

Out of the blue they arrive.
Into the blue they go.
Crossing oceans and continents
on their way
as necessity dictates,
without notion of borders.
They are always welcomed here.

Nzs Migrant Waders:

New Zealand Wildlife Julian Fitter,2009 A comprehensive overview of New Zealand s natural history with details of where to go to see them along with recommended tramping tracks

Field Guide to the Wildlife of New Zealand Julian Fitter,2022-01-13 A portable photo packed guide for all visitors to the country New Zealand s dramatic scenery is home to some equally dramatic wildlife featuring a host of endemics found nowhere else in the world From giant wetas and the ancient Tuatara to a suite of beautiful birds including flightless wonders such as the Kiwi and Kakapo these animals help make New Zealand one of the world s greatest wildlife tourism destinations Although there have been severe losses due to introduced predators the country has a fiercely determined conservation sector and the future looks bright This fully revised and updated second edition of Julian Fitter s classic photographic field guide illustrates most of the vertebrate species to be found on the islands there as well as a large number of typical invertebrates and flora with the photography accompanied by concise species texts Reader friendly and portable yet covering everything the visitor is likely to see this book is an invaluable companion for anyone visiting these biodiverse Pacific islands

Hand Guide to the Birds of New Zealand Hugh Robertson,Barrie Heather,2001-01-11 This is a more portable updated edition of the original Field Guide to the Birds of New Zealand The original edition was published in two parts the first containing an identification guide with color plates and distribution maps the second giving more detailed information on the biology and ecology of the species described The current book combines the two sections into one book of plates maps short descriptions introduction and a section on where to find the birds It is a smaller more manageable guide perfect for field work and birding for pleasure

Birds of Kangaroo Island Chris Baxter,2015-03-01 Regional bird field guides are few and far between in South Australia and Chris Baxter s photographic guide to the birds of Kangaroo Island is the stand out in this genre This comprehensive account covers all 267 bird species recorded on the Island or offshore over the seas It builds on the annotated list produced by the same author in 1989 and revised in 1995 The photographs provided by some of Australia s most highly regarded photographers beautifully illustrate the detailed descriptions of the birds their habits habitats breeding status abundance and distribution on the Island In addition there are recommendations on where to look for each species with cautions about not getting too close to endangered birds and their nests Chris Baxter has called on a lifetime of bird watching on Kangaroo Island and observations from visitors and residents to present an attractive field guide that is a must for all birdwatchers from casual observers to serious ornithologists
