God Is Love: Understanding the Love of God and Why It Is the Only Path to Life Fersen Perera,2015-01-20 The only path to life not mere survival for a human being is the love of God But what is love There are many definitions of this short word and even more opinions about its meaning There are also those who say that there are different types of love However Scripture simply states that God is Love and that love comes from God so why is there such confusion about love Part I of Because God Is Love exposes the passionate and alluring yet deceptive reasons behind this confusion of meaning brings forth the simple truth about love in its human facet and shows how everything else that has been called love is nothing other than a delusion that is akin to idolatry and as such it is destructive and completely removed from the true love of the Lord our God The only power that redeems fulfills and provides meaning to the existence of those who wholeheartedly love Him

If the secular university by definition is non sectarian or non denominational then how can it accommodate a discipline like Christian theology Doesn't the traditional goal of theological study which is to attain knowledge of the divine fundamentally conflict with the main goal of secular academic study which is to attain knowledge about ourselves and the world in which we live So why should theology be admitted or even care about being admitted into secular academic life And even if theology were admitted what contribution to secular academic life could it make Working from a Christian philosophical and theological perspective but also engaging a wide range of theologians philosophers and religious studies scholars Christian Theology and the Secular University takes on these questions arguing that Christian theology does belong in the secular university because it provides distinct resources that the secular university needs if it is going to fulfill what should be its main epistemic and educative ends This book offers a fresh and unique perspective to scholars working in the disciplines of theology philosophy and religious studies and to those in other academic disciplines who are interested in thinking critically and creatively about the place and nature of theological study within the secular university The World Where Love Never Dies Book 2 Jean Vincent Naurais,2020-11-01 Book 2 of 6 Novel based on a true story Epic Attributes is the second book from the book series THE WORLD WHERE LOVE NEVER DIES A journalist interviewing an old man well known for his wisdom discovers how this could help him to find his higher purpose in life The old man is prophesying glimpses of an extraordinary love and a new worldwide career coming soon to the journalist's life because of his newly acquired understanding The life of this old man his explanations his teachings sway the journalist to rethink his own values and beliefs carrying him into a much higher spiritual understanding where he tries to understand why they are meeting and the extraordinary meaning of this world where love never dies Long ago the old man and his wife lived a lush life Early in their journey both much younger they did not really know where they were going They seemed to have it all they could do anything they wanted they were young and foolish pure and innocent They were warned of a sudden change drawing closer a major and inexorable change All of a sudden tragedy struck We don't see things as they are we see things as we are especially when we are blind Through a kind of osmosis the journalist changes to perceive his life with a whole new perspective Followed by Book 3 The Tree of Life Book 4 Lips to Ears Book 5 Love Resonance Book 6 The Eye of Wisdom **Together Again** Katrina Taylor,2016-08-04 Chad and Candace thought their love life's were going nowhere until they found each other again in an elevator Chad's trying to get her to see true love exists Can he do it Can Candace get past all her insecurities and feeling like love isn't on earth to really have what God says we can **Treating NVLD in Children** Jessica Broitman,John M.
