

plausible in view of the Soviet leadership's growing awareness of the need to make some allowance, however slight, for the expectations of civil society and to provide it with a certain standard of living, which was one of the ambitions of the "new course", the liberalization policy launched in 1953. This could explain why, after the ICRC was able to step into the breach, as it were, in 1956 because of the prevailing confusion, the new authorities allowed it to continue with its work.

This research, which covers a little known and unfamiliar area of humanitarian assistance, is enlightening on more than one account. The book is well documented, written in a lively style and sets the ICRC's work in its historical context. It also describes an aspect of the institution that usually remains concealed: the decision-making process, the different suggestions made by delegates or Committee members, the various options envisaged, the steps finally taken, etc. It is interesting, for example, to be informed of the many occasionally circuitous means devised and in some cases adopted in an attempt to visit the prisoners at last. To sum up, the book is not only an incisive portrayal of an exceptional operation but also sheds broader light on the activities of the ICRC, and will be of interest to all who wish to know more about its operational procedures.

Olivier Paye, *Sauve qui veut? Le droit international face aux crises humanitaires*, Collection de droit international No. 31, Éditions Bruylant/Éditions de l'Université de Bruxelles, Brussels, 1996, 315 pp.

This interesting book of some 300 pages by Olivier Paye, a lecturer at the Social, Political and Economic Sciences Faculty of the Free University of Brussels and the Law Faculty of the Facultés universitaires de Saint-Louis (Brussels) and a member of the academic staff of the International Law Centre of the Free University of Brussels, is devoted to the relationship between contemporary international law and activities whose purpose is to provide humanitarian relief.

Sauve Qui Veut Le Droit International Face Aux Crises Humanitaires

Robert Kolb, Richard Hyde

Sauve Qui Veut Le Droit International Face Aux Crises Humanitaires:

An Introduction to the International Law of Armed Conflicts Robert Kolb, Richard Hyde, 2008-09-17 This book provides a modern and basic introduction to a branch of international law constantly gaining in importance in international life namely international humanitarian law the law of armed conflict It is constructed in a way suitable for self study The subject matters are discussed in self contained chapters allowing each to be studied independently of the others Among the subject matters discussed are inter alia the Relationship between jus ad bellum jus in bello Historical Evolution of IHL Basic Principles and Sources of IHL Martens Clause International and Non International Armed Conflicts Material Spatial Personal and Temporal Scope of Application of IHL Special Agreements under IHL Role of the ICRC Targeting Objects Specifically Protected against Attack Prohibited Weapons Perfidy Reprisals Assistance of the Wounded and Sick Definition of Combatants Protection of Prisoners of War Protection of Civilians Occupied Territories Protective Emblems Sea Warfare Neutrality Implementation of IHL

Human Rights, Intervention, and the Use of Force Philip Alston, Euan Macdonald, 2008-09-11 This collection presents an analysis of the imperatives of sovereignty human rights and national security in the post 9 11 era and examines their relationship to procedural and substantive legitimacy in liberal democratic states

The Law Against War Olivier Corten, 2021-07-29 Praise for previous edition a comprehensive meticulously researched study of contemporary international law governing the use of armed force in international relations Andrew Garwood Gowers Queensland University of Technology Law Review Volume 12 2 When this first English language edition of *The Law Against War* published it quickly established itself as a classic Detailed analytically rigorous and comprehensive it provided an indispensable guide to the legal framework regulating the use of force Now a decade on the much anticipated new edition brings the work up to date It looks at new precedents arising from the Arab Spring the struggle against the Islamic State in Iraq and Syria and the conflicts in Ukraine and Yemen It also reflects the new doctrinal debates surrounding recent state practice Previous positions are reconsidered and in some cases revised notably the question of consensual intervention and the very definition of force particularly to accommodate targeted extrajudicial executions and cyber operations Finally the new edition provides detailed coverage of the concept of self defense reflecting recent interpretations of the International Court of Justice and the ongoing controversies surrounding its definition and interpretation

The State Versus the Individual Katariina Simonen, 2011-07-27 The question of humanitarian intervention s legality remains unanswered to date This book offers a new approach to the legality issue by combining legal theory and international law With humanitarian intervention hard choices still have to be made by the international lawgiver

Finnish Yearbook of International Law, 1999 Jarna Petman, Martti Koskenniemi, 2002-04-01 Despite its Finnish initiative and pedigrees the Finnish Yearbook of International Law does not restrict itself to purely Finnish topics On the contrary it reflects the many connections in law between the national and the international The Finnish Yearbook of International Law annually publishes articles of high quality dealing with all aspects of

international law including international law aspects of European law with close attention to developments that affect Finland Its offering include longer articles of a theoretical nature exploring new avenues and approaches shorter polemics commentaries on current international law developments book reviews and documentation of relevance to Finland s foreign relations not easily available elsewhere The Finnish Yearbook offers a fertile ground for the expression of and reflection on the connections between Finnish law and international law as a whole and insight into the richness of this interaction

Between Ethics and Politics: Lessons from Biafra Tobe Nnamani, 2016-06-08 Although many years have elapsed since the demise of Biafra it still remains an intractable unfinished business that seriously threatens the corporate existence of Nigeria Most of the literature on Biafra tended to dwell more on the historical and political analysis of the war and how the factors that engendered it could be tackled It appears however that no ethical analysis of the issues involved in the Biafran war has been carried out in any significant academic endeavour hence the reason and need for a critical analytical survey of the ethical and political implications of the role of the world community in the unprecedented events that took place in Biafra The purpose of this book is first to understand the twist and turns of the events and issues involved in the Biafran crisis and the role the international community played in the war Second is to articulate the complex nature of humanitarian intervention and to stress the relevance of ethics its interpenetration and tandem relationship with international relations on a broader level and in particular humanitarian intervention as a foreign policy action The main claim of our argument is that ethics is part and parcel of international relations Divorcing ethics from international relations leads to amorality that threatens the world order In other words it is argued that ethical considerations should guide international affairs and the undertaking of humanitarian intervention Behind this basic thesis the book defends the idea of a global ethic Global ethic means an ethic which acknowledges respect for human life and the interconnectedness and interdependence of all human beings It is an ethic which transcends the circumscribed confines of national boundaries and economic and geopolitical interests and opens them up to the larger urgent need well being peaceful coexistence and sustainability of the larger world community Tobe Nnamani

Droit international et argumentation Jean Salmon, 2014-06-05 L ouvrage rassemble une vingtaine d articles que Jean Salmon a crits au cours des ann es et qui se consacrent la place et au r le de l argumentation en droit international Ces r flexions se situent la crois e des enseignements du philosophe Cha m Perelman sur la rh torique et ceux de l internationaliste Charles Chaumont sur les contradictions en droit international Le droit entend conformer les faits d existence du devoir tre il le fait par un langage exprim dans le cadre d un syst me et d institutions qui elles m mes sont domin es par les contradictions entre les valeurs et les aspirations des tats cr ateurs par leurs volont commune ou antagonistes des r gles qui les gouvernent L ordre juridique qui en r sulte n est ni clos ni complet il est lacunaire permet l esquive Il est fond fr quemment sur un langage ambigu faisant une place importante aux notions confuses La solution des antinomies n est pas ais e en raison de l absence d hi rarchie entre les r gles ou entre les organes charg s de les r soudre La

qualification unilatérale reste majoritaire l'idologie affichée ou occultée dominante Dans un tel contexte l'argumentation quoique soumise ces contraintes et aux rapports de force est présente chaque moment de la vie du droit sa création son interprétation son application au cas concret ou son évolution L'identification de l'auditoire que l'on désire convaincre le choix des arguments susceptibles d'y parvenir sont essentiels N'anmoins la prétention que le raisonnement juridique est prisé par le syllogisme judiciaire est largement illusoire La motivation du juge international essentielle pour régler les conflits tant elle même une argumentation qui doit convaincre est un exercice d'autant plus délicat

L'élément factuel dans le contentieux international Saïda El Boudouhi, 2013-09-12 Personne ne contestera que le juge international est autant juge du fait que juge du droit En revanche il est sans doute moins évident d'affirmer que le juge construit le fait autant qu'il construit le droit par son interprétation Partant de cette hypothèse l'auteur démontre que le pouvoir normatif du juge vient se greffer sur le fait autant que sur le droit Il s'agit d'apporter un éclairage nouveau sur la fonction juridictionnelle travers le prisme du fait Le pouvoir normatif objet de l'étude est alors celui qu'exerce le juge non l'occasion de l'interprétation du droit mais au moment du traitement des faits Les opérations d'interprétation et de sélection des faits sont d'abord identifiées parallèlement la qualification juridique comme les principaux outils de traitement judiciaire des faits L'auteur recherche ensuite leur manifestation dans les différents moments du procès On découvre alors que le juge exerce son pouvoir normatif sur les faits aussi bien au moment de la preuve principalement travers le recours aux présomptions et aux experts qu'au moment de la qualification juridique des faits travers l'analyse de celle-ci c'est la place et le rôle de l'élément factuel dans le raisonnement judiciaire qui sont appréciés Il apparaît ainsi qu'il existe deux grandes catégories de faits intervenant dans le procès international les faits d'application du droit et les faits de détermination du droit L'ouvrage s'adresse toute personne s'intéressant la fonction juridictionnelle aussi bien internationale qu'interne car si les juridictions internationales sont le principal objet d'analyse certaines conclusions sont aisément transposables au juge interne Il retiendra également l'attention aussi bien des praticiens conscients de l'importance des faits dans la procédure judiciaire que des universitaires s'interrogeant sur des aspects plus théoriques de la fonction juridictionnelle

Droit international public - 15e éd. Yann Kerbrat, Pierre-Marie Dupuy, 2020-08-19 Les sujets du droit international public les modes de formation de ses normes leurs conditions d'application domaines d'intervention et leurs finalités sont les grands thèmes traités dans cet ouvrage devenu une référence Cette nouvelle édition intègre les enseignements de la jurisprudence internationale et de la pratique internationale des deux dernières années En dépit de la crise du multilatéralisme qui s'est encore accentuée depuis 2018 les juridictions internationales ont fait montre de constance parfois d'audace en particulier s'agissant de la situation des Rohingyas au Myanmar Il en sera fait état dans cette nouvelle édition Celle-ci comportera en outre un chapitre introductif sensiblement renouvelé pour tenir compte des changements profonds que connaissent la société internationale et l'ordre juridique international depuis quelques années Ce panorama complet du droit international public pourra être utilement complété par le

recueil des Grands textes de droit international public des mêmes auteurs **La responsabilité de protéger** Nabil Hajjami, 2013-10-11 La responsabilité de protéger est un concept issu des travaux de la Commission internationale de l'intervention et de la souveraineté des États créée en 2000 à l'initiative du Canada elle a cherché à passer les controverses inhérentes aux débats relatifs au droit d'intervention humanitaire Aux fins d'atteindre cet objectif la Commission a forgé un nouveau concept la responsabilité de protéger qui permet de concilier plutôt qu'opposer les notions de souveraineté et d'intervention Depuis lors la responsabilité de protéger a fait l'objet de vives controverses en droit international Intégrée dans une résolution de l'Assemblée générale de l'ONU en septembre 2005 appliquée par le Conseil de sécurité lors des crises en Côte d'Ivoire et en Libye de mars 2011 le concept se trouve aujourd'hui au centre des débats se rapportant au cadre juridique de la protection des populations civiles Le présent ouvrage entend examiner les différentes implications juridiques de la responsabilité de protéger en optant pour une démarche résolument positiviste La réflexion proposée tente d'en embrasser les différents aspects tant conceptuels qu'opératoires aux fins d'aboutir à une étude globale synthétique et actualisée du concept Partant d'une interrogation commandant l'ensemble de la réflexion l'émergence de la responsabilité de protéger a-t-elle en droit international permis une amélioration de la protection des populations civiles L'ouvrage se destine aux étudiants en droit et en sciences politiques ainsi qu'aux universitaires dont les recherches portent sur le droit international public le droit humanitaire et le droit de la sécurité internationale Il pourra également intéresser toute personne diplomate journaliste candidats aux concours de la fonction publique etc s'intéressant à un concept clé des relations internationales contemporaines

Théorie et pratique de la reconnaissance d'État Eric Wyler, 2013-07-05 L'heure de la gouvernance globale et l'émergence de nouveaux acteurs dans les relations internationales et la production du droit international il peut paraître surprenant de réexaminer le phénomène de la prise en compte de la naissance d'un État par la reconnaissance Pourtant l'état n'est pas mort faute probablement d'une alternative crédible ainsi qu'en témoigne l'incessante quête de reconnaissance des entités statiques en formation illustrée par les mutations en ex Yougoslavie en ex URSS ou plus récemment au Kosovo et au Soudan L'ouvrage propose une étude globale de la reconnaissance d'un État institution essentielle dans les relations internationales en raison de l'absence d'une juridiction obligatoire et centralisée appelée à trancher de cas en cas toute controverse juridique notamment celle liée à la naissance d'un État au sens du droit international Le point de vue adopté montre que la reconnaissance d'un État n'est pas qu'une décision politique des gouvernements mais a des effets juridiques d'ordre passant la volonté de ses auteurs et d'être terminée par le droit international lui-même en fonction du contexte spécifique d'émergence d'une nouvelle entité et des interactions entre celle-ci les organisations internationales et tous les États de la communauté internationale L'ouvrage servira la pratique des avocats internationalistes des magistrats des organisations internationales des diplomates et hauts fonctionnaires ainsi que des professeurs chercheurs et étudiants en droit international **Les historiens africains et la mondialisation -Actes du 3e congrès international (Bamako 2001)** ,2005-05-01 Les contributions présentées au congrès de Bamako ouvert aux

historiens de toutes origines s'articulent au-delà de leur grande diversité autour de quelques grandes préoccupations. Elles tentent d'abord d'établir un bilan critique de l'historiographie africaine de ces dernières années suscitant ainsi le débat sur l'exercice du métier d'historien et son utilité éventuelle.

Netherlands International Law Review, 1995 **Sauve qui veut?** Olivier Paye, 1996 **Humanité, humanitaire** Olivier Abel, 1998

Au cours de l'année 1996-97 l'école des Sciences philosophiques et religieuses a organisé une conférence et une journée d'études axées sur ce couple de notions qui condensent nombre de questions fondamentales de notre temps. Les profondes tribulations de notre époque semblent bien liées au déclin des références absolues et des idéologies séculaires, mesées et monolithiques. Mais au désenchantement moral et au désarroi de la pensée que redoublent les incertitudes économiques et politiques répondent un peu partout une protestation et un refus du fatalisme qui se traduisent sous la forme de la réflexion critique et sous la forme plus spectaculaire sans doute de l'action animée d'une volonté de transcender les particularismes et l'egoisme frileux. Un nouvel langage naît du risque d'aventure même surgit au nom d'idéaux humanitaires. Cette effervescence d'initiatives force à revenir sur le sens de ces idéaux qui au fond de manière explicite ou confuse en appellent la valeur nodale d'humanité. L'action humanitaire autant pour ceux qui la portent sur le terrain de la détresse du désarroi et de la souffrance que pour ceux qui la soutiennent de plus loin comporte évidemment des enjeux politiques, juridiques, philosophiques, éthiques, économiques et culturels d'une telle ampleur qu'il faut s'accorder du temps pour la penser. Une telle exigence de pensée ne peut en l'occasion prendre réellement forme sans le débat et le dialogue. C'est d'un tel travail de fond que témoigne cet ouvrage. La notion d'humanité y trouve à interroger à partir des contradictions, des ambiguïtés et des effets paradoxaux des actions humanitaires et des débats juridiques ou économiques qui tentent de s'en inspirer.

La protection des intérêts juridiques de l'État tiers dans le procès de délimitation maritime Lorenzo Palestini, 2020-09-28

Qui dit État tiers au procès de délimitation maritime dit avant tout risque d'empiéter sur les espaces susceptibles d'appartenir à ce dernier. L'empiètement se produit lorsque avant d'atteindre l'extrémité de la délimitation retenue par les juges ou arbitres ce sont les espaces maritimes de l'État tiers et non plus ceux des Parties au procès qui risquent d'être pris entre de part et d'autre de la ligne. Dans la mesure où tout État tiers peut entre autres revendiquer des espaces maritimes situés jusqu'à 200 milles marins de son littoral tels que la zone économique exclusive et le plateau continental, il en découle que bien souvent trois voire quatre projections contestées finissent par se superposer sur un seul et unique espace maritime. Ce chevauchement de titres d'origine d'une pluralité de différends engendre le risque d'empiètement mais aussi d'autres difficultés aux stades par exemple de l'identification de la zone pertinente aux fins de délimiter et de la vérification de l'absence de disproportion marquée entre les espaces attribués à chacune des Parties. La procédure Assurément en présence de tiers le procès de délimitation maritime est un sentier semé d'embûches où le risque de commettre un faux pas est particulièrement tangible. Si les conflits en mer de Chine méridionale et dans l'Arctique témoignent de l'actualité du sujet, il convient de souligner que cette problématique survient dans tous les océans et mers du monde. L'importance du sujet ne peut d'ailleurs que croître à l'avenir.

car ce sont justement les différends maritimes impliquant plus que deux États qui ont tendance se perpétuer dans le temps. L'ouvrage met en lumière une attitude au demeurant contradictoire. D'un côté la jurisprudence se montre favorable à la prise en considération des intérêts des États tiers. Cela témoigne de la reconnaissance du fait que le principe de la relativité de la chose jugée offre une protection tout compte fait insuffisante aux tiers. D'un autre côté cependant la Cour internationale de Justice adopte une approche trop restrictive en matière d'intervention. Ceci atteste d'une politique judiciaire qui s'enferme dans une logique bilatérale, notre sens de place et contreproductive.

Bibliographie Mensuelle. Partie I, Livres, Documents Officiels, Publications en Série United Nations Library (Geneva, Switzerland), 1997

Bibliographie de la Cour Internationale de Justice, 1996

A Verdadeira Guerra - A Invasão da Ucrânia e a Defesa Nacional Portuguesa Nuno Rogeiro, 2023-09-01. Uma visão panorâmica da invasão da Ucrânia e uma reflexão profunda sobre as suas consequências na defesa nacional portuguesa. A análise geopolítica estratégica tática e de Direito Internacional a descrição pormenorizada dos aspectos técnicos da guerra a revelação de factos desconhecidos a partir de documentos e testemunhos até agora confidenciais o traçar dos cenários de evolução mais plausíveis e o comentário detalhado sobre protagonistas visíveis ou discretos. O primeiro livro sobre o conflito que engloba todas as evoluções e subterfúgos recentes.

Sauve Qui Veut Le Droit International Face Aux Crises Humanitaires Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sauve Qui Veut Le Droit International Face Aux Crises Humanitaires PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Sauve Qui Veut Le Droit International Face Aux Crises Humanitaires PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and

intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sauve Qui Veut Le Droit International Face Aux Crises Humanitaires free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Sauve Qui Veut Le Droit International Face Aux Crises Humanitaires Books

What is a Sauve Qui Veut Le Droit International Face Aux Crises Humanitaires PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sauve Qui Veut Le Droit**

International Face Aux Crises Humanitaires PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sauve**

Qui Veut Le Droit International Face Aux Crises Humanitaires PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sauve Qui Veut Le Droit International Face Aux Crises Humanitaires PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sauve Qui Veut Le Droit International Face Aux Crises**

Humanitaires PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic

PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file?
