Save Perfection For Heaven:

I Am Saved and Yes, I Am Perfect Herman Bauman, 2011-06-14 This book is a collection of sermons preached by Herman Bauman during his 45 years of full time ministry It was always his desire to help people know that they can have assurance of salvation and be certain that they are accepted by God That message shines through in these messages preached in many different places and for many different occasions Herman with his wife Janice a nurse served in the South New England the Midwest the Northwest and the Southwest as well as in Nigeria West Africa It is his prayer that you will be blessed and given hope and assurance as you read these messages *Heaven's Formula For Saving The World* Woo Myung, 2013-07 Heaven's Formula For Saving The World is an excellent read for those looking to broaden their consciousness Simply put this book provides a road map for how to live It transcends all paradigms and explains about Truth from the place of Truth Woo Myung bestselling author about Truth attained enlightenment after deep introspection about life and existence His award winning books are loved by many for their straightforward and simple explanations to age old questions that span all continents and generations Author's official website www.woomyung.org [Saving the Original Sinner](#) Karl W. Giberson, 2016-05-10 A scientist and former evangelical argues that holding onto a belief in a literal historical Adam has forced many Christians to reject science and become intellectually isolated from the modern world The Bible's first man stands at the center of a crisis that is shaking much of Christianity In the evangelical world scholars have been ostracized and banished from their academic communities for endorsing a modern scientific understanding of the world even as they remained strong Christians Self appointed gatekeepers of traditional theology demand intellectual allegiance to an implausible interpretation of the Genesis creation story insisting that all humanity must be descended from a single perfect human pair Adam and Eve Such a view is utterly at odds with contemporary science It wasn't always this way Karl Giberson spotlights the venerable tradition of Christian engagement with new knowledge and discoveries When global exploration anthropology geology paleontology biblical studies and even linguistics cast doubt on the historicity of Adam and his literal fall into sin Christians responded by creatively reimagining the creation story letting Adam evolve to accommodate his changing context Even conservative evangelical institutions until recently encouraged serious engagement with evolutionary science unhindered by the straitjacket of young earth creationism intelligent design or other views demanding that Adam be a historical figure Giberson calls for a renewed conversation between science and Christianity and for more open engagement with new scientific discoveries even when they threaten central doctrines Christians should not be made to choose between their faith and their understanding of the universe Instead as Giberson argues they should follow in the once robust tradition of exploring science openly within the broad contours of Christian belief **Convinced?** C. J. Rysen, Dan Manternach, 2021-10-20 What is the complete essence of this book The Cosmic Harmony of Science Scripture and Reason Can it be indubitably proven that God absolutely exists Can it really be shown how science actually confirms creation by God

Given that some say not even God can create something out of nothing exactly how did God create everything in the universe Just how can the Holy Bible be reliable and the divine Word of God when it is challenged with so much controversy Can it be irrefutably verified that Jesus was for real really rose from the dead and is the Son of God Did the Great Flood of Noah and his Ark really happen How Everybody wants to see proof Atheists and skeptics often demand it A total of twenty one of the most often asked and difficult questions challenging Christianity are answered by coauthors C J Rysen author of the Christian apocalyptic thriller a novel In the Course of Three Hours www.inthecourseofthreehours.com and Dan Manternach a public speaker and leader in the Christian Group Ministry to Men www.ministrytomen.net Both men have collaborated to provide irrefutable answers and explanations in a simple easy to understand straightforward way providing new unexpected and intriguing perspectives to which you likely may have never given any thought Many of these will be surprising and often startling to anyone whether skeptic agnostic or atheist The book is also intended to be a reference source for the layperson as well as those with formal theological or philosophical education Although this book is intended to address these questions for the benefit of the nonbeliever it also is intended to prepare the believer to help answer such questions and solidify their faith If one is intellectually honest with oneself the explanations in this book should be overwhelmingly compelling and absolutely convincing If they are not one must ask the question Why

Evangelism Is ... Once Saved, Always Saved Adie Chidubem, 2025-10-13 Is eternal security a biblical guarantee or a theological illusion One of the biggest fears tormenting the lives of most Christian people today is the fear of losing salvation They see salvation as something God gave conditionally and not as an eternal work of grace This uncertainty has resulted in several misconception about the subject of salvation while some are of the view that salvation is once saved

always saved others are of the view that man can lose salvation if by falling from grace No matter what view you hold I invite you to read this book with an open heart to discover what the bible says concerning this subject of salvation

The Grand Question Resolved, What We Must Do to be Saved. Instructions for a Holy Life Richard Baxter,1692 **God's Grand Design** William R. Arnold,2021-06-30 God's Grand Design By William R Arnold Edited by Ms Aurora Payad Arnold God's Grand Design is to restore mankind to its original state of sacred perfection after Adam and Eve fell and created the original sin of disobedience hiding and lying to the Lord When God cursed the serpent for tempting Adam and Eve to be like God he promised to send his only begotten Son to save humanity He did via the incarnate word in the womb of the immaculately conceived Virgin Mary God wants to be man and receive a new body to defeat death through Jesus Christ Man wants to become God to receive eternal life Man's journey to become God starts from being an ignorant baby gaining knowledge to a cowardly teenager obtaining courage to an adult converting greed to generosity to a wise man changing selfishness to unselfishness and at last to a free man able to think for himself in eternal service to God in his kingdom The journey requires him to know right from wrong good from evil and God's will from man's will and thus defeat evil worldly temptations and demonic possession Through Christ God and man are destined to become one through three advents making the God Man Christ into the new human spirit blessings Then the Man God Jesus becomes the new human flesh to make all things perfect in the sight of God Jesus Christ came as a priest on a donkey to decode the Torah bring knowledge and remove blindness to defeat sin By his death and resurrection he granted free redemption to man's flesh to give him a new body The second coming of Jesus Christ as thief in the night will bring awakening to remove deafness by teaching God's truths to defeat evil As a just judge on a cloud on his third advent the Lord will remove mankind's dumbness to defeat death And then man can become worthy of receiving God's rewards of paradise in heaven or heaven on earth
