Satanism Bob Passantino,Gretchen Passantino,2016-09-06 Belief in Satan worship is often viewed as an embarrassing throwback to the superstitions of another time And selling your soul to the Devil Nothing more than an overworked theme in literature and opera To the contrary Bob and Gretchen Passantino show how in the midst of prevailing attitudes of skepticism and disbelief Satanism has made unprecedented inroads into our society **Biblical Demonology** Merrill F.

Unger,1994-04-15 The supreme merit of Biblical Demonology is that it holds closely to the Word of God It will remain for many years to come the standard treatment of biblical demonology Dr Wilbur M Smith The New Day Experience Part Iii Daniel J.  price to remove his anger against the humankind who offended him He wanted to see in that price a death with bloodshed as
 evidence demonstrating a sacrifice for the forgiveness of the sinners For God all sinners had to die So when Jesus died the
 corpse of Jesus represented the corpse of all sinners God was satisfied when he saw the corpse of Jesus God put in his mind
 that he had killed all mankind The punishment was then given and the problem between him and the humankind was
 resolved Jesus Christs corpse has ability to be the price required by God His blood as a killed sacrifice is the evidence of the
 death required by God The blood of animals was not needed in the mankinds salvation process The blood required by God
 was to be a mankinds blood This blood had to come from the death of a perfect person perfect as God himself The problem
 was only to be solved by the blood of God himself because only God is perfect But God could only die by taking human form
 that is why the Second Person of the Trinity Jesus Christ descent to earth to die in the place of humankind through an
 agonizing death at the cross of Golgotha and therefore he paid the price required by God Then God died as self substitution
 for men He was God man In beliefs of different world religions we cant find any other god who died for people Only God in
 whom Christians believe in died for humankind and he had risen He is alive Only the Faith in God propitiated for sinners is

Smith,2003-11-07

With Willful Intent A Theology of Sin is a full orb ed examination of sin and the human Fall Its intention is to provide the reader student with both the materials and methodology to formulate his or her own biblically based theology of sin The book is arranged in four sequential sections to guide the reader through the process of theological development The first section A Historical Theology of Sin furnishes a detailed outline of Christian thought on sin from the time of the early church to the present day These chapters will help the reader to understand why so many differing views of sin and the Fall exist The second section A Biblical Theology of Sin is the keystone of theological formulation It apprises the student of the biblical teaching on the human Fall and its subsequent ramifications Because believers hold the Bible to be the fully inspired all sufficient Word of God what it says about sin must be determinative in one s development of a theology of sin The third section A Systematic Theology of Sin seeks to synthesize the teaching of the Bible while drawing on the insights of history science and the social sciences Topics covered include the nature of sin its universality its transmission its relationship to Satan and the demonic and its conquest through Jesus Christ Any theology is worthless if it cannot be related to daily living The conclusion A Practical Theology of Sin demonstrates how the theology which has been formulated may be applied to the individual life of the believer and to the church s ministry *The Coming Storm* ,E.A.Smith,2019-11-07 To see certain events begin to unfold across the land across the world is very sobering The Lord said Watch and pray The total demise of humanity brought on by Satan will unfold in the end of many a souls asking WHO IS THIS MAN The Coming Storm The combining of the business federation and the ecclesiastical system An emergence of one as Phillip Mauro expresses a consolidation a syndicate or merger a mammoth monopoly a titanic trust which shall absolutely control the marketing of all commodities in so much that no one will be able to engage in any commercial operation whatsoever except under the sanction of the trademark of the beast The Great Tribulation is God taking vengeance on an unbelieving world The severity of these unspeakable horrors of Gods wrath is equal to the disdain and outright rejection of Gods dear dear Son Jesus Christ The denial runs rampant as these plagues indicate **The Gospel in Job** Yannick Ford,2007 Yves Yannick Ford was born in 1969 and spent his childhood in Buckinghamshire UK His parents and grandparents taught him the importance and value of the Bible as the Word of God and it was through reading and re reading the Epistle to the Romans that Yannick found settled peace and assurance of salvation as a young man He studied biochemistry and works as a scientist in Kent UK where he lives with his wife and four children He is keen for others to read the Bible and experience its life changing power too since it is living and powerful and sharper than any two edged sword Hebrews 4 12 and God uses His Word to cause us to be born

again James 1 18 1 Peter 1 23 This is one of the purposes of the commentary on Job to show how all through the Bible there is one message of salvation and how we can enter into a relationship of peace and joy with God through the work of the Lord Jesus Christ A second objective is to show how the lessons that Job learned can teach us not to rely on ourselves but to trust in the Lord Jesus who has not only forgiven our sins but has also dealt with our sinful nature and gives us the power to live a life that is pleasing to Him The author takes up the points made by Job and his friends in their long series of speeches and shows how these can be understood in the light of the Bible as a whole

Winning Workplace Wars Rev Emmanuel Oghene-Emmanuel, 2024-12-17 Life they say is a battlefield from birth to death Workplace is where man tries to earn a living and there is a constant struggle for survival there like in any other part of life As a shepherd in training David battled wild animals to protect his father's flock that he was looking after When God took him from there to become king of Israel he had to wage another kind of battle It was where the priest Ahimelech was doing his legitimate job that David and Doeg visited and that visit led to the cutting short of Elimelech's life alongside that of his family and relatives and their possession in a single day This is even though he was engaged in God's work or sacred service rather than secular work Ecclesiastes 10 9 means there is life threatening risk in all human endeavours anywhere under the sun Luke 24 19 20 and Acts 10 38 29 say the fact that Jesus spent all His time going about doing good did not stop some from battling Him to death before God raised Him to life after three days I Samuel 7 8 9 and 1 Chronicles 17 7 8 say the journey from humble background to greatness is fraught with enemies who must be battled and defeated that require God's intervention to remove the enemies for the journey to be successful If God had not intervened David would not have completed his victoriously

Satan is No Myth J. Oswald Sanders, 1975 One of the most disturbing trends today is the increasing interest in the occult In the introduction Sanders says Satan is no myth It would be difficult to refute Baudelaire's contention that the Devil's cleverest ruse is to make men believe that he does not exist The immediate result of the Church's neglect has been that large numbers have swept into the vortex of this revival of the occult and few voices are raised to alert people to its significance Combining numerous quotations illustrations and scriptural studies this book explores the origin fall names nature authority overthrow
