Mrs Sherwood And Hers For Children A Study:

Women, Theology and Evangelical Children's Literature, 1780-1900 Irene Euphemia Smale, 2023-01-12 This book provides a wealth of fascinating information about many significant and lesser known nineteenth century Christian authors mostly women who were motivated to write material specifically for children's spiritual edification because of their personal faith It explores three prevalent theological and controversial doctrines of the period namely Soteriology Biblical Authority and Eschatology in relation to children's specifically engendered Christian literature It traces the ecclesiastical networks and affiliations across the theological spectrum of Evangelical authors publishers theologians clergy and scholars of the period An unprecedented deluge of Evangelical literature was produced for millions of Sunday School children in the nineteenth century resulting in one of its most prolific and profitable forms of publishing It expanded into a vast industry whose magnitude scope and scale is discussed throughout this book Rather than dismissing Evangelical children's literature as simplistic formulaic moral didacticism this book argues that in attempting to convert the mass reading public nineteenth century authors and publishers developed a complex highly competitive genre of children's literature to promote their particular theologies faith and churchmanships and to ultimately save the nation *Women's Writing and Mission in the Nineteenth Century* Angharad Eyre, 2022-11-30 Until now the missionary plot in Charlotte Brontë's *Jane Eyre* has been seen as marginal and anomalous Despite women missionaries being ubiquitous in the nineteenth century they appeared to be absent from nineteenth century literature As this book demonstrates though the female missionary character and narrative was in fact present in a range of writings from missionary newsletters and life writing to canonical Victorian literature New Woman fiction and women's college writing Nineteenth century women writers wove the tropes of the female missionary figure and plot into their domestic fiction and the female missionary themes of religious self sacrifice and heroism formed the subjectivity of these writers and their characters Offering an alternative narrative for the development of women writers and early feminism as well as a new reading of *Jane Eyre* this book adds to the debate about whether religious women in the nineteenth century could actually be radical and feminist **Women in Christianity in the Age of Empire** Janet Wootton, 2022-03-07 *Women in Christianity in the Age of Empire 1800-1920* offers a broad view of the nineteenth century as a time of dramatic change particularly for women critiqued in the light of postcolonial theory This edited volume includes important contributions from academics in the field Overarching themes include the cult of domesticity the changing impact of Christianity on views of women's nature in an age of scientific thinking conflation of gospel and civilization in global mission and the exclusion of women from public spheres of life We meet powerful saints campaigners and thinkers who bring about genuine transformation in the lives of women and in society But we also recognize the long shadow of Empire in the world of the twenty first century critiquing Colonialism and Empire and views that restricted women's lives This engaging volume will be of key interest to students and scholars in Religion and Cultural Studies Exploring the complexities of the

nineteenth century it draws on a range of scholarship including TV documentaries film online and more traditional academic resources

The Routledge Companion to Romantic Women Writers Ann R. Hawkins, Catherine S. Blackwell, E. Leigh Bonds, 2022-12-30 The Routledge Companion to Romantic Women Writers overviews critical reception for Romantic women writers from their earliest periodical reviews through the most current scholarship and directs users to avenues of future research It is divided into two parts The first section offers topical discussions on the status of provincial poets on women's engagement in children's literature the relation of women writers to their religious backgrounds the historical backgrounds to women's orientalism and their engagement in debates on slavery and abolition The second part surveys the life and careers of individual women some 47 in all with sections for biography biographical resources works modern editions archival holdings critical reception and avenues for further research The final sections of each essay offer further guidance for researchers including Signatures under which the author published and a List of Works accompanied whenever possible with contemporary prices and publishing formats To facilitate research a robust Works Cited includes all texts mentioned or quoted in the essay

Love, Desire and Melancholy Angharad Eyre, Jane Mackelworth, Elsa Richardson, 2018-10-11 Originally inspired by the digitisation of the autobiographical writings of Constance Maynard this volume considers women's historical experience of sexuality through the frame of the history of emotions Constance Maynard 1849-1935 rose to prominence as the first Mistress and Principal of Westfield College holding that position from 1882 to 1913 However her writings offer more than an insight into the movement for women's higher education As pioneering feminist scholars such as Martha Vicinus have discovered Maynard's life writings are a valuable source for scholars of gender and sexuality Writing about her relationships with other women teachers and students Maynard attempted to understand her emotions and desires within the frame of her evangelical religious culture The contributions to this volume draw out the significance of Maynard's writings for the histories of gender sexuality religion and the emotions Interdisciplinary in nature they use the approaches of literary studies architecture studies and life writing to understand Maynard and her historical significance This book was originally published as a special issue of Women's History Review

Children's Literature Suzanne Rahn, 1981 **An Introduction To Childhood Studies** Kehily, Mary Jane, 2008-11-01 An Introduction to Childhood Studies offers a wide ranging and thought provoking approach to the study of childhood providing an important contribution to this burgeoning area of research and teaching
