Spectacular Fern Michaels,2025-09-30 In an adventure filled holiday treat from New York Times bestselling author Fern Michaels Frankie Amy Rachael and Nina aka Santa s Crew reunite to put a stop to some real life Grinches with a little help from their new friends in the Sisterhood Christmas is so much more than tinsel lights and mistletoe For onetime high school pals Amy Frankie Rachael and Nina being together for the holidays has become a cherished tradition whether they re taking a trip or staying close to home There s something special about giving back during the holiday season too which is why Frankie is so dismayed when she learns that Salvation Army buckets are being pilfered all over town Amy Rachael and Nina quickly agree to help her track down the thieves It might not be their usual gathering but it promises to be an adventure especially when they bump into two women on a very similar quest Annie and Myra have learned that a shipment of children s toys they sent to a charity event in New York City has been stolen It looks like the thefts are connected and it s the kind of injustice that the ladies of the Sisterhood simply can t abide On a madcap spree through the city the two groups join forces to find the bandits save Christmas and along the way make this a holiday to remember for all the right reasons Santa

Marguerita's Winery A. J. Kretzmar,2014-07-14 Santa Marguerita s Winery is a play a mystical musical journey that has a bit of everything violence mystery romance intrigue combined into a quirky modern day romp *New Old-fashioned Ways* Jack Santino,1996 Every year as each holiday rolls around American popular culture is suddenly awash in images associated with that festivity While Christmas has been the most obviously commercialized celebration Halloween Easter the Fourth of July Hanukkah Thanksgiving and Valentine s Day are also reflected in the offerings of the mass media and consumer products

industries This book is the first in depth investigation of the myriad ways in which traditional holidays are both manifested and exploited in a commercial consumerist society Jack Santino s analysis encompasses everything from movies to romance novels from television shows to comic books One especially fascinating feature of this study is its examination of the packaged foods industry and the manner in which soft drinks beer snack cakes cookies candy and breakfast cereals are regularly repackaged to reflect particular holidays In what becomes a central theme of the book Santino shows how holidays give companies the opportunity to create an illusion of novelty for products that otherwise remain unchanged over time For example the holiday Chips Ahoy cookies or Halloween Oreos differ only in their appearance from the everyday products but they assume a quality of uniqueness through their association with a special time of the year Throughout the book Santino examines the logic by which commercial culture and holidays are linked Halloween for instance with its traditional symbolism of death evil and monsters has served as a theme for heavy metal music and slasher films This in turn has led to some interesting transmutations as one text borrows from another in the wake of a commercial success When John Carpenter s pioneering 1978 slasher film Halloween became a box office hit it was perhaps inevitable that other holiday based slasher films New Year s Evil April Fool s Day and Silent Night Deadly Night would follow Copiously illustrated New Old Fashioned Ways is at once entertaining and informative a treat for general readers as well as an important work for scholars in a variety of fields including communications folklore anthropology sociology and business
