leaders thinkers teachers writers and communicators With *The Greening of Religion* we hope to have added to a life saving public conversation perhaps even started some conversations And we hope those conversations will lead to actions which can shelter us from the inevitable and perhaps turn us from calamity even here at the last minute     **Catherine Booth** John Read,2014-01-30 Catherine Booth s achievements as a revivalist social reformer champion of women s rights and with her husband William Booth co founder of the Salvation Army were widely recognized in her lifetime However Catherine Booth s life and work has since been largely neglected This neglect has extended to her theological ideas even though they were critical to the formation of Salvationism the spirituality of the movement she cofounded This book examines the implicit theology that undergirds Catherine Booth s Salvationist spirituality and reveals the ethical concerns at the heart of her soteriology and the integral relationship between the social and evangelical aspects of Christian mission in her thought Catherine Booth emerges as a significant figure from the Victorian era a British theologian and church leader with a rare if not unique intellectual and theological perspective that of a woman     **Saved, Sanctified and Serving** Denis Metrustery,2016-06-01 This comprehensive significant work on Salvation Army theology and practice is designed to help reinforce Salvationists appreciation of their movement s rationale and mission helping to maintain and increase the Army s unique position within the Church and as part of global faith based responses to humanitarian need The writers in this volume hold and proclaim a clear vision for the Army s future fully seizing contemporary opportunities while retaining the fire and zeal of the primitive Movement     *Saved to Save and Saved to Serve* Harold Hill,2017-07-24 The Salvation Army has now been around for more than one hundred and fifty years having celebrated its sesquicentennial in 2015 with an International Congress in London Over the years both the Army and the world in which it appeared have changed beyond recognition This is a good time for the movement to stop and look back not just to celebrate but to see where it is today The Army has not evolved in isolation from the world Bringing its own history with it it nevertheless belongs to the twenty first century world as much as William Booth s little East End Mission belonged to nineteenth century London This book attempts to explore the interaction between mission and world as it has impacted the Army s beliefs and practices as well as the place it now occupies in the wider world This critical and analytical study may also be of interest to those beyond the Army s ranks who would like to learn more about this remarkable organization     **The Salvation Army Year Book** Theodore H. Kitching,2008     **Thoughts on holiness, doctrinal and practical** Walter Arthur Copinger,1883     **The missionary's foundation of doctrine, with practical reflections** Edward Townson Churton (bp. of Nassau.),1890     **Baxter's Practical Works, Volume 1** ,2007-12 The editor s preface 1707 p xiii stated that the works of Richard Baxter are perhaps the best body of practical divinity that is extant in our own or any other tongue Richard Baxter lived from 1615 1691 The DIRECTORY was completed in 1665 Its scope was intended to cover all of practical theology a summa of casuistry Timothy Keller calls it the greatest manual on Biblical counseling ever produced     *The Guide to holiness, and class-leader's*
