Look We Have Come Through:

Look! We Have Come Through! David Herbert Lawrence, 1917 **Look! We Have Come Through!** Lara Feigel, 2022-08-18 Her intensity and intimacy are engaging Blake Morrison Guardian A lovely urgent serious book Tessa Hadley Refreshing and unexpected Daisy Hay Financial Times Brilliantly interweaving literary criticism biography and memoir *Look We Have Come Through* is a captivating exhumation of an author and a compelling manifesto for exposing ourselves to difficult and dangerous views Lara Feigel listens to birds outside her window their circling strident calls and thinks of D H Lawrence It is the spring of 2020 and as the pandemic takes hold she locks down in rural Oxfordshire with her partner her two children and that most explosive of writers Proceeding month by month through the year she sets out to start again with Lawrence to find vital literary companionship to use him as a guide to rural living and even unexpectedly to child rearing to find a way through his writing to excavate the modern world she feels he helped bring into being Tracing the arc of Lawrence's life and delving deep into his writings she confronts his anger his passion his tumultuous vitality In the process she faces some of today's most urgent dilemmas from secular religion to the climate crisis from sex and sexuality to feminism's ideas about motherhood And as she watches the seasons change alongside Lawrence Feigel finds the rhythms of her own life shifting in unexpected ways *Look! We Have Come Through!* D. H. Lawrence, 2019-01-11 A collection of poems should not be considered separately as so many single pieces They are intended as an essential story or history or confession unfolding one from the other in organic development the whole revealing the intrinsic experience of a man during the crisis of manhood when he marries and comes into himself **The Poems** D.H. Lawrence, 2019-02-20 A collection of modern English poetry from the celebrated author of *Lady Chatterly's Lover* This definitive collection of D H Lawrence's poems both previously published and some not presents here with the poems in their intended forms reversing censorship and correcting long missed errors for the first time The texts are accompanied by a comprehensive study of the composition publication and reception of Lawrence's most iconic poetry *D. H. Lawrence's Non-Fiction* David Ellis, Howard Mills, 1988-06-09 This is the first book devoted entirely to Lawrence's nonfictional writings It focuses on a selection of representative texts each of which is placed in an appropriate literary or historical context These include the *Study of Thomas Hardy* the two books about the Unconscious the travel writing primarily *Twilight in Italy* and *Sea and Sardinia* the largely autobiographical *Introduction to Memoirs of the Foreign Legion* by M M and the late thoughts in verse called *Pansies* David Ellis and Howard Mills challenge the automatic relegation to secondary status suffered by these works in the past and suggest a radical reassessment of Lawrence's literary profile of how his writings relate to one another and of where his greatest power and originality lie

Look! We Have Come Through! D. H. Lawrence, 2015-12-21 Lawrence describes the poems in this first collection of his unrhymed poems as intended as an essential story or history or confession the critical experience occurring in the period of roughly the sixth lustre of a man's life that is from the age of 25 to 30 **Georgian poetry, 1911-1912**, 1920
