formal training his belated start in show business in his late twenties and the fact he only lived to age seventy nine Perhaps best remembered for his Oscar winning performance as the tortured alcoholic in Billy Wilder's The Lost Weekend 1945 or his outstanding collaboration with Alfred Hitchcock in Dial M for Murder 1954 there is much more to Milland's life and career than the few films that elevated him from star to icon Despite his prolific and successful career Dashing to the End The Ray Milland Story is the first comprehensive biography of the star Milland's personal and professional trajectory epitomize quintessential Hollywood lore the British army soldier turned actor who went from unknown struggling bit player to Oscar winning star to aging scandal haunted has been to comeback character actor to present day cult figure Using interviews with Milland's costars and colleagues as well as research from several major archives author Eric Monder brings into sharp relief both the positive and negative aspects of the Hollywood film and television industries and paints a well rounded portrait of this complex man and artist A History of American Movies Paul Monaco, 2023-06-14 In A History of American Movies A Film by Film Look at the Art Craft and Business of Cinema Paul Monaco provides a survey of the narrative feature film from the 1920s to the present The book focuses on 170 of the most highly regarded and recognized feature films selected by the Hollywood establishment each Oscar winner for Best Picture as well as those voted the greatest by members of the American Film Institute By focusing on a select group of films that represent the epitome of these collaborations Monaco provides an essential history of one of the modern world's most complex and successful cultural institutions Hollywood Divided into three sections Classic Hollywood 1927 1948 Hollywood In Transition 1949 1974 and The New Hollywood 1975 To The Present Monaco examines some of the most memorable works in cinematic history including The General Wings Bringing Up Baby Gone with the Wind Citizen Kane Casablanca On the Waterfront The Searchers Psycho West Side Story The Godfat

Screenwriters José Guilherme Correa, 2016-07-13 Screen writing is a unique literary form Screenplays are like musical scores in that they are intended to be interpreted on the basis of other artists performances rather than serving as finished products for the enjoyment of their readers They are written using technical jargon and tight spare prose to describe set directions Unlike a novella a script focuses on describing the literal visual aspects of the story rather than on its characters internal thoughts In screen writing the aim is to evoke those thoughts and emotions through subtext action and symbolism Prominent Hollywood script doctors include Steve Zaillian William Goldman Robert Towne Mort Nathan Quentin Tarantino etc while many up and coming screenwriters work as ghost writers This book is a modest catalogue of some of the most prominent screenwriters listed from A to Z The good are sometimes bad and they can be even Ugly Many comments herein included were googled in deference to the multiplicity of information available today yet they reflect exactly or almost what I thought An amazing thing today is how anonymous commentators on the Internet rival and even surpass the poor quality of professional media and specialised literature It all comes down to watching the truth 24 times per second to quote Jean Luc Godard s phrase Not to mention that such truth may include sex scenes violence pedophilia etc We know that a literary

masterpiece like Henry James Portrait of a Lady became a film of very poor quality as scripted by Laura Jones We know conversely that a mediocre writer like Mickey Spillane inspired at least one film as remarkable as Kiss Me Deadly thanks to A I Bezzerides script Asa former screenwriter Mr Correa must avow that he found the job most gratifying Writing that looks effortless is often hellish to write and revise It was something he did have to slog through but it proved particularly pleasing Editing discussing finishing your work is particularly gratifying Identifying your flaws and working to mitigate them is also gratifying It is a general perception that creative careers are more interesting and fun than others But the privilege of earning money through imagination and creativity is effectively hard won Please comment at will Please disagree at will Be facetious in your remarks but please be neither vicious nor mean spirited The Sunnier Side Charles Jackson, 1995 A posthumous anthology of stories on life in Arcadia a small town in New York State illustrating the advantages and disadvantages of living in a small burg In one story a girl is hounded for having an affair in another a man discovers to his horror that a bum is a relative By the author of The Lost Weekend <u>Drunks</u> Christopher Finan, 2017-06-27 Reveals the history of our struggle with alcoholism and the emergence of a search for sobriety that is as old as our nation In Drunks Christopher Finan introduces us to a colorful cast of characters who were integral in America's moral journey to understanding alcoholism There's the remarkable Iroquois leader named Handsome Lake a drunk who stopped drinking and dedicated his life to helping his people achieve sobriety In the early nineteenth century the idealistic and energetic Washingtonians a group of reformed alcoholics led the first national movement to save men like themselves After the Civil War doctors began to recognize that chronic drunkenness is an illness and Dr Leslie Keeley invented a gold cure that was dispensed at more than a hundred clinics around the country But most Americans rejected a scientific explanation of alcoholism A century after the ignominious death of Charles Adams came Carrie Nation The wife of a drunk she destroyed bars with a hatchet in her fury over what alcohol had done to her family Prohibition became the law of the land but nothing could stop the drinking Finan also tells the dramatic story of Bill Wilson and Dr Bob Smith who helped each other stay sober and then created AA which survived its tumultuous early years and finally proved that alcoholics could stay sober for a lifetime This is narrative history at its best entertaining and authoritative an important portrait of one of America's great liberation movements and essential reading for anyone involved in the addiction community On Sunset Boulevard Ed Sikov, 2017-06-14 On Sunset Boulevard originally published in 1998 describes the life of acclaimed filmmaker Billy Wilder 1906 2002 director of such classics as Sunset Boulevard The Lost Weekend The Seven Year Itch and Sabrina This definitive biography takes the reader on a fast paced journey from Billy Wilder's birth outside of Krakow in 1906 to Vienna where he grew up to Berlin where he moved as a young man while establishing himself as a journalist and screenwriter and triumphantly to Hollywood where he became as successful a director as there ever was Double Indemnity Sunset Boulevard Some Like It Hot and The ApartmentWilder's cinematic legacy is unparalleled Not only did he direct these classics and

twenty one other films he co wrote all of his own screenplays Volatile cynical hilarious and driven Wilder arrived in Hollywood an all but penniless refugee who spoke no English Ten years later he was calling his own shots and he stayed on top of the game for the next three decades Wilder battled with Humphrey Bogart Marilyn Monroe Bing Crosby and Peter Sellers kept close friendships with William Holden Audrey Hepburn Jack Lemmon and Walter Matthau amassed a personal fortune by way of blockbuster films and shrewd investments in art including Picassos Klees and Mir s and won Oscars yet Wilder ever conscious of his thick accent always felt the sting of being an outsider On Sunset Boulevard traces the course of a turbulent but fabulous life both behind the scenes and on the scene from Viennese cafes and Berlin dance halls in the twenties to the Hollywood soundstages of the forties and the on location shoots of the fifties and sixties Crammed with Wilder s own caustic wit On Sunset Boulevard reels out the story of one of cinema s most brilliant and prolific talents Farther and Wilder Blake Bailey, 2013 The fascinating biography of the author of The Lost Weekend a writer whose life and work encapsulated what it meant to be an addict and a closeted gay man in mid century America and who is ripe to be Motion Pictures University of California, Los Angeles. beginning but censorship forced filmmakers to devise hidden sexual subtexts to preserve a film's subliminal eroticism. In this way Hollywood films seed our collective psyches with unconscious subtexts. Science fiction films are particularly effective using horror to induce sexual excitement as studied in Part I The nature of desire in a trio of science fiction thrillers. Another device was to display unrestricted consumption of alcohol and tobacco and gratuitous spending. Today this is a clich of mainstream cinema but some filmmakers expose the dark underbelly. The five films scrutinized in Part II Portraits of addiction in Hollywood melodrama make explicit the connections between greed addictions and sexuality. Finally in Part III Perverse desire in mainstream cinema the nuanced position toward the psychosexual obsessions on view in the films is investigated by posing the provocative question of whether S M practice can work as a cure for psychic suffering by raising the alarm over sexuality run amok in a suburban community and by offering a devastating critique of voyeurism's fatal attraction to viewers. The Erotic Screen is an investigation of the nature of human sexuality through the medium of film It stirs up discussion and debate and helps these movies live on in our minds.
