

Mrs Perkins, Oedipus And Me

We speak today.
It is not the last time.
Age attacks her,
I still have the better of it.
Oedipus surveys,
Sphynxlike,
Guarding the hallway
Of the mummy within.
The cornered Olivetti grasps firmly

Her latest cutting lines.
The topic has changed.
Death has become loneliness -
Excellent bedfellows
Given birth by her novelist husband's passing.
She loans me her latest volume,
It soothes my introspection.
Freudian influences
Feed my shadows
In this winter companion,
Barometer of the soul.

Elizabeth Bartlett

Mrs Perkins And Oedipus:

Mrs. Perkins and Oedipus Elizabeth Bartlett, 2004 Elizabeth Bartlett's powerfully evocative poems are remarkable for their painfully truthful insights into people's lives. She worked for many years in the Health Service and Peter Forbes has called her poetry's chronicler of today's damaged Britain. She writes about people in extreme states, some of which she has experienced herself. In her 80th birthday collection *Mrs Perkins and Oedipus* she mourns the loss of her husband and squares up to ill fortune but recalls past loves and times with openness, honesty and stoically grouchy humour. [A Dictionary of Writers and their Works](#) Christopher Riches, Michael Cox, 2015-01-29 Over 3 200 entries. An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present. There is also some coverage of non-fiction such as biographies, memoirs and science as well as inclusion of major American and Commonwealth writers. This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist. The Poems of T. S. Eliot Volume I T. S. Eliot, 2015-11-17 Here for the first time is a fully scrutinized text of Eliot's poems carefully restoring accidental omissions and removing textual errors that have crept in over the full century in which Eliot has been so frequently printed and reprinted The edition also presents many poems from Eliot's youth which were published only decades later as well as others that saw only private circulation in his lifetime of which dozens are collected for the first time The first volume respects Eliot's decisions by opening with his *Collected Poems* 1909 1962 in the form in which he issued it shortly before his death fifty years ago There follow in this first volume the uncollected poems from his youth that he had chosen to publish along with such other poems as could be considered suitable for publication The Poems of T S Eliot is a work of enlightening scholarship that will delight and inform all those who read Eliot for pleasure as well as all those who read with pleasure and for study Here are a new accuracy and an unparalleled insight into the marvels and landmarks from The Love Song of J Alfred Prufrock and The Waste Land through to Four Quartets **American Book Publishing Record** ,2003 *Newsweek* ,1960 The Birth of Nigeria's University Kenneth Mellanby, 2025-09-30 First published in 1958 The Birth of Nigeria's University tells the story of how Dr Kenneth Mellanby the Principal Designate acquired five square miles of unsurveyed bush and created there what is now accepted as one of the leading universities in Nigeria Although Dr Mellanby modestly disclaims much of the credit for this achievement it is realised in university circles that it was his energy and enthusiasm that was largely responsible for the rapid growth of University College Ibadan and for the high academic status it has now achieved The book is the story of a successful struggle against many difficulties including bad planning by experts in Britain and Africa red tape indifference and procrastination The author shows how it was impossible to divorce higher education from politics He pungently but good humouredly criticises many well known figures in the educational and colonial worlds Race relations play a large part in this story and the author paints a picture of black and white races working together as equals This is an

important historical reference work for scholars and researchers of African history African education and African studies

Ottomiller's Index to Plays in Collections John Henry Ottomiller,Denise L. Montgomery,2011-08-11 The standard location tool for full length plays published in collections and anthologies in England and the United States since the beginning of the 20th century Ottomiller s Index to Plays in Collections has undergone seven previous editions the latest in 1988 covering 1900 through 1985 In this new edition Denise Montgomery has expanded the volume to include collections published in the entire English speaking world through 2000 and beyond This new volume lists more than 3 500 new plays and 2 000 new authors as well as birth and or death information for hundreds of authors Representing the largest expansion between editions this updated volume is a valuable resource for libraries worldwide *T. S. Eliot's Dialectical Imagination* Jewel Spears Brooker,2018-11-15 What principles connect and what distinctions separate The Love Song of J Alfred Prufrock The Waste Land and Four Quartets The thought tormented characters in T S Eliot s early poetry are paralyzed by the gap between mind and body thought and action The need to address this impasse is part of what drew Eliot to philosophy and the failure of philosophy to appease his disquiet is the reason he gave for abandoning it In T S Eliot s Dialectical Imagination Jewel Spears Brooker argues that two of the principles that Eliot absorbed as a PhD student at Harvard and Oxford were to become permanent features of his mind grounding his lifelong quest for wholeness and underpinning most of his subsequent poetry The first principle is that contradictions are best understood dialectically by moving to perspectives that both include and transcend them The second is that all truths exist in relation to other truths Together or in tandem these two principles dialectic and relativism constitute the basis of a continual reshaping of Eliot s imagination The dialectic serves as a kinetic principle undergirding his impulse to move forward by looping back and the relativism supports his ingrained ambivalence Brooker considers Eliot s poetry in three blocks each represented by a signature masterpiece The Love Song of J Alfred Prufrock The Waste Land and Four Quartets She correlates these works with stages in the poet s intellectual and spiritual life disjunction ambivalence and transcendence Using a methodology that is both inductive moving from texts to theories and comparative juxtaposing the evolution of Eliot s mind as reflected in his philosophical prose and the evolution of style as seen in his poetry Brooker integrates cultural and biographical contexts The first book to read Eliot s poems alongside all of his prose and letters T S Eliot s Dialectical Imagination will revise received readings of his mind and art as well as of literary modernism
