Radical Commitment Vernon C. Grounds,1984 **Integrative Theology** Gordon R. Lewis,Bruce A.

Demarest,2010-09-21 Integrative Theology is designed to help graduate students in a pluralistic world utilize a standard method of fruitful research Each chapter on a major doctrine 1 states a classic issue of ultimate concern 2 surveys alternative past and present answers and 3 tests those proposals by their congruence with information on the subject progressively revealed from Genesis to Revelation Then the chapter 4 formulates a doctrinal conclusion that consistently fits the many lines of biblical data 5 defends that conviction respectfully and finally 6 explores the conclusion s relevance to a person s spiritual birth growth and service to others all for the glory of God Why the title Integrative Theology In each chapter steps 2 6 integrate the disciplines of historical biblical systematic apologetic and practical theology **Integrative Theology** Gordon

rules and methods that have been proven to work spiritually against a ruthless spiritual opponent Liberals know full well that they are fighting for the soul of our nation We need to realize that the soul they are fighting for is the complete corruption and loss of the Godly soul our founding fathers tried to establish for our nation It not only presents the problem but also provides the solution to our problem and the promise that the problem of ungodliness in our culture can be reversed Godliness can be restored We are also fighting for the soul of our nation It is NOT the same soul that the Liberals are trying to preserve They have corrupted our nation by deception We can restore the national soul they corrupted with the truth
