Reflections Of-- Little Cougar Little Cougar,1995 *Reflection Point* Emily March,2013-03-26 In beloved author Emily March s novel about a special place and its remarkable residents a woman betrayed by life discovers the healing power of love in Eternity Springs Savannah Moore arrives in Eternity Springs alone determined to put her troubled past behind her Her handcrafted soap shop fits right in with the magic of this warm and welcoming community but the sexy suspicious local sheriff promises to upset her hard won happiness Zach Turner knows this woman means trouble Maybe to his town Possibly to his friends Definitely to his heart Something about this simmering Southern beauty does crazy things to his committed bachelor status taunting him with possibilities far beyond his dedication to his sometimes dangerous job So when Savannah s dark past follows her to town wreaking havoc with both their lives Zach will fight for all he s worth for a love he can t afford to lose Includes an excerpt from Emily March s Eternity Springs novel *Miracle Road* Praise for Emily March and *Reflection Point* Eternity Springs is a small town in the Colorado Rockies populated with people I delight in visiting again and again New York Times bestselling author Susan Mallery With passion romance and revealing moments that will touch your heart March takes readers on an unhurried journey where past mistakes are redeemed and a more beautiful future is forged one miracle at a time USA Today The matchmakers are at it again in Eternity Springs and with a bit of angel dust will help the hero and heroine discover the healing power of love All the characters are wonderfully complex and the surprise involving one of them is nicely done Readers will be eager to reach the end yet sad to get there RT Book Reviews *Reflection Point* is a sweet heartwarming novel that will leave you feeling giddy Joyfully Reviewed For a wonderful read don t miss a visit to Eternity Springs New York Times bestselling author Lisa Kleypas March has a way of touching something soul deep in each of her characters and bringing that feeling to life with every word *Coffee Time Romance* **Reflection** Becky Klauer,2020-10-28 The threat of a terrorist attack Confusing dreams Pesky demons Multiple puzzles An alleged Halloween deadline What do all of these things have in common Veronica Pearl As Agent Pearl she is the Special Investigative Consultant for the Southwest Region specializing in fighting terrorism and counter terrorism by day As Veronica she is plagued by fighting demon counterparts in her dreams by night sometimes because they have to do with a case she is working sometimes because demons simply don t like her She is a busy lady Her newest case begins accidentally at first glance What appears to be a large outbreak of food poisoning at a local mall food court is just the beginning of the puzzle In addition to her favorite and only niece being too close for comfort to that event there is also considerable chatter about an upcoming terrorist attack If what she uncovered is accurate the planned attack on San Antonio her beloved home would be like nothing she has ever seen before using a bioweapon she never could have even imagined Marrying scientific advancements with real life needs is a huge benefit to society Of course everything can be twisted away from good towards evil but how could somebody plan something like this Why would they want to hurt innocent people in order to benefit

themselves And just how wide does the terror web spread The heads of two biotech companies in San Antonio appear equally guilty and able to conspire about something like this Is the attack allegedly planned for Halloween night when so many children and adults will be out in public and susceptible to harm It will take an entire team to figure out this threat that has been years in the making and stop it before the world as she knows it changes irreversibly *The Cougar's Prey* Larry D. Sweazy,2011-10-04 Assuming a secret identity Josiah Wolfe investigates a slew of thefts that are leaving the local ranchers of Corpus Christi angry as hell After four long months away from home Josiah will have to bring the leader of the raids to justice if he ever wants to return home to his family Cougar's Gold Eleane Lorman,2020-09-17 Cougar s Gold tells the story of a young man named Marcus and his struggles to overcome poverty He later fights to gain independence from an imbalanced manipulative relationship with his sponsor a woman who was as old as his mother Marcus is ambitious and highly motivated in his desires to become a lawyer Unfortunately the magnitude of poverty around him made his dreams seem like fairytales But fairytales create hope for dreamers So Marcus was not deterred by obstacles He also planned to get his relatives out of their disadvantaged position as he worried about their safety in the Government forsaken inner city community But he needs cooperation and everyone does not share his dreams The idea of ask and it will be given made it appear that the Universe was paying keen attention to Marcus wishes as through minimal efforts he got an opportunity to exit his community He took the opportunity with hope of making his life of poverty a forgotten reality There were many lessons to be learned as Marcus worked towards independence He did not know that the road to success would be fraught with adversities Marcus became disillusioned as he learned the sad truth that one can indeed exit the realms of poverty but the price tag is always attached and the cost varies For Lexi has invested heavily in him and intends to get much more than her moneys worth Will Marcus be able to fill her insatiable appetite for sex money and blood **Through Cougar's Eyes** David Raber,2025-10-16 David Raber first saw Cougar when the mountain lion was an eight week old kitten on display locked up in a toaster size cage and poked and prodded by a crowd Raber took him out held him and just couldn t put him back He made four promises that day one no more petting out of respect for Cougar two no more cages three he would educate the public against exotic animal ownership and four he would make Cougar happy and this has become a twenty four hours a day learning process and a duty that he adores Being the only large cat in the country who is federally licensed without a cage Cougar strides down streets roams hotel lobbies enters competitions and even films a Puma Sportswear ad with several Olympic gold medalists As the official poster model for the Iams pet food company Cougar has been seen by millions Together Raber and Cougar are a team and in this book Raber recounts their many adventures He teaches Cougar about elevators switches and doors while saving him from bullets and speeding cars and Cougar teaches him about deer opossum and squirrels while rescuing him from alligators and raging rivers In helping each other they share their weaknesses and become strong Beautiful and touching entertaining and provocative Through Cougar s Eyes is a love story that dispels the prevalent and presumptuous thinking

that mankind and wildlife can't get along This true story depicts sacrifice and dedication with a message relating well to animals can set you both free

The Naturalist Darrin Lunde, 2017-04-11 Winner of the inaugural Theodore Roosevelt Association Book Prize A captivating account of how Theodore Roosevelt's lifelong passion for the natural world set the stage for America's wildlife conservation movement and determined his legacy as a founding father of today's museum naturalism No U.S. president is more popularly associated with nature and wildlife than is Theodore Roosevelt prodigious hunter tireless adventurer and ardent conservationist We think of him as a larger than life original yet in *The Naturalist* Darrin Lunde has firmly situated Roosevelt's indomitable curiosity about the natural world in the tradition of museum naturalism As a child Roosevelt actively modeled himself on the men including John James Audubon and Spencer F. Baird who pioneered this key branch of biology by developing a taxonomy of the natural world basing their work on the experiential study of nature The impact that these scientists and their trailblazing methods had on Roosevelt shaped not only his audacious personality but his entire career informing his work as a statesman and ultimately affecting generations of Americans' relationship to this country's wilderness Drawing on Roosevelt's diaries and travel journals as well as Lunde's own role as a leading figure in museum naturalism today *The Naturalist* reads Roosevelt through the lens of his love for nature From his teenage collections of birds and small mammals to his time at Harvard and political rise Roosevelt's fascination with wildlife and exploration culminated in his triumphant expedition to Africa a trip which he himself considered to be the apex of his varied life With narrative verve Lunde brings his singular experience to bear on our twenty-sixth president's life and constructs a perceptively researched and insightful history that tracks Roosevelt's maturation from exuberant boyhood hunter to vital champion of serious scientific inquiry
