Radicalism And Reverence The Political Thought Of Gerrard Winstanley

Erik van Ree

Radicalism And Reverence The Political Thought Of Gerrard Winstanley:

Radicalism and Reverence George M. Shulman, 1989 One of the most undeservedly neglected political theorists of the seventeenth century Gerrard Winstanley is a fascinating figure who wrote broadly and creatively on issues that appear surprisingly modern to his present day readers His theoretical approach to the English revolution knit together such diverse concerns as Puritanism the emerging market economy and the dilemmas of radical politics His strong commitment to both personal autonomy and collective action led him towards an alternative to the Puritanism market institutions and political violence that he analyzed In his incisive new book George Shulman examines the life and work of this important thinker He traces Winstanley s movement from theorizing about God and the rebirth of the self to active leadership of the diggers a group of radical activists who occupied not yet enclosed common lands As Winstanley both used and moved beyond his own Puritan heritage he was able to confront the social and political realities of his time in a language that related them to psychological experience His richly metaphoric language and the vision of freedom it embodied joined psychological social and political dimensions of life By imaginatively reconstructing Winstanley s unified approach to the 1640s this book seeks to illuminate what was at stake at that time and relate it to contemporary debates about the self politics and language Shulman creates a conversation across time about questions that still animate thinkers today One of the most undeservedly neglected political theorists of the seventeenth century Gerrard Winstanley is a fascinating figure who wrote broadly and creatively on issues that appear surprisingly modern to his present day readers His theoretical approach to the English revolution knit together such diverse concerns as Puritanism the emerging market economy and the dilemmas of radical politics His strong commitment to both personal autonomy and collective action led him towards an alternative to the Puritanism market institutions and political violence that he analyzed In his incisive new book George Shulman examines the life and work of this important thinker He traces Winstanley s movement from theorizing about God and the rebirth of the self to active leadership of the diggers a group of radical activists who occupied not yet enclosed common lands As Winstanley both used and moved beyond his own Puritan heritage he was able to confront the social and political realities of his time in a language that related them to psychological experience His richly metaphoric language and the vision of freedom it embodied joined psychological social and political dimensions of life By imaginatively reconstructing Winstanley s unified approach to the 1640s this book seeks to illuminate what was at stake at that time and relate it to contemporary debates about the self politics and language Shulman creates a conversation across time about questions that still animate thinkers today

Literature and Utopian Politics in Seventeenth-Century England Robert Appelbaum, 2002-04-04 Hundreds of writers in the English speaking world of the seventeenth century imagined alternative ideal societies Sometimes they did so by exploring fanciful territories such as the world in the moon or the nations of the Antipodes but sometimes they composed serious disquisitions about the here and now proposing how England or its nascent colonies could be conceived of as an

Oceana or a New Jerusalem This book provides a comprehensive view of the operations of the utopian imagination in literature from 1603 to the 1660s Appealing to social theorists literary critics and political and cultural historians this volume revises prevailing notions of the languages of hope and social dreaming in the making of British modernity during a century of political and intellectual upheaval *Winstanley and the Diggers, 1649-1999* Andrew Bradstock,2013-12-19 This collection of essays explore the the Diggers a group of 17th century men who shared a vision of a society based on collective ownership of the land The themes discussed include the continuing power of leader Winstanley s writings ideas on civil liberty and the economic background **Representing Revolution in Milton and his Contemporaries** David Loewenstein,2001-03-15 David Loewenstein s Representing Revolution in Milton and his Contemporaries is a wide ranging exploration of the interactions of literature polemics and religious politics in the English Revolution Loewenstein highlights the powerful spiritual beliefs and religious ideologies in the polemical struggles of Milton Marvell and their radical Puritan contemporaries during these revolutionary decades By examining a wide range of canonical and non canonical writers John Lilburne Winstanley the Digger and Milton amongst others he reveals how radical Puritans struggled with the contradictions and ambiguities of the English Revolution and its political regimes His portrait of a faction riven violent seventeenth century revolutionary culture is an original and significant contribution to our understanding of these turbulent decades and their aftermath By placing Milton s great poems in the context of the period s radical religious politics it should be of interest to historians as well as literary scholars **Explaining the English Revolution** Mark Stephen Jendrysik,2007-01-01 Explaining the English Revolution studies the years 1649 to 1653 from regicide to the establishment of the Cromwellian Commonwealth during which time English writers took stock of a disordered England stripped of the traditional ideas of political moral and social order and considered the possibilities for a politically and religiously reordered state Radical Christian Writings Andrew Bradstock,Christopher Rowland,2008-04-15 This volume which fills a gap in the current literature will be essential reading for third year undergraduates and above in Biblical studies *Adam in Seventeenth Century Political Writing in England and New England* Julia Ipgrave,2016-08-25 Designed to contribute to a greater understanding of the religious foundations of seventeenth century political writing this study offers a detailed exploration of the significance of the figure and story of Adam at that time The book investigates seventeenth century writings from England and New England examining writings by Roger Williams and John Eliot Gerrard Winstanley John Milton and John Locke to explore the varying significance afforded to the Biblical figure of Adam in theories of the polity In so doing it counters over simplified views of modern secular political thought breaking free from the confines of religion by showing the diversity of political models and possibilities that Adamic theories supported It provides contextual background for the appreciation of seventeenth century culture and other cultural artefacts and feeds into current scholarly interest in the relationship between religion and the public sphere and in stories of origins and Creation Varieties of Seventeenth- and Early Eighteenth-Century English

Radicalism in Context David Finnegan, Dr Ariel Hessayon, 2013-07-28 The essays in this collection explore a number of significant questions regarding the terms radical and radicalism in early modern English contexts They investigate whether we can speak of a radical tradition and whether radicalism was a local national or transnational phenomenon In so doing this volume examines the exchange of ideas and texts in the history of supposedly radical events ideologies and movements or moments Once at the cutting edge of academic debate radicalism had until very recently fallen prey to historiographical trends as scholars increasingly turned their attention to more mainstream experiences or reactionary forces While acknowledging the importance of those perspectives *Varieties of seventeenth and early eighteenth century English radicalism in context* offers a reconsideration of the place of radicalism within the early modern period It sets out to examine the subject in original and exciting ways by adopting distinctively new and broader perspectives Among the crucial issues addressed are problems of definition and how meanings can evolve context print culture language and interpretative techniques literary forms and rhetorical strategies that conveyed or deliberately disguised subversive meanings and the existence of a single continuous English radical tradition Taken together the essays in this collection offer a timely reassessment of the subject reflecting the latest research on the theme of seventeenth century English radicalism as well as offering some indications of the phenomenon's transnational contexts Indeed there is a sense here of the complexity and variety of the subject although much work still remains to be done on radicals and radicalism both in early modern England and especially beyond

Radical Future Pasts Romand Coles, Mark Reinhardt, George Shulman, 2014-06-17 Written by both well established and rising new scholars *Radical Future Pasts* seeks to open up new possibilities for the practical application of political thought Unlike conventional state of the discipline collections this volume does not summarize where the field of political theory has been Rather than accept traditional versions of the political past the contributors reinterpret both canonical and current texts to demonstrate how politics can be theorized and applied in new ways

Film and the Anarchist Imagination Richard Porton, 1999 Bearded bomb throwers self indulgent nihilists dangerous subversives these characteristic clichés of anarchists in the popular imagination are often reproduced in the cinema In *Film and the Anarchist Imagination* the first comprehensive survey of anarchism in film Richard Porton deconstructs such stereotypes while offering an authoritative account of films featuring anarchist characters and motifs From the early cinema of Griffith and Ren Clair to the work of Godard Lina Wertmüller Lizzie Borden and Ken Loach Porton analyzes portrayals of anarchism in film presenting commentaries and critiques of such classics as *Zéro de Conduite* *Tout Va Bien* and *Love and Anarchy* In addition he provides an excellent guide to the complex traditions of anarchist thought from Bakunin and Kropotkin to Emma Goldman and Murray Bookchin disclosing a rich historical legacy that encompasses the Paris Commune the Haymarket martyrs the anarcho syndicalists of the Spanish Civil War as well as more familiar contemporary avatars like the Situationists and the enragés of May 1968

Public Theology for the 21st Century Duncan B. Forrester, William Storrar, Andrew Morton, 2004-01-01 The

book is a unique stocktaking by a leading international group of theologians social scientists and other scholars on issues facing public theology at the beginning of the 21st century It combines retrospect and prospect in that it reflects on the issues and approaches that have characterized public theology in the 20th century especially its latter half and attempts to anticipate those which will or should come to the fore in the 21st century seeking to discern continuities and changes Three opening chapters deal with the overall theme of public or political theology with Jurgen Moltmann giving a critical historical account from the Second World War onwards Raymond Plant relating such theology to cultural pluralism and Andrew Morton illustrating it from the work of Duncan Forrester These are followed by pairs of contributions relating public theology to more specific topicsr History Technology and Creation Globalization Spirituality Punishment and Forgiveness Medical Ethics Tolerance and Human Rights Social Exclusion and Equality

National Reckonings Ryan Hackenbracht, 2019-03-15 During the tumultuous years of the English Revolution and Restoration national crises like civil wars and the execution of the king convinced Englishmen that the end of the world was not only inevitable but imminent *National Reckonings* shows how this widespread eschatological expectation shaped nationalist thinking in the seventeenth century Imagining what Christ s return would mean for England s body politic a wide range of poets philosophers and other writers including Milton Hobbes Winstanley and Thomas and Henry Vaughan used anticipation of the Last Judgment to both disrupt existing ideas of the nation and generate new ones Ryan Hackenbracht contends that nationalism consequently was not merely a horizontal relationship between citizens and their sovereign but a vertical one that pitted the nation against the shortly expected kingdom of God The Last Judgment was the site at which these two imagined communities England and ecclesia the universal church would collide Harnessing the imaginative space afforded by literature writers measured the shortcomings of an imperfect and finite nation against the divine standard of a perfect and universal community In writing the nation into end times prophecies such works as *Paradise Lost* and *Leviathan* offered contemporary readers an opportunity to participate in the cosmic drama of the world s end and experience reckoning while there was still time to alter its outcome

Lacan, Foucault, and the Malleable Subject in Early Modern English Utopian Literature Dan Mills, 2020-02-13 Theoretically informed scholarship on early modern English utopian literature has largely focused on Marxist interpretation of these texts in an attempt to characterize them as proto Marxist The present volume instead focuses on subjectivity in early modern English utopian writing by using these texts as case studies to explore intersections of the thought of Jacques Lacan and Michel Foucault Both Lacan and Foucault moved back and forth between structuralist and post structuralist intellectual trends and ultimately both defy strict categorization into either camp Although numerous studies have appeared that compare Lacan s and Foucault s thought there have been relatively few applications of their thought together onto literature By applying the thought of both theorists who were not literary critics to readings of early modern English utopian literature this study will on the one hand describe the formation of utopian subjectivity that is both psychoanalytically Oedipal and pre

Oedipal and socially constructed and on the other hand demonstrate new ways in which the thought of Lacan and Foucault inform and complement each other when applied to literary texts The utopian subject is a malleable subject a subject whose linguistic psychoanalytical subjectivity determines the extent to which environmental and social factors manifest in an identity that moves among Lacan's Symbolic Imaginary and Real

Boundaries of Utopia - Imagining Communism

from Plato to Stalin Erik van Ree, 2015-05-22 The idea that socialism could be established in a single country was adopted as an official doctrine by the Soviet Union in 1925 Stalin and Bukharin being the main formulators of the policy Before this there had been much debate as to whether the only way to secure socialism would be as a result of socialist revolution on a much broader scale across all Europe or wider still This book traces the development of ideas about communist utopia from Plato onwards paying particular attention to debates about universalist ideology versus the possibility for socialism in one country The book argues that although the prevailing view is that socialism in one country was a sharp break from a long tradition that tended to view socialism as only possible if universal in fact the territorially confined socialist project had long roots including in the writings of Marx and Engels

The Matter of Revolution John Rogers, 2018-09-05 John Rogers here addresses the literary and ideological consequences of the remarkable if improbable alliance between science and politics in seventeenth century England He looks at the cultural intersection between the English and Scientific Revolutions concentrating on a body of work created in a brief but potent burst of intellectual activity during the period of the Civil Wars the Interregnum and the earliest years of the Stuart Restoration Rogers traces the broad implications of a seemingly outlandish cultural phenomenon the intellectual imperative to forge an ontological connection between physical motion and political action

Historical Dictionary of the Puritans Charles Pastoor, Galen K. Johnson, 2007-06-12 Members of the Church of England until the mid 16th century the Puritans thought the Church had become too political and needed to be purified While many Puritans believed the Church was capable of reform a large number decided that separating from the Church was their only remaining course of action Thus the mass migration of Puritans known as Pilgrims to America took place Although Puritanism died in England around 1689 and in America in 1758 Puritan beliefs such as self reliance frugality industry and energy remain standards of the American ideal The Historical Dictionary of Puritans tells the story of Puritanism from its origins until its eventual demise This is done through a chronology an introduction a bibliography and several hundred cross referenced dictionary entries on important people places and events

Visionary Women Phyllis Mack, 1995-01-05 This study of radical prophecy in 17th century England explores the significance of gender for religious visionaries between 1650 and 1700 Phyllis Mack focuses on the Society of Friends or Quakers the largest radical sectarian group active during the English Civil War and Interregnum The meeting records correspondence almanacs autobiographical and religious writings left by the early Quakers enable Mack to present a textured portrait of their evolving spirituality Parallel sources on men and women provide a unique opportunity to pose theoretical questions about the meaning of gender

such as whether a women s spirituality can be identified or whether religious women are more or less emotional than men

Faith in the Revolution Andrew Bradstock,1997

Beyond the Global Culture War Adam K. Webb,2013-08-21

Presenting a cross cultural critique of global liberalism this book argues for a broad based challenge that can meet it on its own scale It probes many of the key challenges we face in the new millennium and is a useful read for students of politics and globalization

Judging Rights Kirstie M. McClure,2018-09-05 Kirstie McClure offers a major reinterpretation of John Locke s thought that is important not only for the light it sheds on Locke but also for the questions it raises about liberalism and rights based theories of politics Sensitive to the range of interpretative and political issues that Locke s work raises McClure s analysis is impressive for its balance and subtlety and for her command of the enormous literature on Locke Between the Restoration and the Glorious Revolution between Two Tracts on Government of 1660 and Two Treatises on Government of 1690 Locke subjected the idea of civil power to increasing scrutiny In one generation he moved from supporting order for its own sake to defending resistance and ended with a profoundly modern epistemology McClure suggests that Locke s concepts of government by consent equality rights and the rule of law were embedded in his theistic cosmology While Locke may well have been a constitutionalist his theoretical concerns were far broader than any legal or constitutional interpretation of his work might suggest To make this claim she explains is to deny neither the significance of rights nor the importance of institutions and consent in Locke s theoretical production Rather it is to insist that such themes are merely parts of a more comprehensive theoretical project the focus of which bluntly stated in the Second Treatise was to understand Political Power right

Radicalism And Reverence The Political Thought Of Gerrard Winstanley Introduction

In today's digital age, the availability of Radicalism And Reverence The Political Thought Of Gerrard Winstanley books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Radicalism And Reverence The Political Thought Of Gerrard Winstanley books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Radicalism And Reverence The Political Thought Of Gerrard Winstanley books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Radicalism And Reverence The Political Thought Of Gerrard Winstanley versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Radicalism And Reverence The Political Thought Of Gerrard Winstanley books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Radicalism And Reverence The Political Thought Of Gerrard Winstanley books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Radicalism And Reverence The Political Thought Of Gerrard Winstanley books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Radicalism And Reverence The Political Thought Of Gerrard Winstanley books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Radicalism And Reverence The Political Thought Of Gerrard Winstanley books and manuals for download and embark on your journey of knowledge?

FAQs About Radicalism And Reverence The Political Thought Of Gerrard Winstanley Books

1. Where can I buy Radicalism And Reverence The Political Thought Of Gerrard Winstanley books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Radicalism And Reverence The Political Thought Of Gerrard Winstanley book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Radicalism And Reverence The Political Thought Of Gerrard Winstanley books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing.

Radicalism And Reverence The Political Thought Of Gerrard Winstanley

Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
