One Gospel in Clear English Ron Banuk, 2019-04-03 This book combines all the information offered by Matthew Mark Luke John and to some extent Paul in creating an easy to read harmonious account of the One Gospel The book is divided into 259 chronological pericopes each of which has been ascribed a date and sometimes a day of the week and approximate time Maps show not only where important events happened but also the chronological footsteps of the Messiah Because of the logical arrangement of the data within the account of the One Gospel it is easy to remember where an event occurred within the four Passovers of Jesus's career It is also easy to build lists of repetitive events In doing this it was discovered that John writing about AD 98 added to 14 data lists containing seven events thereby putting his seal on the New Testament because the probability of this happening by chance is one in 30 trillion The book also has insightful informational and theological notes This book also has insightful theological notes a reverse Scripture to Pericope index and a cross referenced index of the Gospel story Whether you are reading the Gospel for the first or the hundredth time you are bound to profit by doing so via Ron Banuk's One Gospel in Clear English The author's scholarship shines through in his comments on the biblical text on every page as does his love and appreciation for the Lord his God and for His life giving Word Stephen A Bloom MA Fuller Theological Seminary

Byer, 2021-03-30 Lucianity the Perverse Religion of Christians is a book about the hidden history of the New Testament where it not only reveals the scripture s mysterious origin but also its very unique and clandestine creation In this book the reader will learn that Christianity the religion that people sincerely believe and practice today is not the religion of Christ Instead it is the religion of an overzealous disciple who was able to gain possession of every gospel and almost every epistle in addition to most of the other manuscripts related to early church affairs and then after the death of the apostolic authors edit and rewrite them to reflect his peculiar religious beliefs and philosophy For instance he conflated Jesus with God and called him Lord That disciple is identified as Lucius the Bishop of Cyrene who unfortunately never understood the spiritual nature of man the spiritual resurrection of Christ or the purpose for why God sent Christ on a mission to Earth As a consequence of ignorance and the lack of understanding by Lucius man has unknowingly accepted the false and unorthodox beliefs of Lucianity which have been incorporated into the creeds gospels epistles and a host of other bible related documents This newly discovered information was deciphered by a seasoned detective when he deconstructed the 2000 year old biblical scripture line by line and verse by verse All Christians who number in the billions today will be stunned and perplexed by his findings especially all the ministers who promote the Bible as the true word of God Some of it is and some of it isn t nevertheless this book identifies God s true word in Isaiah and Daniel and it even illustrates the exactness and preciseness of His word plus other prophetic scripture by the use of numerous exhibits since the detective believes a picture is worth a 1000 words Christ flipped over the tables of the money changers signifying the coming end to the desolation that existed in the Jewish Temple In like manner the detective has upset an applecart full of false beliefs which will hopefully awaken people to the realization of Lucianity or modern day desolation and usher in the resurrection of true Christianity Christians will learn the unvarnished truth about their ascribed beliefs for probably the first time in 2000 years and more particularly how they have been bamboozled and conned by a very clever disciple The Bible is the most sold and most read book in the entire world and yet not a single person in the world has recognized the fact that at least 75% of the scripture in the New Testament is really the prodigious work of a secretive behind the scenes apostolic era Bishop In his writings Lucius used ancient manuscripts and even a book by Flavius Josephus to write various gospel chapters not the spoken words of Jesus While looking over the Detective s shoulder the reader will see and learn exactly how he identified all the fraud implanted into the pages of the Bible via easy to understand scriptural analysis and a variety of exhibits As such reading the New Testament is generally a waste of time unless one has the persistence capability and patience to do a thorough time consuming focused multi year forensic exam like the one contained inside the pages of the book Lucianity No similar criminal investigation of the Bible has ever been completed and no similar book exists If a person is searching for just the facts

regarding their Christian faith then the Detective assures all seekers of truth that they will know more about the Bible God Moses Isaiah Daniel and Christ i e the Anointed One of God after reading Lucianity than they ever will by reading Biblical scripture And more importantly if they truly understand the message of Jesus Christ as revealed within the pages of this book they should also learn something about themselves no matter their status rank position race or sex their incarnation is not an accident of nature but a self chosen deliberate purposeful spiritual event Just like Christ every man woman and child has come to Earth in order to fulfill a spiritual mission not to fulfill a short sighted worldly aspiration for material goods and wealth **Five Small Loaves and Two Small Fish** Diane Stortz,2005-01-24 Introduce your child to a Happy Day R book about one of Jesus miracles Jesus takes care of all we need And sometimes he even uses miracles
