Broyde,Michael Ausubel,2005-08-22 Marriage Sex and Family in Judaism explores Jewish marriage from historical and contemporary perspectives focusing on the religious and legal concepts of marriage and the social impact of family in the Jewish community The book does not advocate one perspective or another instead the essays range from conservative to liberal viewpoints offering readers a well balanced mixture of perspectives on Jewish marriage **Sex Guides** Patty Campbell,2017-04-07 The history of the sex guide for adolescents documents the quite unconscious movement of Western culture s ideas about sex and youth revealing the heritage of our own sexual beliefs and codes of behaviour The first section of this book first published in 1986 traces the development of the sex guide examining 400 books from 1892 to the 1980s The second section comprises a detailed analysis of the patterns content and usefulness of all the contemporary manifestations of the genre The history of the teen sex manual is a fascinating revelation of American attitudes towards adolescent sexuality Human Sexuality, Ethnoculture, and Social Work Larry Lister,1986 The only book of its kind Human Sexuality Ethnoculture and Social Work combines information about ethnocultural groups in the United States with a focus on issues about sexuality The authors each a member of the group about which he or she writes contribute a unique understanding and perspective within a common conceptual framework The basic details provide readers with the background about the cultures in general black Mexican native Hawaiian and Samoan Japanese Jewish Philippino and Puerto Rican with an emphasis on human sexuality Invaluable data is included about behavior attitudes gender roles family patterns and child socialization Social workers and other helping professionals as well as scholars in the areas of sexuality and culture will increase their understanding and their ability to work with clients from different ethnocultural backgrounds **Routledge Library Editions: Literature and Sexuality** Various Authors,2021-02-25 This set brings together a collection of classic out of print works that offer some surprising new takes on the theme of sexuality in literature Whether examining new spaces by unrepresented women writers of colour or looking afresh at gay writings of the early twentieth century this set presents a thought provoking take on the subject and as such is an essential reference source **A Bibliography of Jewish Education in the United States** Norman Drachler,2017-12-01
