bible that were never supposed to be there no matter how convenient they are for me. So I'm taking those words out so that I can more clearly hear the words that God has placed in the Bible. My goal is to provide a single translation of God's Word according to the sources that prayer and study has convinced me is the best primary source. Ultimately I would like to translate all of these myself as well but in the meantime The Corrected King James gives me a standardized English text to read and study from.
