stories Rudyard Kipling,2024-03-25 Best known for the Mowgli stories Rudyard Kipling s The Jungle Book expertly interweaves myth morals adventure and powerful story telling Set in Central India Mowgli is raised by a pack of wolves Along the way he encounters memorable characters such as the foreboding tiger Shere Kahn Bagheera the panther and Baloo the bear Including other stories such as that of Rikki Tikki Tavi a heroic mongoose and Toomai a young elephant handler Kipling s fables remain as popular today as they ever were Mowgli (Movie Tie-In) Rudyard Kipling,2018-12-04 Rudyard Kipling s best loved book is now the basis for the Netflix film Mowgli Legend of the Jungle starring Christian Bale Cate Blanchett Benedict Cumberbatch Freida Pinto and Rohan Chand The story of Mowgli the abandoned man cub who is brought up by wolves in the jungles of Central India is one of the greatest literary myths ever created As he embarks on a series of thrilling escapades Mowgli encounters such unforgettable creatures as the bear Baloo the graceful black panther

Bagheera and Shere Khan the tiger with the blazing eyes Other animal stories in The Jungle Books range from the dramatic battle between good and evil in Rikki tikki tav to the macabre comedy The Undertakers With Mowgli Rudyard Kipling drew on ancient beast fables Buddhist philosophy and memories of his Anglo Indian childhood to create a rich symbolic portrait of man and nature and an eternal classic of childhood *How the Child Lost Its Tail* Jessica L. Straley,2005 **Kairos** Gwyneth Jones,2021-11-11 London Early 21st Century A Conservative government is in power in the UK bringing increased wealth disparity an ever more militant police state and rising civil discontent as the wealthy govern for themselves rather than the people But BREAKTHRU a pharmaceutical company turned religious cult have the answer They call it Kairos Kairos allows the user to not just see a different world but shape the world to their very will Perfect for a cult of like minded individuals Disastrous when it is exposed to the general public As disparate groups of people try to shape the world into their own image reality itself is placed under threat With society so divided is there any way to pull the world back together Written in 1988 this remarkably prescient book received great critical acclaim **Turning the Page** Fiona M. Collins,Jeremy Ridgman,2006 Since the nineteenth century children s literature has been adapted for both the stage and the screen As the twentieth century progressed children s books provided the material for an increasing range of new media from radio to computer games from television to cinema blockbuster Although such adaptations are now recognised as a significant part of the culture of childhood and popular culture in general little has been written about the range of products and experiences that they generate This book brings together writers whose work offers contrasting perspectives on the process of adaptation and the varying transformations social historical and ideological that take place when a text moves from the page to another medium Linking all these contributions is an interest in the changing definition of children s literature and its target audience within an increasingly media rich society **Putnam's Book of Parties** Marguerite Aspinwall,1927 **On Cassette** ,1991 *Horror Stars on Radio* Ronald L. Smith,2010-03-08 This book chronicles the radio appearances of all prominent classic horror movie stars Boris Karloff Bela Lugosi Peter Lorre Vincent Price and two dozen more including scream queens like Fay Wray It contains script excerpts from radio shows as well as material from narrated albums and music singles Each star s appearances are listed by show and air date with descriptions of the subject matter *Movie Lists* Paul Simpson,2011-05-26 Action African greats alcohol Robert Aldrich aliens Woody Allen Pedro Almodovar Robert Altman animated anime apocalypses Argentina art Asia minor avant garde And that s just A for you A taste of this fabulously quirky and enjoyable book which is both a celebration of movies and movie trivia and a handy entertaining guide to films that we know you will enjoy It is fantastically functional The lists are well conceived and easy to understand mostly assembled by genre actor director theme or country of origin and the reviews are witty and informative Oddly enough most movie guides are not full of recommendations But Movie Lists is in spades leaving readers in no doubt that the films reviewed are the business Oh and you don t have to watch them all before you die There is no premise of death in this book You just

need to get down to the local Blockbusters or flick your remote to Movies on Demand Only the popcorn is not supplied
